The authorized capital of this Bank is $1,500,000, of which $757,425 has been taken and paid up by citizens of Missouri. Regular half-yearly dividends of five per cent have been declared, with an accumulated surplus of $34,443. The charter is liberal in its provisions, has not the personal liability clause, and has 25 years to run. St. Louis is considered one of the safest and best points in the West for banking operations. Ten per cent will be required to be paid at the time of subscribing, the residue within the next ensuing year, as the Directors may call on due notice, but may all be paid up at the time, at the option of the subscriber. Pro-rata dividends will be paid to subscribers from the day of payment. Dividends to Eastern stockholders will be paid in New-York.
