TOOK IN THE RACES

Wall Street Was Practically Deserted Yesterday

AND BUT FEW STOCKS SOLD

Considering the Cause of the Great Dullness the Market Was Quite Firm—65,874 Shares Sold.

NEW YORK, June 17.—Money on call is nominal at 4@6 per cent.

Prime mercantile paper, 4@5 per cent.

Government bonds steady.

Speculation at the stock exchange was extremely dull, the sales of stock amounting to only 65,874 shares. The dullness is explained by the absence of the many speculators at the races and country resorts. Considering the inactivity the temper of speculation was quite firm. The bears in the room brought about a reaction of ½@¾ per cent on the heavy failing off in the bank reserves, but a recovery followed and the market closed firm.

SUGAR—Raw, quiet, firm. Fair refining, 3⅞c; centrifugals, 96 deg. test, 4⅝c; refined fair, good demand; No. 6, 4 13-16@5c.

Chicago Markets.

CHICAGO, June 17.—Wheat was fairly steady at the opening, but soon eased off and closed ½@⅝c lower than yesterday.

Corn showed some strength early, but finally lost ¾c. July dropped to 41⅝c before 11 o'clock, 1c under last night. September touched 42⅝@43c and dropped to 42⅝c. There was no recovery up to the last half hour and the close was ⅜@⅝c lower than last night.

Oats opened at 30c for July, sold up to 30⅝c, but weakened to 29⅝c. September opened weak and declined ⅜c. The market closed ¼@⅜c under yesterday's figures.

The provision trade was without a market most of the session. There was an advance in prices early when it was found that receipts of hogs were 2,000 under the estimate. Pork, lard and ribs sold 10c over last night on the advance.

Hogs — Receipts, 9,000; firm, 10@15c higher; heavy, $5.40@5.55; mixed and medium, $5.30@5.50; light, $5.35@5.50.

Corn—No. 2, cash, 40⅝c.

Oats—No. 2 white, cash, 37c.

London Grain.

LONDON, June 17.—The grain markets opened this morning with wheat firmer, red winter and California ½d higher, but the advance checks business; corn strong at 1½ advance. Wheat on passage firmer, held higher; corn very firm. The French markets were steady.

LOCAL MARKETS.

SATURDAY, June 17.—Little can be said regarding the grain market here during the past week, further than that it has ruled steady without no quotable change in prices. The offerings have been limited and, consequently, transactions small. The market price for wheat—62 cents per bushel—is too low to inspire much enthusiasm among the farmers, and many who have had their wheat locked in their bins for the past two years or more, say they will feed it to their stock or hold it over another year before they will haul it to market at such a ridiculously low price. Corn and oats are dull and prices have undergone no change. Sugars have advanced from 6 to 12 cents per 100 pounds during the week, with the prospect of a still further advance in the near future. A telegram from New York this morning to a leading wholesale grocer announced that there was a big strike on among the hands in all the large refineries and no prices were wired today. The prices of many staples have a downward tendency with, perhaps, the exception of wheat. Wool continues depressed and manufacturers are buying very conservatively. The prevailing stringency in the money markets, credits, etc., has affected the volume of business which otherwise would flow more freely. Old potatoes are fast growing scarce and at reduced prices. New potatoes are becoming plentiful and the market is well supplied at much reduced rates. Green peas are plentiful and much easier in price. Home grown strawberries are also plentiful and of fine quality at reduced price. The meat, poultry and fish markets are well supplied at prices quoted. Hay is dull, the supply being fully equal to the demand. All kinds of garden products are in good supply. Below are revised quotations:

Dr. M. J. Davis is a prominent physician of Lewis, Cass county, Iowa, and has been actively engaged in the practice of medicine at that place for the past thirty-five years. On the 26th of May, while in Des Moines en route to Chicago, he was suddenly taken with an attack of diarrhœa. Having sold Chamberlain's Colic, Cholera and Diarrhœa Remedy for the past seventeen years, and knowing its reliability, he procured a 25 cent bottle, the use of which completely cured him. The excitement and change of water and diet incident to traveling often produce a diarrhœa. Every one should procure a bottle of this remedy before leaving home. For sale by F. J. Wurzburg, druggist, No. 58 Monroe street.
