Notice Inviting Street Work Proposals

Pursuant to Statutes and to Ordinance No. 12,096 (New Series), of the Council of the City of Los Angeles, adopted November 20, 1905, directing this notice, the undersigned invites and will receive at his office in the City Hall, up to 11 o'clock a. m. of Monday, December 11, 1905, sealed proposals or bids, for the following street work, to be done according to the specifications for the construction of a sewer on Hill Crest drive, from westerly terminus to easterly terminus, in the City of Los Angeles, posted and on file, and therefor adopted, to wit:

That a vitrified pipe sewer be constructed in said city in

HILL CREST DRIVE,

from westerly terminus to easterly terminus between the points, on the lines, at the elevations and on the grades as are designated on the plan and profile of said sewer on file in the office of the City Engineer of said city, said plan and profile being numbered 15,578 in the records of said office; said sewer shall be built across such street or alley intersections, and with such manholes, junction chambers, flushtanks, iron covers, steps and buckets, and other appurtenances, as are designated upon said plan and profile.

Said improvement shall be constructed in accordance with said plan and profile; in accordance with plans Nos. 24,748 and 25,453 on file in the office of the said City Engineer; and in further accordance with the specifications therefor on file in the office of the City Clerk of said city, said specifications being entitled "Specifications for the construction of a sewer in Hill Crest drive, from westerly terminus to easterly terminus in the City of Los Angeles," and which specifications were approved by said Council at its meeting of October 2, 1905, which said plan and profile, said plans and said specifications are hereby referred to for more particular description of said work.

That the said contemplated work of improvement, in the opinion of said City Council, is of more than local or ordinary public benefit, and said City Council hereby declares that the district in the said City of Los Angeles benefited by said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

All that portion of the City of Los Angeles included within the following described exterior boundary line, to wit:

Commencing at the most northerly corner of lot 25 of Map of Roselawn place, as per map recorded in Book 2, page 86 of Maps, Records of Los Angeles County; thence from said point of beginning southerly in a direct line to the most easterly corner of said last mentioned lot; thence westerly and parallel to the southerly line of Hill Crest drive to the most southerly corner of lot 31 of said last mentioned map; thence northerly in a direct line to the most westerly corner of said last mentioned lot; thence easterly along the southerly line of Hill Crest drive to the point of beginning.

Bidders must file with each proposal or bid a check payable to the order of the Mayor of this city, certified by a responsible bank, for an amount which shall not be less than ten per cent of the aggregate of the proposal, or a bond for the said amount and so payable, signed by the bidder and by two sureties, who shall justify, before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions.

In bidding use blanks which will be furnished by the City Clerk upon application.

Los Angeles, Cal., December 4, 1905.

Notice of Public Work

Public notice is hereby given that at its meeting held on Monday, the 6th day of November, 1905, the City Council of the City of Los Angeles adopted an Ordinance, designated as Ordinance No. 12,033 (New Series), declaring its intention to order the following improvement to be made, to wit:

Section 1. That it is the intention of the City Council of the City of Los Angeles to close up, vacate and abandon, for street purposes, these portions of

FIFTH STREET
and
MELLUS STREET,

public streets of the City of Los Angeles, between the Los Angeles River and the easterly line of subdivision of part of Blow Tract, described as follows, to wit:

All that portion of Mellus street (formerly Third street) and all that portion of Fifth street (formerly Fourth street) between the easterly line of the Official Bed of the Los Angeles River and the easterly line of the subdivision of part of Blow Tract, as shown upon map recorded in Book 18, at page 97, Miscellaneous Records of Los Angeles County.

Sec. 2. That the exterior boundaries of the district of land to be affected by said work or improvement are hereby specified and declared to be as follows, to wit:

Beginning at the northwesterly corner of lot 4 of "Jacoby & Thorne's Third Subdivision of part of Blow Tract," as per map recorded in Book 42, at page 14, Miscellaneous Records of Los Angeles County; thence easterly in a direct line to the northeasterly corner of lot 10, block D of Subdivision of part of Blow Tract, as per map recorded in Book 18, at page 97, Miscellaneous Records of Los Angeles County; thence southerly in a direct line to the southeasterly corner of lot 10, block J, said last mentioned subdivision; thence westerly in a direct line to the southwesterly corner of lot 3, block L, of said Jacoby & Thorne's Third Subdivision of part of Blow Tract; thence northerly in a direct line to the point of beginning; excepting therefrom so much of said land which is now a part of any public street or alley, in said city.

Reference is hereby made to said Ordinance, on file in the office of the City Clerk of said city, for further particulars.

Notice Inviting Street Work Proposals

Pursuant to Statutes and to Ordinance No. 12,074 (New Series), of the Council of the City of Los Angeles adopted November 20, 1905, directing this notice, the undersigned invites and will receive at his office in the City Hall, up to 11 o'clock a. m. of Monday, December 11, 1905, sealed proposals or bids, for the following street work, to be done according to specifications:

No. 30 (New Series) for grading streets with natural gravel of the street.
No. 22 (New Series), for cement curbs.
No. 23 (New Series), for cement sidewalks.

In the City of Los Angeles, posted and on file, therefor adopted, or herein mentioned, to wit:

1st. That

FORTY-FIRST STREET,

in said city, from the west line of Normandie avenue to the east line of Western avenue, including all intersections of streets (excepting such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting such portions as have already been graded and graveled and accepted), be graded and graveled to the official grade in accordance with the plans and profile on file in the office of the City Engineer and specifications for grading and graveling streets in the City of Los Angeles with the natural gravel of the street, Class A, on file in the office of the City Clerk of said city, said specifications being No. 30 (New Series).

2d. That a cement curb be constructed along each line of the roadway of said Forty-first street, from the west curb line of Normandie avenue to the east line of Western avenue (excepting along such portions of the line of said roadway upon which a cement or granite curb has already been constructed to the official line and grade), in accordance with specifications for constructing cement curbs, on file in the office of the City Clerk, said specifications being No. 22 (New Series).

3d. That a cement sidewalk four (4) feet in width be constructed along each side of said Forty-first street, from the west curb line of Normandie avenue to the east line of Western avenue (excepting such portions of said street between said points along which a cement or asphalt sidewalk four (4) feet in width has been constructed to the official line and grade), said sidewalk to be constructed in accordance with specifications for constructing cement sidewalks on file in the office of the City Clerk of said city, said specifications being No. 23 (New Series).

The Council of said city finds upon estimate of the City Engineer that the total cost of said improvement will be greater than fifty cents per front foot along each line of said street, including the cost of intersections, and it is determined, in pursuance of an Act of the Legislature of the State of California, approved February 27th, 1893, as amended by an Act of the Legislature amending said last named Act, which amending Act became a law March 2d, 1899, that bonds shall be issued to represent the cost of said improvement. Said bonds shall be serial, extending over a period of ten years, an even proportion of the principal sum of which shall be payable annually, on the second day of January of each year, by coupon, after their date until the whole are paid, and to bear interest at the rate of seven (7) per cent per annum, payable semi-annually on the second days of January and July of each and every year.

Bidders must file with each proposal or bid a check payable to the order of the Mayor of this city, certified by a responsible bank, for an amount which shall not be less than ten per cent of the aggregate of the proposal, or a bond for the said amount and so payable, signed by the bidder and by two sureties, who shall justify, before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions.

In bidding use blanks which will be furnished by the City Clerk upon application.

Los Angeles, Cal., December 4, 1905.
H. J. LELANDE,
City Clerk and ex-Officio Clerk of the Council of the City of Los Angeles.

Notice Inviting Street Work Proposals

Pursuant to Statutes and to Ordinance No. 12,099 (New Series), of the Council of the City of Los Angeles, adopted November 20, 1905, directing this notice, the undersigned invites and will receive at his office in the City Hall, up to 11 o'clock a. m. of Monday, December 11, 1905, sealed proposals or bids for the following street work, to be done according to the specifications for the construction of a sewer on Avenue Fifty-five, from Pasadena avenue to Longfellow street, in the City of Los Angeles, posted and on file, and therefor adopted, to wit:

That a vitrified pipe sewer be constructed in said city in

AVENUE FIFTY-FIVE,

from Pasadena avenue to Longfellow street, between the points, on the lines, at the elevations and on the grades as are designated on the plan and profile of said sewer on file in the office of the City Engineer of said city, said plan and profile being numbered 15,577 in the records of said office; said sewer shall be built across such street or alley intersections, and with such manholes, junction chambers, flushtanks, iron covers, steps and buckets, and other appurtenances, as are designated upon said plan and profile.

Said improvement shall be constructed in accordance with said plan and profile; in accordance with plans Nos. 24,748 and 25,453 on file in the office of the said City Engineer; and in further accordance with the specifications therefor on file in the office of the City Clerk of said city, said specifications being entitled "Specifications for the construction of a sewer in Avenue Fifty-five, from Pasadena avenue to Longfellow street in the City of Los Angeles," and which specifications were approved by said Council at its meeting of October 2, 1905, which said plan and profile, said plans and said specifications, are hereby referred to for more particular description of said work.

That the said contemplated work of improvement, in the opinion of said City Council, is of more than local or ordinary public benefit, and said City Council hereby declares that the district in the said City of Los Angeles benefited by said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

All that portion of the City of Los Angeles included within the following described exterior boundary line, to wit:

Commencing at the most northerly corner of lot 1, block 45 of Map of the subdivision of certain lots in Highland Park Tract, as per map recorded in Book 6, page 393, Miscellaneous Records of Los Angeles County; thence from said point of beginning southerly and parallel to the easterly line of Avenue Fifty-five to the most easterly corner of said last mentioned lot; thence easterly in a direct line to the most northerly corner of lot 4 of said block 45; thence southerly and parallel to the said easter
