On the Ragged Edge

The clothes that are washed without *Pearline*. If you get them clean by the necessary rubbing with soap, they will soon get ruined by the wear of it. *Pearline* saves the wear, by saving the work—there is little or no rubbing. It does no harm to anything that it washes, and it washes everything. Use *Pearline*, and use less labor. Labor is useless, if you use *Pearline*, for it is unnecessary.

Beware of imitations. 200 JAMES PYLE, N.Y.

THEN THE MARKET RALLIED

Only to Sleep Worse Than Ever on Very Unfavorable News, Which Made Brokers Weary.

NEW YORK, June 22.—Money on call active, ranging from 7 to 20 per cent; last loan at 20 per cent, and closing offered at 20 per cent.

Posted rates, $4.84@4.86.

Government bonds firmer.

The stock market was weak and unsettled today. The bears jumped on the market at the opening and depressed prices ¼@1½ per cent, but a rally promptly followed and for a time speculation ruled tolerably firm. The bank failures out west however, continued with the stringency in the local money market, and this started up a fresh selling movement as the day advanced, and in a few instances important declines were recorded. The losses in the list were ½@1¼ per cent. The dealings were strictly professional, the commission houses being disposed to discourage new ventures by their clients having the difficulty of seeing themselves clear at the banks. The close was weak. The sales footed up 151,431 shares, of which 21,554 were unlisted stocks.

Chicago Markets.

CHICAGO, June 23. — The wheat market opened weak and was very narrow for half an hour. It then went down ⅜c from last night to 65c July and 68⅛c September, the low point of the year for the last named. There was a rally of ⅜c at 11 o'clock, but after that the market was without support. During the last hour wheat was quiet and steady for July, but September was weak and sold at 69⅛c, but recovered to 69⅜c. The close was ⅝@⅞c lower than last night.

Early in the session corn was helped by the strong cables. When the heavy estimate came the market broke to 40⅝c July and 41c for September. There was no recovery.

Oats had a big slump in sympathy with corn. July sold early to 29⅝c, but went off to 28⅞c and back to 29c. September sold early at 29⅝c, but declined to 29c. The close was ½@1c lower than last night.

Hog products were all lower. Trade was light. Higher prices at the yards gave support to prices early. There was very little doing during the closing hour and prices held steady, closing 10c higher for pork as compared with yesterday's closing and light change in lard and ribs.

Closing prices:

WHEAT—June, 64⅝c; July, 65c; September, 69⅛c.

CORN—June, 40⅝c; July, 40⅝c; September, 41⅝c.

LONDON, June 23.—The grain markets opened this morning irregular. At Liverpool wheat was firm but not active, with California ½d higher; corn ¼d lower and quiet at the decline. Wheat on passage, red very dull, white firmly held; corn weaker. The French markets were unchanged. The weather in the United Kingdom was fair with showers.

LOCAL MARKETS.

FRIDAY, June 23.—There is no change in the local market in the prices of grain from that recorded yesterday, and little can be added further than the market is very weak and transactions small. The grocery market, in the language of a leading wholesale grocer "is running along smoothly and prices are firm. Home produce is in good supply and prices are becoming more easy. Good butter is quoted at 15c per pound. Green peas are down to 50 cents per bushel. Old potatoes are quite scarce at 60 cents per bushel. New potatoes are held at $3@3.25 per per barrel, a decline of 25 cents. Strawberries are quoted at 4@8 cents per quart; per case, $1@1.25. Apples are very scarce at $1.25 per bushel. New Trains and Important Changes.

Commencing June 25th the "White City Flyer" on the C. & W. M. railway will leave Grand Rapids at 7:25 a. m. every day, arriving at Chicago at 12:20 p. m., and stopping on Sundays at Holland, Fennville, Bangor, Hartford and Watervliet, in addition to regular stops. Corresponding train leaves Chicago week days at 8:25 a. m., arriving at Grand Rapids 1:20 p. m. These trains make the run in four hours and fifty-five minutes—the fastest time ever made between Grand Rapids and Chicago. Evening train will continue to leave Chicago every day at 5:45 p. m. All above trains have Wagner buffet parlor cars, which many prefer to dining cars.

SERVICE TO BAY VIEW.

Petoskey, Charlevoix and Traverse City will be increased by the addition of two new trains leaving Grand Rapids at 1:40 p. m. and 11:15 p. m. week days, carrying parlor and sleeping cars, and arriving at Bay View at 8:55 p. m. and 8 a. m. respectively. The morning train will leave Grand Rapids at 7:30 a. m. every day, with parlor car, arriving at Bay View at 3:55 p. m. Morning and afternoon trains will stop at Traverse City for dinner and supper, an arrangement which will be appreciated. The new service also includes through parlor cars on day trains and sleeping cars on night trains between Chicago, Detroit and Bay View. Every attention will be given to perfecting the service to the end that the "Scenic Line" will be more popular than ever to Chicago and the northern resorts.

And all this time the only indication in our community that there is a great exhibition going on at Chicago, is that, yesterday, we missed Fred Ball; today, Leo Fisher; tomorrow Smith will be gone, and Jones the next day. The world moves just the same. We have never thought, with many of our contemporaries, that the World's Fair—great as it is—would occasion any perceptible ripple in human affairs, especially as applied to the Northern Resorts of Michigan; and the engagements for space, the numerous inquiries as to the starting of summer trains, of sleeping-cars, parlor-cars, etc., confirm the reasonableness of our idea. More than one-third of the population of the United States is under 15 years of age, and they have to grow and be looked after right along. We can't pack them in cold storage or moth proof places; suspend their existence; blot them from our hearts, and slip over to the SUMMER Fair. We go to the Fair IS though. Oh! yes, we must HERE. go. But the Fair is, after all, nothing more than an incident; like in proportionate impressiveness to the great world as is the blushing one-ring circus to the inland village. And so, we have been arranging, with our usual care, the summer service to the summer resorts, and it will commence Monday, the 26th. Those destined for Bay View, Petoskey, Charlevoix, Traverse City, and all contiguous resorts, may choose. Parlor car at 7:30 a. m. (including Sundays), same at 1:40 p. m. on week days, or sleeper at 11:15 p. m., except Sunday nights. Traverse City will also have the regular evening train, leaving here at 5:45 p. m. It's worth trying our line, when you go up this time, to see the beautiful natural scenery between Traverse City and Bay View, while the recently completed gardens at Charlevoix and Petoskey are worth going more miles to look at than even Katisha's elbow. The schedule is very good, the accommodations superior, and the track even better than last season. GEO. DEHAVEN, Gen'l Pass. Agent.
