ANOTHER GAME TO COME OFF SATURDAY

Iolani College and Business Men to Meet on Makiki Field.

The excellent showing made by the Iolani College boys in Saturday's football game was the subject of considerable comment in town yesterday. For a lot of novices to hold down a much heavier team of old footballers to the tune of 3-0 is indeed a performance to be proud of. Another game has been arranged for Saturday and the outcome of the match will be awaited with considerable interest.

John B. Lafferty, Battery I, Sixth Artillery, has organized a baseball club which is rapidly getting into condition to put up a good article of ball. Private Blackwell, an ex-leaguer, is coach, and will captain the team. The team is open for challenges, and would like to meet some of the local nines. Address challenges to J. B. Lafferty, Camp McKinley.

Football practice at Oahu College continues steadily. A feature of the practices is the introduction of heavy mass plays. The second team promises to be a strong one and can give the Seniors a close rub. As tryers-out they are simply invaluable. The second team is devoting much attention to signals with encouraging results. The present line up is as follows:

First—L. Robinson, center; E. Perry, right guard; Plunkett, left guard; Akina, right tackle; A. Walker, left tackle; M. Robinson, right end; C. Judd, left end; Williamson, quarter; Meyers, right halfback; J. Marcellino, left halfback; A. Castle, fullback.

Second—P. Judd, center; Johnstone, right guard; Kentwell, left guard; Dickson, right tackle; Galbraith, left tackle; G. Judd, right end; F. Walker, left end; Hapaai, quarter; Kaulukou, right halfback; Rycroft, left halfback; Cruzan, fullback.

REGISTRAR'S WORK OVER.

Wray Taylor has Finished the Task of Preparing the Ballots.

Wray Taylor has nearly completed the work which has devolved upon him as registrar of elections. It has been a work which has occupied him during the past three weeks or more, and it is notable that for doing it he receives no pay.

Mr. Taylor said yesterday that the ballots which will be used on Hawaii and Maui were already in the mails and will go out today on the Kinau and Maui. The ballots for Kauai and Niihau will be ready tomorrow. Nominations for Oahu close the last of this week, and then the work of making up the ballots for this Island must be taken up and finished before election day.

The board of registration for Oahu made a mistake of two votes in the list given out, and the total vote of the Islands will therefore be 11,218, instead of 11,216, as first announced.

Information to Tourists and Shriners.

As a general rule people never want a thing so bad as when it is not obtainable, the moral of which is, take advantage to provide for all wants that opportunity presents. Residents and visitors alike want to know all about these Islands, and enquiry is frequently made for various books of current and ancient times. Thrum's bookstore makes a specialty of Hawaiian works, and his annuals from year to year convey a fund of information handy for reference, and safe to quote.

OPENING ANNOUNCEMENT.

The Honolulu Tobacco Co., Ltd., beg leave to inform their friends and the public generally that they have moved into their new store, corner of Hotel and Fort streets, where they will be pleased to receive a continuance of former patronage. None but high-grade goods kept in stock. Box goods a specialty.

Curative Skin Soap is a medicinal and toilet soap that you are urged to try on the guarantee that it is a pure, wholesome soap.

Fels & Co., Philadelphia, are one of the largest toilet soap manufacturers in the world. We asked them to make us a really excellent medicinal soap. We told them that it must be better than any soap on the market. They guaranteed to do it. We now offer you this soap feeling assured that it possesses rare medicinal qualities wanting in other advertised "medicinal" soaps.

You are a judge of soap—that is, you soon discover whether it leaves the skin smooth and is agreeable to use. Now we want your opinion of Curative Skin Soap.

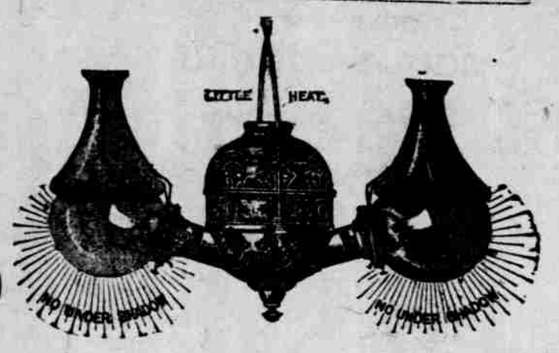
The Angle Lamp



JUST RECEIVED another large shipment of these lamps. These lamps burn in such a manner that the combustion is almost perfect, and for this reason the light is magnificently brilliant, smokeless and odorless. The lamps are absolutely safe, it being simply impossible to explode.

The Angle Lamp accomplishes perfect illumination. It presents an opportunity of securing light which is easily operated and more brilliant than gas or electricity, with no more heat, at a mere fraction of their cost. It provides a lamp for homes, stores, offices, factories, halls, libraries, hotels and churches that is ideal in every way.

The public is cordially invited to call and inspect these lamps.
