YALE AN EASY VICTOR

Her Freshmen Crew Rows From Harvard and Columbia.

FIERCE FIGHT FOR THE PLACE

Women of the Crimson Finally Succeed in Taking It From Game Columbia.

NEW LONDON, Conn., June 28.—For the third consecutive time the Yale freshmen today won the annual triangular boat race on the Thames by defeating Harvard by eight and Columbia thirteen lengths, in the time, 10:23. The only respect in which the result of this year's race differs from its two immediate predecessors is that Columbia finished a poor third today, while she has been able to defeat Harvard heretofore. There was little betting here. Yale men recklessly offered odds of 3 to 1 on their '96 crew. The money went crying, however. The start was made at 5:40. Yale's luck gave the boat with the blue tipped oars the best course, the central one. Harvard chose the west route and Columbia took the east. Columbia's start was suspicious. Her boat shot ahead like a dart, while Yale got away slowly, but in fine shape, and Harvard's boat floundered about aimlessly. Columbia's lead, however, was destined to be short lived. Yale's men began to tell, with long steady strokes the boat containing Bob Cook's disciples took the lead. A hundred yards from the start Columbia and Yale were tied and Harvard a few feet behind.

Harvard Comes Up.

Columbia and Harvard's company proved too slow for Yale at this juncture of the contest, and the blue oars began digging into the water for a lead, which increased with every yard that was traversed to the goal by the naval station. As the half mile flag was passed Yale had secured what is under ordinary circumstances a winning lead—three lengths. Columbia was still dipping a fast, but uneven stroke, and keeping a scanty lead over the crimson. Even at this point the race resolved itself into a fight for second place. Just above the half-mile flag the Harvard eight was slowly coming down the course. From the steam yacht Cora a volley of Harvard cheers for the 'varsity men inspired the freshmen, and new life seemed infused into the red boat. The gap between the two rear boats closed up like a flash, and the race to escape a tailender's disgrace became fierce. Yale was five lengths ahead at the mile post, and Harvard had worked out a lead of a length. Here Harvard settled down to a mile of the prettiest, though far from the most effective, oarsmanship ever exhibited by a freshman eight on the Thames.

Yale's lead was constantly increasing over both her rivals, and Harvard was also continually drawing away from Columbia. At the mile and a half Harvard had two lengths lead over the Columbia crew, while Yale was swinging away with a rythmic and aggravating easy looking motion. Half a mile from the finish the race was decided. Harvard and Yale rowed with the assurance of victors, strong and steady.

The three crews crossed the finish with Yale thirteen lengths ahead of Columbia, the rear boat, and Harvard five lengths before Columbia and eight behind Yale. Harvard finished in excellent form, sending the shell along at a sharp and even rate. Columbia died game, rowing over the line furiously and in better form than characterized the oarmanship of the winning boat during most of the race.

That the record was not broken is due to the strong wind which, though following the oarsmen, kept the sea choppy and made the feat impossible. Yale seemed to be rowing under instructions not to try for the record, judging from her careful work on the last mile.

MAID MARIAN WINS.

She Covers a Record for Short Distance Work.

CHICAGO, June 28.—The Kendell's stables fast filly, Maid Marian, equalled the world's record for a mile and seventy yards at Washington park today, beating Buck McCann, Faraday and others. Perkins rode the filly to the front at the fall of the flag and after that it was all over. Buck McCann, cleverly ridden by Thorpe, could do no better than second. The distance was done in 1:44½, many watches catching it 1:44 flat. It was a grand performance and the pretty stable companion of the famous Yo Tambien could easily have bettered it. The Maid was well played at prohibitive odds.

First race, mile and seventy yards—Maid Marian, 97 (Perkins), 3 to 5, won handily; Buck McCann, 102 (Thorpe), 5 to 1, second; Enthusiast, 102 (Carr), 25 to 1, third; time, 1:44½. Crockett, Cicily and Faraday finished as named.

Second, five furlongs—Will Fonso, 118 (Bryant), 5 to 1, won; Peter the Great, 118 (Miller), 2½ to 1, second; B. F. Fly, Jr., 118 (Penny), 4 to 1, third; time, 1:02. Rapid Tap, Orinda, Ballinger, Chant, Buenos Ayres, Lady Rose, King David, Intendes, Hampton and Alibi finished as named.

Third, one mile and a quarter—Falero, 101 (Clayton), 8 to 1, won handily; Pessara, 116 (Tarsi), 13 to 20, second; Rambler, 104 (Martin), 15 to 1, third; time, 2:07. Newton, Kinscem, Tenny, Jr., and Hotspur finished as named.

Fourth, six furlongs—Glee Boy, 107 (Thorpe), 3 to 1, won by three lengths; Balgowan, 115 (Tarsi), 4 to 1, second; Melanie, 103 (Ballard), 5 to 1, third; time, 1:14. Salvator, Esperanza, Bimbo, Narvaez, Cyclone, Ja Ja, Adair, Bill Howard, Sir Cenie, Punbell, Captain Rees, Inga, Darling, Baby Payne, Adversity, Out of Sight and Fauntleroy also ran.

Fifth, one mile—Duval, 112 (R. Williams), 5 to 1, won; The King, 112 (Penny), 5 to 1, second; Prince Deceiver, 112 (Miller), third; time, 1:48½. Miles Standish, Joe Murphy, Freemason, Manuelita, Peabody, Exquisite, Bella Veil, Question King, The Sculptor and Hayden also ran.

DAY OF LONG SHOTS.

Talent at Sheepshead Gets a Frightful Drenching.

NEW YORK, June 28.—The weather had taken a turn for the better today, and the track at Sheepshead Bay was dry and fast. The only stake event was the second race—the Vernal stakes for 2-year-olds. Figaro, who ran an excellent race on the turf a few days ago, was backed almost off the boards. J. P. B., at 6 to 1, got off in front and the favorite could never catch him. J. P. B. won easily by two lengths. Figaro beat Roland Reed, at 60 to 1 shot, a neck for the place. The grand coup of the day developed in the fourth race, when Connor, a Guttenberg and Gloucester 2-year-old, who was quietly played for thousands of dollars at the long price of 10 to 1, ran in front all the way and beat a lot of good ones in handy style. Summary:

First race, one mile—Stonewall won, Saragassa second, Lenig third; time, 1:54 1-5.

Second, the Vernal stakes, six furlongs—J. P. B. won, Figaro second, Roland Reed third; time, 1:13.

Third, mile and an eighth—Sunbeam colt won, Lustre second, Hammie third; time, 1:57 2-5.

Fourth, six furlongs—Connors won, Oporto second, Faustina colt third; time, 1:12 4-5.

Fifth, six furlongs—Restraint won, Chattanooga second, Old Dominion third; time, 1:12 1-5.

Sixth, mile and a sixteenth—Waterson won, Equity second, Madrid third; time, 1:49 3-5.

Sporting Notes.

Colonel North's big chestnut, Iddesleigh, has proven himself a great mud horse and landed a pot of money for his stable at 10 to 1 at Sheepshead. The horse will bear watching, for he ran away from such sprinters as Correction, White Rose, Yemen and others.

Although the name of the American gentleman who paid £15,225 for the great 3-year-old colt Meddler on the Newmarket Monday was kept secret, it was pretty well known at Sheepshead Bay that the purchaser was W. H. Forbes of Boston.

The American derby cost the Washington Park club in cash $46,225. Of this amount it will have a rebate of $19,400 if it can ever collect the forfeit orders against non-starters.

It will be strange if James R. Keene does not win the Futurity, richer even than the American derby, with such a pair as Domino and Hyderabad.

Ben Kinney, the driver who brought out Nancy Hanks, thinks he has another wonder in Kittie Greenlander, by Greenlander, 2:15¼.

Vanderbilt Drops Out.

CHICAGO, June 28.—The third game of the inter-collegiate world's championship base ball series was won today by the University of Illinois, defeating the Vanderbilts of Tennessee. The score was 6 to 2. Vanderbilt University having been defeated twice drops out of the race.

AUGUSTA'S BLAZE.

The Loss is Very Large and the Insurance is Light.

BATTLE CREEK, Mich., June 28.—Early this morning the village of Augusta, located in the northeastern part of Kalamazoo county, and having a population of 600, was wiped out by fire. The fire started about 2 o'clock in Church's bakery from an overheated oven and spread rapidly. Aid was asked for from surrounding towns and Kalamazoo and Battle Creek sent engines, but despite their efforts the flames could not be subdued. The fire destroyed all the buildings on both sides of the main street from the depot as far as the park. Among the buildings were fifteen stores and a number of residences. Many families have been rendered homeless. The flames spread with such rapidity that the people had difficulty in escaping. Among the places burned out were the following: Church's bakery, the postoffice, Crane's meat market, John Lawler's furniture store, the Citizen's bank and rear grocery, M. A. Russell's barber shop, Rogers' harness shop, Weeks' drug store, Page's meat market, Miss Ada Rosbrook's millinery store, Finlay hotel, Gregory's hardware store. The loss in buildings and merchandise will aggregate $60,000. Seth Gregory lost $1,500 in money secreted in his hardware store and in the act of saving it he was badly burned about the face and hands. The Battle Creek and Kalamazoo fire departments responded to the town's call for aid, as stated, and Wood's dry goods store was barely saved by the earnest work of the firemen. Many receipts and other valuable documents in the postoffice were lost.

The loss will reach $50,000; insurance, $15,000.

Northern Wave Ashore.

PORT HURON, Mich., June 28.—The steamer Northern Wave went ashore about three miles from Fort Gratiot light, on the Canadian side, this morning in a fog. She was loaded from Duluth to Buffalo with flour. The Rhods Stewart and Kitty Haight are trying to get her afloat.

University Shut Up.

ANN ARBOR, Mich., June 28.—The [illegible] was ordered by the board of regents [illegible] thought that a state of anarchy would [illegible] the university authorities in making necessary improvements. Financial matters were carefully considered by the regents, and all items were cut down. The terms of the various faculties submitted their budgets, but no action will be taken until a thorough investigation has been made of every item of expense.

She Husband Skipped.

BAY CITY, Mich., June 28.—Mrs. Carrie Mirandi attempted to commit suicide by jumping into the river soon after midnight. She went to the dock at the foot of Eighth street and jumped off, but instead of going into the water landed on a lighter moored there, striking on her head and stunning her so that she was insensible for an hour. The captain of the lighter heard her fall and notified the police. The woman's husband is said to have left her a few days ago and she became despondent.

Is Your Money Well Invested?

A VALUABLE SUGGESTION.

Hard earned money should be invested with care. How to keep the small savings safely invested, and yet where they will be increasing, has long been a vexed question. It is sometimes hard for small investors to judge between good and bad investments. However, if they buy real estate in a rich and thriving city; a city noted for its great manufacturing interests; a city that furnishes free fuel to encourage such concerns, they can make no mistake. We offer investors lots in the most promising place in the United States, a city that has doubled its population several times within the last four years. It has the most promising future, and the large manufacturing interests centering there will make it double its population again this year. If you have a few dollars you should look into this chance to invest. We extend very easy terms. Address Wilson Bros. & Co., 94 La Salle St., Chicago, Ill.

Write us for further information immediately, and learn how to double your money within a year. A few lots will make you rich, or to act as our agent will make you money.

SMITH'S OPERA HOUSE TONIGHT.

Harry Wood's Benefit.

Not wishing to deprive the public of a grand horseshoeing contest, Mr. Jack Waters, whose money was placed in my hands, and waiting the response of any horseshoer in the city to deposit the amount of money, $25, not forthcoming, the match is declared off, and pronounces Mr. Jack Waters the champion. However, Mr. Jack Waters will, in conjunction with Mr. Ed Doran of Kinney's blacksmith emporium, No. 146 Kent street, will make four shoes, heel and toe, and put them on the horse on the stage, giving the audience an exhibition of good workmanship, despite the coming forth of $25 from would-be champions.
