EHLERS.

The Season's Greetings

It's a plain, every day business proposition, is advertising

SOME of the merchants doing business in Honolulu go in for publicity when they think their business needs doctoring. Others keep everlastingly at it in a medium like the **Advertiser** and invariably show a balance on the right side of the ledger at the end of the business year.

Those men tell us the Advertiser is as great a necessity as the morning meal

It has a circulation among people who buy from the local dealers. It circulates among people who are intelligent and discriminating.

We guarantee the merchants of Honolulu better publicity than is to be had through any paper published in the territory.

If your business needs booming for Christmas leave it to us. The fall in the price of shares may have an effect upon purchasers unless merchants tell of their lines in a newspaper that consumers read seven days in the week.
