THE Central Ky. Real Estate Exchange & Title Co. has for sale two tracts of land lying in the Southern end of Lincoln county, near Southern railway. One tract consists of 38 acres, the other five acres. The owner of this property lives at a distance and we are instructed to sell it privately. It must go. The best bid gets it. For further particulars see or address L. R. Hughes, Stanford, Ky.

Boone county white corn was originated 29 years ago by James Riley, of Boone county, Ind. It has been improved year by year by selection until its type has become permanent. The highest authorities, including the corn expert of the Kentucky Agricultural Experiment Station, J. N. Harper, consider it the best variety of corn for this latitude. At the Kentucky Agricultural Experiment Station this year, it yielded more than any of the 20 varieties tested. It has taken more premiums than any other variety of corn.

Died, at her home near Marksbury, on the night of Feb. 4th, Jennie Melvia, little daughter of Mr. and Mrs. J. H. Ward. Although she had been an invalid all her sweet life, her death came as a shock to us all.

Sweet sister you have left us,
And thy loss we deeply feel;
But it is God who has bereft us
And He all our sorrow can heal.

For An Impaired Appetite.

Loss of appetite always results from faulty digestion. All that is needed is a few doses of Chamberlain's Stomach and Liver Tablets. They will invigorate the stomach, strengthen the digestion and give you an appetite like a wolf. These Tablets also act as a gentle laxative. For sale by Lyne Bros., Crab Orchard.

Five prisoners escaped from the jail at Madisonville.

NOT A PATENT MEDICINE.

Hyomei, The Guaranteed Catarrh Cure, Prescribed By Physicians.

No one should confound Hyomei with patent medicines that are advertised to cure catarrh. It is as far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomei gives its formula to all reputable physicians.

Its base is the valuable eucalyptus oil, famous for its antiseptic qualities. This is combined with aromatic and healing gums and balsams, making a pure liquid, which, when used in the Hyomei pocket inhaler, fills the air you breathe with germ-killing, disease-destroying and healing powers that kills all catarrhal germs that may be in the throat, nose and lungs.

How foolish it is to try and cure catarrh by swallowing tablets or liquids. The only natural way to cure this disease and all other diseases of the respiratory organs is to breathe Hyomei.

This treatment has been so successful, curing 99 per cent of all who have used it, that Hyomei is now sold at Penny's Drug Store under an absolute guarantee to refund the money if it does not cure. You run no risk whatever in buying Hyomei. If it does not possess unusual powers to cure, it could not be sold upon this plan.

The complete Hyomei outfit costs $1 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a life time; and additional bottle of Hyomei can be obtained for 50 cents.

IN MEMORIAM.

Mr. John P. Gooch fell asleep in Jesus Feb. 20th, and was laid to rest in the Goshen cemetery. He was 80 years of age last July and was twice married. He married Miss Mary Montgomery in 1845 and to them were born five children, all of whom have passed on before. In 1868 he was married to Miss Louisa Margaret Barnett and to them were born seven children, three of whom are in the bright and happy land. The wife and four children are left to mourn the loss of husband and father. They are Mrs. Eliza Wilmot, Mrs. Clara Stanley, Mrs. Lizzie Boone and Miss Annie Wood Gooch. He was ill 15 months. He gave his heart to Jesus while young and has ever since been a worker for the Lord. He was a member of Goshen church.
