CIRCULAR.
OFFICE OF TRUSTEES OF CREDITORS AND STOCKHOLDERS OF THE OHIO AND MISSISSIPPI R.R. CO. (Eastern Division), No. 28 WALL-ST., NEW-YORK, Feb. 24, 1860.
The attention of parties interested in the Capitalization Agreement of 15th December, 1858, by which this Trust was created, is invited to the following Preamble and Agreement, dated 16th inst., already signed by Certificate-holders, who are owners of upward of a million of dollars of the remaining Construction Bonds of the Ohio and Mississippi Railroad Company (Eastern Division), and is already binding upon them. It has been presented to the Trustees for their action, and for submission to other parties in interest:

PREAMBLE AND AGREEMENT.

"Whereas certain of the creditors of the Ohio and Mississippi Railroad Company (Eastern Division), have failed or refused to execute the agreement of December 15, 1858, known as the Capitalization Agreement, and thereby have rendered the anticipated relief to the Company has not been realized;

"And, whereas, proceedings for foreclosure have been instituted by certain of said creditors, which render it desirable that the parties to said agreement shall take the further measures for the protection of their interests contemplated therein, and upon a basis which shall be uniform and equal;

"And, whereas, the right of any subscriber to said Agreement, to place his remaining Construction Bonds in said Trust for an equal amount of the Trust Certificates, is declared in said Agreement; and the authority is also given to the Trustees to purchase such bonds, and other claims and shares, as set forth in the Seventh Article.

"Now, therefore, this Agreement made this sixteenth day of February, A. D. 1860, between the subscribers hereto, each for himself only, in consideration of the premises, Witnesseth, that we do hereby recommend to the Trustees, to purchase from the subscribers to the said Agreement, their remaining Construction Bonds, and pay therefor, with all accrued interest thereon, in certificates, at the rate of one dollar and a half, for every dollar in such Bonds and interest, which shall be delivered to the Trust on or before the thirty-first day of March, A. D. 1860; and at a reduced rate of one dollar and 40-100th on such as shall be delivered to the Trust in the month of April following, and at further reduced rates of 16-100th of a dollar, for the delivery in each successive month, until the rate shall be reduced to par, or dollar for dollar. Holders of Bonds in Europe to be allowed sixty days additional to each of the above specified times.

"We do hereby agree, that we will severally deliver to the Trust all our said remaining Bonds, and accept certificates therefor, at rates corresponding with the foregoing recommendation: Provided, however, that this Agreement shall have no binding force, unless the owners of such remaining Bonds to an amount at par, which shall be equal to one million dollars, shall have signed this Agreement prior to the first day of March, A. D. 1860."

The Trustees have resolved, "in accordance with the recommendation above expressed, and in pursuance of authority conferred in the second section of the seventh article of the Capitalization Agreement of December 15, 1858—that the Chairman be, and is hereby authorized to purchase, for the benefit of the Trust, from parties to the said Agreement of December 15, 1858, their respective Construction Bonds (being the remaining bonds severally reserved by them in their former deliveries); and to issue Trust Certificates for the principal and all accrued interest thereon, computed to the first day of the month in which the deliveries shall be made respectively, at the rates set forth in the above recommendation, as graduated by the time of delivery."

All parties interested, are requested to acknowledge the receipt of this Circular, and if approved, to forward their Bonds to this Office, at an early day.

Creditors of the Company, of all classes, who have failed to sign the Capitalization Agreement of December 15, 1858, and to become entitled to its benefits; but who may now be desirous of disposing of their claims to the Trust for its Certificates, are invited to send to the Trustees full statements of their claims, whether of Bonds, or otherwise; that they may be advised of the terms on which their claims will be purchased. By order of the Trustees.

SILVER SOAP—A new and beautiful preparation, made by the BOSTON INDEXICAL SOAP Co., expressly for cleaning and polishing Silver-Plated and Britannia Wares, and for cleaning Mirrors, Marble, Tin, &c. It is much more convenient and effective than any of the powders now in use, and may be used even by inexperienced help with perfect safety, as it contains nothing that can possibly injure the finest plate or jewelry, or even the most delicate skin, though not designed for toilet use. It is far superior to any other Soap for cleaning fine House Paint, Statuary, Artificial Teeth, glass, &c. Many of our largest importers and manufacturers of Silver and Plated Ware, who have used it, have given it their unqualified approval. Read the following:

"BOSTON, May 2, 1859.
"Messrs. SAFFORD & BURDITT—*Gentlemen.* After repeated trials of your Silver Soap, we can recommend it as the best article we have ever seen for cleaning plated and silver ware. It must soon be used by every family. Yours, respectfully,
"SHREVE, BROWN & Co. (late Jones, Ball & Co.)"

"BOSTON, June 1, 1859.
"*Gentlemen:* We have, during the last twelve months, given your Silver Soap a thorough trial, and find there is nothing equal to it, as it cleans silver quicker, better, and with less trouble, than anything we have been able to find. Yours, respectfully,
"SAMUEL T. CROSBY & Co., No. 69 Washington-st."

They possess these positive advantages: They are harmless—no injury can arise from their use. They are simple—you always know what to take, and how to take it. They are convenient—you can give the proper Sugar Pills at a moment's warning, without hesitation or delay. They are efficient—in thousands of cases disease is arrested at once, and the system freed without prostration or delay.

BLEEDING OF THE LUNGS.
ARISVILLE, VA., Jan. 1, 1858.
Dr. D. Jayne—Dear Sir: In the year 1846, I was in very bad health, which I attributed to teaching school in the previous year. I was attacked with HEMORRHAGE (BLEEDING OF THE LUNGS, but after using one bottle of your EXPECTORANT, I was relieved, and have not had an attack since. I have also given the same medicine to children for the WHOOPING COUGH, and have always found it to be of great advantage in mitigating the disease, and finally effecting a cure.

BRONCHITIS.
WESTHILL, Green Co., N. Y., Nov. 8, 1859.
Dr. D. Jayne—Dear Sir: It affords me a great pleasure to add my feeble testimony in favor of your invaluable medicines. Some eight years ago I had a very severe attack of Acute Bronchitis, and I was considered by intelligent physicians a confirmed consumptive. By the very free use of your EXPECTORANT I recovered. In using it I surpassed the directions, as I took it in nauseating doses for several weeks; since that time I have made great use of it, and of your ALTERATIVE and CARMINATIVE BALSAM in my family, and prescribed it to others with the very best results. During the protracted illness of a consumptive wife, your medicines were frequently the only remedies which afforded relief, and though they could not cure (for here was a form of the malady which no known remedies could reach), they aided greatly in soothing her agonies, and for them she cherished a very high regard. If the free testimony of one who has had in his family an unusual amount of sickness in various forms is worth anything to you and the cause of humanity, you are welcome to mine.
Respectfully yours, L. L. HILL.

From W. W. Winters, M. D., Milledgeville, Ill.
March 5, 1856.
Dr. D. Jayne & Son—Gentlemen: It is with great pleasure that I can recommend your EXPECTORANT to those suffering with Bronchial affections. Also, your ALTERATIVE, for eruptions or any disease arising from an inactive or disordered liver, having used these medicines for the above mentioned diseases, with satisfactory results. Very respectfully yours,
W. W. WINTERS, M. D.
