TOO OFTEN THE CASE.

INTERESTING PROOFS.

A young society lady, after a round of gayety, becomes suddenly conscious of an unusual sensation. She has frequent attacks of dizziness, her back aches, and she feels blue and generally run down.

Mothers, look well to your daughters! Daughters, look well to yourselves!

Let the first symptom denoting the approach of disease receive your instant attention. Healthy women are the hope of the race, and it is well-nigh criminal to neglect anything which promises relief.

There is hope for all sufferers from Nervous Diseases. Read what follows:

Mrs. Jennie C. Davis, a fine artist and an accomplished authoress, of Westfield, Wis., had been subject to headache ever since she could remember. So severe were her attacks as to cause at times temporary delirium. Treatment had failed to relieve her, but after using Dr. Miles' Restorative Nervine she writes: "My record is to me, at least, satisfactory. No headache, constantly increasing appetite, and a consequent gain in weight of two and a half pounds in just one week."

Six weeks later she writes: "Have recommended it to others, and have served immoderately of late, but my headaches do not return."

Mrs. John R. Miller, of Valparaiso, Ind., was attacked three years ago with turn of life in its worst form. It finally went to her head, and all indications were that it would result either in insanity or softening of the brain. Her husband thus writes: "It would be impossible for me to attempt a description of her sufferings during all this time. She was treated by our very best local physicians, with but temporary benefit. She has taken four bottles of Dr. Miles' Restorative Nervine, and is cured. She has gained twenty pounds in weight. I tell you, she has a blessing for what you have done for her."

Recollect that for the cure of all Nervous Diseases there is no remedy which approaches Dr. Miles' Restorative Nervine. It is free from dangerous drugs and opiates. Sold by all druggists, on a positive guarantee, or Dr. Miles Medical Co., Elkhart, Ind.

BEARS ON A MARKET

They Squeeze the Life Out of Vanderbilt Securities

ON SENSATIONAL RUMORS

The Weakness Extended Through the Entire List and the Market Closed Heavy in Tone.

NEW YORK, July 11.—Money on call has been firm, ranging from 6 to 12 per cent, last loan at 6 per cent and closing offered at 6 per cent.

Government bonds have been strong.

The feeling of apprehension and distrust which has prevailed in stock circles for some time was still more pronounced today and the bears met with an unusual success in beating down prices. Sales for London account and the failures at that center point, combined with the embarrassment of western houses, led to great depression in the stock market. The selling movement gained momentum as the day drew to a close, when it was currently reported that a leading capitalist with strong Vanderbilt affiliations had been forced to liquidate. The bears, in order to give color to the rumor, which was emphatically denied, made the Vanderbilt stocks a special target and put down both Northwestern and Lake Shore 4 per cent. The weakness extended to the entire list. Late in the afternoon there was a rally ½@2 per cent, but the final did not hold, and final quotations were about the lowest touched. The total transactions were 281,749 shares, including 30,623 unlisted. The market closed heavy in tone.

SUGAR—Raw, quiet; fair refining, 3⅝c; centrifugals, 96 deg. test, 4⅝c; refined fairly active; off A, 4 15-16@5⅛c.

Chicago Markets.

CHICAGO, July 11.—Wheat ruled lower today, contrary to the general expectation, and at one time the decline was fully ½c from yesterday's close. July sold off from 70⅛@69⅝c, but reacted to 69⅞c; September broke from 70⅝@69⅞c and towards the last touched 69⅝c, but reacted to 69¾c. The close was ⅛@1⅛c lower than last night.

Corn was quiet and easier in absence of the demand. The closing was ⅛@⅜c lower than last night.

Oats were strong for cash and July on small stocks, but weaker for September on the fine crop prospects. The close was ⅛c higher for July and ⅛c lower for September.

Hog products were neglected and lower. The trade was very light, lard breaking at times 10c without an intervening trade. Hogs were steady with heavier receipts expected tomorrow. The close was 10c lower for pork, 30@35c lower for lard and 22½@25c lower for ribs.

London Grain.

LONDON, July 11.—The foreign grain markets opened this morning firm. At Liverpool wheat was slow at the advance of 1d for red winter and ½d for California. London cargoes of California wheat off coast were 3d higher. Wheat on passage firmly held and corn quiet. The French markets were mostly a turn cheaper. The weather in the United Kingdom was showery.

LOCAL MARKETS.

TUESDAY, July 11.—There is no change in the price of wheat and other grains from that recorded yesterday, in the local markets, but there was a further decline of 1 cent per bushel for wheat at the closing of the board of trade in Detroit, the market closing weak and exceedingly dull. The home market will probably be affected before the week has ended which will place wheat back to 60 or 61 cents unless something unlooked for takes place. Corn and oats are steady without change in prices. Live fowls are in good demand and firm at advanced prices from yesterday. Whortleberries have made their appearance in the market and are quoted at $3.25 per bushel. They are large and luscious.
