CIRCULAR. OFFICE OF TRUSTEES OF CREDITORS AND STOCKHOLDERS OF THE OHIO AND MISSISSIPPI R.R. CO. (Eastern Division), No. 88 WALL-ST., NEW-YORK, Feb. 24, 1860.

The attention of parties interested in the Capitalization Agreement of 15th December, 1858, by which this Trust was created, is invited to the following Preamble and Agreement, dated 16th inst., already signed by Certificate-holders, who are owners of upward of a million of dollars of the remaining Construction Bonds of the Ohio and Mississippi Railroad Company (Eastern Division), and is already binding upon them. It has been presented to the Trustees for their action, and for submission to other parties in interest:

PREAMBLE AND AGREEMENT.

"Whereas certain of the creditors of the Ohio and Mississippi Railroad Company (Eastern Division), have failed or refused to execute the agreement of December 15, 1858, known as the Capitalization Agreement, and that therefore the anticipated relief to the Company has not been realized;

"And, whereas, proceedings for foreclosure have been instituted by certain of said creditors, which render it desirable that the parties to said agreement shall take the further measures for the protection of their interests contemplated therein, and upon a basis which shall be uniform and equal;

"And, whereas, the right of any subscriber to said Agreement, to place his remaining Construction Bonds in said Trust for an equal amount of the Trust Certificates, is declared in said Agreement; and the authority is also given to the Trustees to purchase such bonds, and other claims and shares, as set forth in the Seventh Article.

"Now, therefore, this Agreement made this sixteenth day of February, A. D. 1860, between the subscribers hereto, each for himself only, in consideration of the premises, Witnesseth, that we do hereby recommend to the Trustees, to purchase from the subscribers to the said Agreement, their remaining Construction Bonds, and pay therefor, with all accrued interest thereon, in certificates, at the rate of one dollar and a half, for every dollar in such Bonds and interest, which shall be delivered to the Trust on or before the thirty-first day of March, A. D. 1860; and at a reduced rate of one dollar and 40-100th on such as shall be delivered to the Trust in the month of April following, and at further reduced rates of 10-100ths of a dollar, for the delivery in each successive month, until the rate shall be reduced to par, or one dollar for dollar. Holders of Bonds in Europe to be allowed sixty days additional to each of the above specified times.

"We do hereby agree, that we will severally deliver to the Trust all our said remaining Bonds, and accept certificates therefor, at rates corresponding with the foregoing recommendation: Provided, however, that this Agreement shall have no binding force, unless the owners of such remaining Bonds to an amount at par, which shall be equal to one million dollars, shall have signed this Agreement prior to the first day of March, A. D. 1860."

The Trustees have resolved, "In accordance with the recommendation above expressed, and in pursuance of authority conferred in the second section of the seventh article of the Capitalization Agreement of December 15, 1858—that the Chairman be, and is hereby authorized to purchase, for the benefit of the Trust, from parties to the said Agreement of December 15, 1858, their respective Construction Bonds (being the remaining bonds severally reserved by them in their former deliveries); and to issue Trust Certificates for the principal and all accrued interest thereon, computed to the first day of the month in which the deliveries shall be made respectively, at the rates set forth in the above recommendation, as graduated by the time of delivery."

All parties interested, are requested to acknowledge the receipt of this Circular, and if approved, to forward their Bonds to this Office, at an early day.

Creditors of the Company, of all classes, who have failed to sign the Capitalization Agreement of December 15, 1858, and to become entitled to its benefits; but who may now be desirous of depositing of their claims to the Trust for its Certificates, are invited to send to the Trustees full statements of their claims, whether of Bonds, or otherwise; that they may be advised of the terms on which their claims will be purchased. By order of the Trustees. EDWIN BARTLETT, Chairman.

D. 1861, with all the rights, privileges, and advantages thereof, belonging to the Corporation of the City of New-York. Said Ferries to be run to and from the slips, landings and premises to and from which they are now run, so far as such slips, landings and premises are owned by the Corporation, or are, or have been reserved and appropriated for ferry purposes, except that the landing at the foot of Hamilton-avenue, Brooklyn, may be at the foot of said avenue, or in the vicinity thereof; and in the case or cases in which the Corporation are not the owners of the slips, landings or terminations now used by said Ferries, or any portion thereof, the landings or terminations may be made at some point in their vicinity, if the lessees shall so elect, at his own cost and expense.

An express stipulation will be embodied in the lease, that the lessee shall run the said several ferries at a uniform rate of fare, not exceeding the present rates, and the discontinuance of any one of the said ferries, during the term of said lease, shall be deemed and held to be a forfeiture of the same, and the said lease thereby become absolutely null and void.

The lease of said ferries will not be sold at an annual rent less than the aggregate amount of annual rent now received for the same.

The purchaser of the lease of the ferries and their appendages will be required to pay at the time of sale to the Collector of the City Revenue a sum equal to twenty per cent of the amount bid for the annual rent, to be applied on the rent of the first year, in case he executes a lease with the usual covenants, otherwise to be forfeited to the Corporation. He will at the same time, also, be required to furnish an obligation, to be signed by at least two sureties, to the effect that he will execute a bond, with sureties to be approved by the Controller, for the punctual payment of the rent quarterly, and for the faithful execution of the covenants of the lease.

The fees of the auctioneer and the expense of the lease to be paid by the purchaser.

The lease will also contain a covenant, requiring each ferry-boat to have attached to its engine a fire apparatus, or force pump, with not less than 400 feet of hose, of the quality and dimensions as used by the Fire Department of this city, to be used for the extinguishment of fires, whenever required by the Chief Engineer, or his Assistants; for which services the lessees will receive twenty dollars per hour, for each hour so engaged.

THE DRIGGS PATENT or VIOLIN PIANO.—GRANDS, BiCHORDS, and HORIZONTALS, with the OVERSTRUNG BASE.—These Pianos have created so great a sensation in the musical world during the past year, that jealous competitors have made it a business to maintain that, knowing that the principles on which they are made are the only correct ones, and that they are daily growing in favor with the intelligent and unprejudiced public. The constant endeavors of unscrupulous competitors to injure the good name of the DRIGGS PIANO, by misrepresentations and the influence of hired agents, and tempting commissions to drummers, while at the same time they are copying all they dare from them in order to improve their old instruments, made on false and unscientific principles, show how formidable a competitor it has become. This constant abuse by the unscrupulous portion of the trade, and their agents throughout the country, is the best evidence that these Pianos are fast superseding the old style of instruments. The public are invited to call and see them at the office of the DRIGGS PIANO COMPANY, No. 342 Broadway, between Spring and Prince-sts.
