WAS A QUIET DAY

Nominal Condition of Trade in New York.

RISE AND DECLINE IN PRICES

Outside Failures Had No Perceptible Effect on Quotations and the Market Closed Firm.

NEW YORK, Aug. 5.—Money on call has been nominally 3 per cent.

Posted rates, $4.81½@4.85.

Government bonds have been easy.

The stock market opened easier at first because the pace set yesterday was too hot to last, and secondly because the room traders figured that the Walter failure ought to have an averse influence. Again traders were all looking for a bad bank statement, which they thought would create a more bearish feeling. Consequently they hammered away at prices and succeeded in forcing sugar down 2½ to 72½, Lake Shore 1¾ to 1.14, Chicago Gas 1⅛ to 51, Louisville & Nashville 1¼ to 55⅛ and the general list anywhere from ⅛ to 1½ per cent.

London, however, bought moderately and when the traders found that their hammering tactics failed to bring out long stock in large amounts they made strenuous efforts to cover and many of them turned to the bull side. The scarcity of stocks when a demand of fair proportions set in was again demonstrated. New York Central, Lackawanna and Louisville & Nashville commanded ½ per cent premium; Burlington & Quincy 1 1-16@1¼, Sugar 1-16, Northwestern 1-64 and Western Union 1-32. When it finally dawned upon the traders that they had miscalculated the effect of the Chicago failures there was a rush to change positions on the market. Under the influence of the purchases made prices bounded up ½ to 4⅝ per cent. Sugar led the market with sales up to 77¼, Chicago Gas, General Electric, L. & N., Burlington & Quincy, Atchison, Missouri Pacific, Northern Pacific preferred and Western Union all sold at the highest point of the week. The feeling was buoyant for a time. The bank statement, which was phenominal in many respects, checked the upward movement and prices receded ½ to 3½ per cent, the latter in American Sugar, but at the close the whole list was firm again.

"Speculation."

The time never was more favorable for speculating in grain and stocks than at present. Prices are 40 per cent lower than they ought to be on both grain and stocks.

The recent money panic is the cause of these conditions.

The crops are generally good this year, with the exception of wheat, throughout the country, and the foreign demand is the largest of the year, owing to the damage of their crops. It is but a short time until wheat will sell 40 cents per bushel higher than present quotations.

If you are not posted in speculation write C. F. Van Winkle & Co., 230 La Salle street, Chicago, Ill., for their book on "Speculation" and "How to Trade," sent free on receipt of stamp.

Bald Heads!

What is the condition of yours? Is your hair dry, harsh, brittle? Does it split at the ends? Has it a lifeless appearance? Does it fall out when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or is it heated condition? If these are some of your symptoms be warned in time or you will become bald.

Skookum Root Hair Grower

is what you need. Its production is not an experiment, but the result of scientific research. Knowledge of the diseases of the hair and scalp and to the discovery of how to treat them. "Skookum" contains neither sugar nor alcohol, but is a Dye, but a delightfully cooling and refreshing Tonic. By stimulating the follicles, it restores Gray hair; prevents dandruff and grows hair on bald heads.

If your druggist can not supply you send direct to us, and we will forward, prepaid, on receipt of price. Quart size, $1.50 per bottle; 6 for $7.50. Soap, 25c. per jar; 6 for $1.25.
