POOL IN WHISKY STOCK

No Gold Will By Shipped Abroad--Pardridge Said to By Bearing the Wheat Market.

NEW YORK, Oct. 2.—Money on call was firm, ranging from 1 to 4, last loan at 3 and closed offered at 3.

Posted rates, $4.85½@4.86½.

Government bonds steady.

A drive at American sugar right at the opening of business weakened the stock market for a time but subsequently distilling and cattle feeding and Reading developed strength and the remainder of the list rallied. Whisky was bought for the account of a pool composed of local operators and western people identified with the property. Their purchases are said to be based on the belief that the ways and means committee will recommend an increase in the tax on distilled spirits. Reading was firmer on the announcement from Philadelphia that the company was paying interest due October 1, and on reports that the Speyerkean matter would be adjusted. American sugar was conspicuously weak, falling from 89 to 86½ on Washington advices that the house had appointed a committee of five to investigate the concern. There was very little doing in the grangers, trunk lines or coalers and the majority of these stocks show but fractional changes for the day. Reading was a notable exception, leaving off with a net gain of 1¾ per cent. The whole list rallied ¼ to 1 per cent. in the final dealings and a firmer tone prevailed at the close. The most favorable development of the day was the depression in sterling exchange, posted rates were reduced to $4.84½@4.86½. This puts an end to the talk about gold shipments and occasioned better feeling. The great drawback to a substantial improvement, however, is the delay on the part of the senate in putting an end to the debate on silver. The market closed firm. The sales were 168,056 shares, of which 63,497 were unlisted.

Wheat Closed Steady.

CHICAGO, Oct. 2.—Partridge, it is generally supposed, has gone over to the bear side again. At all events, he was credited with selling over 1,000,000 bushels of wheat short today. The close on Saturday for December wheat was 68⅝c. He sold a comfortable line on the open board after the close, depressing the price to 68. Under this influence the market today opened at a decline of ⅛c. Sales of December were made at 69¼. From this point a further recession took place at 68⅛c. December advanced towards the close to 69⅜@⅝c, unchanged from Saturday. May closed ¼c higher at 76⅞c. Early cables were firm, and late ones ⅛c higher. Chicago receipts twenty-four cars under estimated, 175 being received. Northwestern receipts were 1,292 cars, coming in at Minneapolis and Duluth. This amount on passage decreased 496,000 bushels. The visible supply increased 1,835,000 bushels. There are 310 cars estimated for tomorrow. Provisions were steady on lighter receipts of hogs at the yards. Higher prices ruled all around. January pork closed 12½c higher; January lard and January ribs 7½c higher.

Closing prices were:

Facts for the Traveling Public,

Emigrants, commercial men, tourists, mariners and miners relating to the preservation of health under conditions unfavorable to it, may be gleaned with profit from the oft published testimony of such persons relating to the protective and remedial qualities of Hostetter's Stomach Bitters, a very valuable remedy to those who traverse "the briny deep," or are subjected to malarial influences or out door exposure. With as much certainty as Dr. Koch's celebrated lymph destroys the organic microbe, the Bitters counteracts unhealthful germs in malaria-tainted and air brackish water. It prevents and removes disorders caused by poor and unaccustomed food, and restores tranquility to worn out nerves and weary brains. Rheumatism, kidney and liver complaint, cramps, colic and dyspepsia are among the ailments that it subdues.

"Royal Ruby" Rye Whisky is free from all foreign flavor and adulterants; naturally ripened and matured by eleven years storage in wood, it is "a Rye as is a Rye," and costs no more than inferior brands. Try it and you will never be satisfied to use any other.

A pure old whisky is always free from fusil oil, which is a poison, and should not be taken into the system. Age eliminates it from the spirit of oxidation, and it is converted into fragrant ethers, which give the bouquet to whisky.

When you want a whisky for medicinal use you want it pure. "Royal Ruby" Rye is guaranteed pure in every particular, and recommended for the invalid and the convalescent. (Bottled at distillery.) $1.25 per quart bottle. ROYAL WINE CO., Chicago. For sale by Scribner & Aldworth, druggists.
