FOR RENT—
STREET CARS ARE A GREAT CONVENIENCE
To those who live in the suburbs, but, alas, they are an awful nuisance to those who live so close in that they do not need them, and yet must listen to them rattling by late at night and early in the morning. In case of illness or nervousness, it becomes a serious matter. To get a place to live, within two blocks of the business center, and yet be entirely free from the noise of street cars (as well as other noises and crowds) is a rare thing.
That is just what you get at

"The Woodruff"

The big new apartment building now being completed on Second East half way between the Methodist church and the Y. W. C. A.
It is an ideal place; quiet, dignified neighborhood; no street cars within half a block, and none needed.
Select a cozy flat now, and have it finished to suit your taste. The building will be ready in about thirty days.
We furnish heat, hot and cold water, janitor and night watchman service, telephones and gas range. Fire proof and sound proof walls between each apartment; every room light, bright and well ventilated.
All finished in hardwood, marble and tiling.
