Bald Heads!

What is the condition of yours? Is your hair dry, harsh, scanty? Does it split at the ends? Has it become apparently fewer in quantity when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or is it heated and feverish? If these are some of your symptoms we warrant in most of you will become bald.

is what you want. Its production is not an experiment, but the result of scientific research. Knowledge of the disease of the hair and scalp led to the discovery of five to seven them. "Skookum" contains none poisonous ingredients. It acts like Dye, but is infinitely superior and cheaper. Trial will convince the hitherto skeptical of its merits. Gray hair shows first effect of "Skookum" on bald head.

If your druggist has not it, don't take any other stuff he may send you, but send $1.00 per bottle, 6 for $5, to us, and we will forward, prepaid, on receipt of price, express charges paid. Sold by druggists at $1.00 per bottle; 6 for $5; 12 for $9, unless otherwise specified.

Money on Call Firm--Sales for the Day 146,022 Shares--Chicago Markets Closed, It Being a Holiday.

NEW YORK, Oct. 9.—Money on call has been firmer, ranging from 2 to 3 per cent, last loan and closing offered at 2 per cent.

Posted rates, $4.83½@4.85½.

Government bonds have been strong.

Animated by the belief that the senate would dispose of the silver repeal bill this week, operators started in at an early hour to accumulate moderate lines of stocks. Saturday's excellent bank statement, the steady cancellation of clearing house certificates and the reduction in sterling exchange also contributed to the good feeling which prevailed during the greater part of the day. Advance at one time was equal to ½ to 3 per cent and in this improvement Chicago Gas, General Electric, Distilling and Cattle-feeding, American Sugar, Lake Shore, Northwest, Western Union, Manhattan, Cotton Oil and Rock Island were most conspicuous. Union Pacific and Louisville & Nashville were notably weak. The former sold down from 19 to 18 on a revival of the receivership story. Louisville & Nashville was sold for foreign account and the fact that the shares at one time commanded a premium for use did not deter sellers. The stock has been heavy ever since the directors decided to issue $5,000,000 new stock and refused to give any explanation for their action. The stock today fell from 49¼ to 46¼ and its business near the close led to realizations in other parts of the list. Some of the active list receded ¾ to 1 per cent. In the final transactions Louisville & Nashville rallied ¾ to 46¾. The market closed somewhat weaker in tone, but prices as a rule were anywhere from ¼ to 1¼ per cent lower than on Saturday, except Cotton Oil preferred and Cordage common, which show gains of 2¾@3 per cent. The total sales 146,022.
