Attitude of Senate Towords Silver the Cause.

SHORT CONTRACTS COVERED

Market Closed Stong with an Advancing Tendency--Wheat Firmer and Provisions Lower.

NEW YORK, Oct. 18.—Money on call has been easy, ranging from 1½ to 2 per cent, last loan at 2 per cent and closing offered at 2 per cent.

Posted rates, $4.83½@4.85½.

Government bonds steady.

Stocks were higher all round today. The news from Washington regarding the attitude of the senate in the silver matter was construed favorably by the operators at the board. The fact that the Reading receivership succeeded in postponing the sale of the company's securities, filed with the Speyer syndicate as collateral of $2,500,000 advanced by the latter, also had a good effect on the market and at the close the bears were less disposed to increase their short lines, and in fact were inclined to reduce their contracts especially near the close. Late in the day the advance assumed important proportions. Prices advanced ½ to 3½ for the day. Lackawanna rose 3½ to 137; St. Paul 2 to 57½; Rock Island 1½ to 61½; B. & O. 1½ to 78½; Northwestern 1½ to 100½; Chicago Gas 1½ to 59½; General Electric 1½ to 44; Louisville & Nashville 1½ to 46; Northern Pacific 2½ to 22; Western Union 1½ to 82½ and Reading 1 to 17½. The improvement was due mainly to the covering of short contracts, the result of the belief that the senate will dispose of the silver question at an early date. In the specialties Consolidated Gas rose 4 to 1,30½ and Rubber preferred 3 to to 55. The market closed strong with an advancing tendency. Gains for the day ranged from ½ to 2½ per cent. Total sales were 159,303 shares.

Wheat Firmer and Higher.

CHICAGO, Oct. 18.—There was quite a steady market for wheat today at times verging on strength. Reports from Washington spoke encouragingly of the prospects for the repeal bill passing the senate. New York stocks responded promptly to these advances and traders in wheat felt that they were justified in adapting the same view of the situation taken by New Yorkers. Buying orders were numerous and under their influence prices were advanced ¾ to ⅞c for the day. The opening was ⅛ to ¼ per cent at 63⅝, reacting and advancing to 64⅞, closing at 64¾. Chicago receipts were 178 cars, 55 cars over the number expected, with 155 estimated for tomorrow. The Northwest received 853 cars. Export clearances were light and Armistreet made an increase of about 3,000,000 bushels in stock both coasts. Early cables were steady, reporting ¼d advance on futures while late ones were easy with a corresponding decline. Provisions opened lower all around on reported decline in prices of live hogs at the yards, but partially recovered when later better prices were received for them. The market from that on was dull but steady and the close showed 2½c loss on January pork, 7½c loss on January lard 5c loss on January ribs.

Closing prices were:

Caution.

Imitations have been put upon the market so closely resembling Allcock's Porous Plasters in general appearance as to be well calculated to deceive. It is, however, in general appearance only that they compare with Allcock's, for they are worse than worthless, inasmuch as they contain deleterious ingredients which are apt to cause serious injury. Remember that Allcock's are the only genuine porous plasters—the best external remedy ever produced; and when purchasing plasters do not only ask for but see that you get Allcock's Porous Plasters.

A Surgical Operation.

For the cure of Piles is always painful, often dangerous and useless, and invariably expensive; on the other hand there is a new, certain cure, perfectly painless, gives instant relief and permanent cure and costs but a trifle. It is the Pyramid Pile Cure. It is a more certain cure than a surgical operation, without any of the intense pain, expense and danger of an operation. Any druggist will get it for you.

For Over Fifty Years

MRS. WINSLOW'S SOOTHING SYRUP has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhœa. Twenty-five cents a bottle.

It is safe to use *Pearline* on anything that is washable. It is the best thing to use on everything that is washed. It cleans the house thoroughly, and all that is in it. It is perfect in the laundry; it is pleasant in the bath. At every step, *Pearline* saves work; every step without it is full of work and worry.

Beware of imitations. 326 JAMES PYLE, N.Y.

The Human Electrical Forces!

How They Control the Organs of the Body.

The electrical force of the human body, as the nerve fluid may be termed, is an especially attractive department of science, as it exerts so marked an influence on the health of the organs of the body. Nerve force is produced by the brain and conveyed by means of the nerves to the various organs of the body, thus supplying the latter with the vitality necessary to insure their health. The pneumogastric nerve, as shown here, may be said to be the most important of the entire nerve system, as it supplies the heart, lungs, stomach, bowels, etc., with the nerve force necessary to keep them active and healthy. As will be seen by the cut the long nerve descending from the base of the brain and terminating in the bowels is the pneumogastric, while the numerous little branches supply the heart, lungs and stomach with necessary vitality. When the brain becomes in any way disordered by irritability or exhaustion, the nerve force which it supplies is lessened, and the organs receiving the diminished supply are consequently weakened.

Physicians generally fail to recognize the importance of this fact, but treat the organ itself instead of the cause of the trouble. The noted specialist, Franklin Miles, M. D., L.L. B., has given the greater part of his life to the study of this subject, and the principal discoveries concerning it are due to his efforts.

Dr. Miles' Restorative Nervine, the unrivaled brain and nerve food, is prepared on the principle that all nervous and many other diseases originate from disorders of the nerve centers. Its wonderful success in curing these disorders is testified to by thousands in every part of the land.

Restorative Nervine cures sleeplessness, nervous prostration, dizziness, hysteria, sexual debility, St. Vitus's dance, epilepsy, etc. It is free from opiates or dangerous drugs. It is sold on a positive guarantee by all druggists, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, $1 per bottle, six bottles for $5, express prepaid.

DR. SCHENCK'S

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

Is the only vegetable substitute for that dangerous mineral, MERCURY, and while its action as a curative is fully equal, it possesses none of the perilous effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent Costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Sour Stomach and Biliousnes as these
