NEW YORK, Nov. 21.—Money on call has been easy, ranging from 1@1½ per cent; last loan at 1½ per cent, and closing offered at 1½ per cent.

Prime mercantile paper 4½@5 per cent.

The railway and miscellaneous speculation was decidedly strong today and the usually active issues scored gains of ½@4½ per cent. American Sugar was the leader of the market, rising from 92½ to 96¾, nearly 65,000 shares changing hands on the way up. The stop was that a prominent trader who covered his shorts yesterday was a large buyer on private advices from Washington to the effect that the proposed tariff bill will show no particular change so far as the American Sugar company is concerned. Whether this is so or not remains to be seen. At any rate the rumor was used for all it was worth today. Near the close the whole list moved up and the market left off strong with a net gain of ¼@4½ for the day. The total sales were 868,817 shares.

A Fact Worth Remembering.

There are many such of course, but here is one which specially commends itself to invalids, viz., that in order to acquire vigor, the basis of health, that invigoration is only possible by re-establishing the functions of digestion and assimilation upon a permanent basis. Stomachics in name are numberless. They impart a slight stimulus to appetite—nothing beyond this. Much more is required, and Hostetter's Stomach Bitters "fills the bill." This time-honored standard invigorant builds up an enfeebled physique and protects it against disease by insuring the thorough conversion of the aliment received into the stomach into blood and healthful tissue. Clothed with increasing strength through this unfailing agency, the system is defended against influences prejudicial to health. Use the Bitters in malaria, rheumatism, kidney and liver trouble and constipation.

INTERESTING PROOFS.

A young society lady, after a round of gayety, becomes suddenly conscious of an unusual sensation. She has frequent attacks of dizziness, her back aches, and she feels blue and generally run down.

Mothers, look well to your daughters! Daughters, look well to yourselves!

Let the first symptom denoting the approach of disease receive your instant attention. Healthy women are the hope of the race, and it is well-nigh criminal to neglect anything which promises relief.

There is *hope for all sufferers from Nervous Diseases.* Read what follows:

Mrs. Jennie C. Davis, a fine artist and an accomplished authoress, of Westfield, Wis., had been subject to headache ever since she could remember. So severe were her attacks as to cause at times temporary delirium. All treatment had failed to relieve her, but after using Dr. Miles' Restorative Nervine she writes: "My record is to me, at least, satisfactory. No headache, constantly increasing appetite, and a consequent gain in weight of two and a half pounds in just one week."

Six weeks later she writes: "Have read and sewed immoderately of late, but my headaches do not return."

Mrs. John R. Miller, of Valparaiso, Ind., was attacked three years ago with turn of life in its worst form. It finally went to her head, and all indications were that it would result either in insanity or softening of the brain. Her husband then writes: "It would be impossible for me to attempt a *description of her sufferings* during all this time. She was treated by our *very best* local physicians, with but temporary benefit. She has taken four bottles of Dr. MILES' RESTORATIVE NERVINE, and is cured. She has gained twenty pounds in weight. I tell you, she often blesses you for what you have done for her."

Recollect that for the CURE of all Nervous Diseases there is no remedy which approaches *Dr. Miles' Restorative Nervine.* It is free from dangerous drugs and opiates. Sold by all druggists, on a positive guarantee, or Dr. Miles Medical Co., Elkhart, Ind.

DR. SCHENCK'S

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

Is the only vegetable substitute for that dangerous mineral, MERCURY, and while its action as a curative is fully equal, it possesses none of the perilous effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent Costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Sour Stomach and Biliousness as these

PILLS.

For sale by all Druggists. Price 25 cts. per box; 5 boxes for $1 cts; or sent by mail, postage free, on receipt of price. Dr. J. H. Schenck & Son, Philadelphia.
