SNOW WHITE BREAD and beautiful Rolls and Biscuits will be guaranteed if you use CERES, the celebrated Minnesota Patent Process Flour, which was awarded the First Premium over all other competitors at the National Fair in 1879, and again the First Premium, in the shape of a very handsome gold medal, in 1880 and 1881. No millers claim that one barrel of Ceres will turn out forty loaves more bread than any other flour in America. STERLING'S ST. LOUIS FANCY, one of the most beautiful Winter-Wheat Patent Flours ever offered to the trade. It is unexcelled by any other Patent except Ceres, and will please the most exacting housekeeper and satisfy the most fastidious epicure. SELLNER'S splendid Minnesota Patent Flour, made by the celebrated Hungarian Process. It is a very choice and beautiful Patent, within the reach of all classes, and we guarantee will give satisfaction to every one who will try it. GOLDEN HILL, the old reliable standard and the Standard Family Flour of the District, and equal to a great many so-called Patent flours. The millers or manufacturers of Golden Hill have spent about $10,000 in remodeling their mill, and have introduced the so celebrated Roller system, and, consequently Golden Hill is not only a magnificent Family Flour, but it is really a patent flour with the great advantage that it can be bought for considerably less money than a great many Patent Process flours not near as white nor as nutritious as Golden Hill. For sale by all Grocers, Wholesale Depot, corner first street and Indiana avenue. WM. M. GALT & CO., who are also the Sole Wholesale Agents for the District of Hecker's Celebrated Self-Raising Flour and Buckwheat. ja30

Mr. Thomas J. Fisher, as agent for the proprietress of Ford's Opera House, has written to the inspector of buildings, to notify him of the compliance with many of the recommendations of the safety committee to insure safety in case of fire, and their inability to comply with some of the other recommendations, and suggesting that a detail from the fire department of two men, to remain on the stage during performances, and to have charge of the fire-extinguishers and hose, would be more effectual than the proposed alterations. The inspector of buildings has the matter under advisement.

ACCOMPLISHED horsemen and veterinarians freely use St. Jacobs Oil for stock.
