Relief for Kansas.—TO THE PUBLIC.—The undersigned, appointed a Committee to carry into effect the objects of a meeting of citizens, held at the Cooper Institute, in this city, on the 19th inst., for the relief of the sufferers by famine in Kansas, would make the following representation: It is now made certain that the dearth of provisions in that Territory is likely to produce the most fatal consequences. The Winter grain, sown last Autumn, perished in consequence of the drouth. The crops of Spring grain, the Indian corn, the buckwheat, the potatoes, and other roots, on which the settlers depended to make up for this loss, in like manner utterly failed. In the pastures and mowing-grounds, the grass withered and died in early Summer, under the heat. Multitudes, to the number, it is computed, of thirty thousand, have left the Territory to seek subsistence in the States; multitudes yet remain, who have neither the means of emigrating, nor money to procure food from the region to the north and east of them, where the crops have been abundant. It is estimated that thirty thousand people are in this dreadful condition, many of whom, if not soon relieved, must literally die of starvation, and many more must perish by the diseases which accompany a famine. The people of the Western States have provided considerable quantities of grain for their relief, but money is wanting to convey these to their destination. There never was, in the judgment of the Committee, a case making a more urgent claim on the liberality of the public. It is to be hoped that every town and city of the State will join in this work of charity, and that collections will be made for the sufferers in all our churches.

Any donations in money intended for the relief of the sufferers, may be sent to JOHN E. WILLIAMS, esq., President of the Metropolitan Bank, who has consented to act as our Treasurer, or to any other member of the Committee. Any donations of another nature may be sent to the room of the Committee, of the site of which the public will be duly informed.

To Consumptives.

The advertiser having been restored to health in a few weeks by a very simple remedy, after having suffered several years with a severe Lung Affection, and that dread disease, Consumption, is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a sure CURE for CONSUMPTION, ASTHMA, BRONCHITIS, &c. The only object of the advertiser in sending the prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription will please address
The Rev. EDWARD A. WILSON,
Williamsburgh, Kings Co., N. Y.

THE TRIBUNE for 1861.

PROSPECTUS.

THE WEEKLY TRIBUNE is now in its XXth Volume. During the past year, THE TRIBUNE has been obliged to devote quite a large proportion of its space to Politics, but we shall henceforth be able to limit our space devoted to Political discussion, and devote most of our columns to subjects of less intense, but more abiding, interest. Among these, we mean to pay especial attention to

I.—EDUCATION.

The whole subject of Education, both Popular and General, will be discussed in our columns throughout the year 1861, and we hope to enlist in that discussion some of the profoundest thinkers and the ablest instructors in our country. It is at once our hope and our resolve that the cause of Education shall receive an impetus from the exertions of THE TRIBUNE in its behalf during the year 1861.

II.—AGRICULTURE.

We have been compelled to restrict our elucidations of this great interest throughout 1860, and shall endeavor to atone therefor in 1861. Whatever discovery, deduction, demonstration, is calculated to render the reward of labor devoted to cultivation more ample or more certain, shall receive prompt and full attention.

III.—MANUFACTURES, &c.

We hail every invention or enterprise whereby American Capital and Labor are attracted to and advantageously employed in any department of Manufacturing or Mechanical Industry as a real contribution to the Public Weal, insuring simpler, steadier, more convenient, more remunerating markets to the Farmer, with fuller employment and better wages to the Laborer. The Progress of Mining, Iron making, Steel-making, Cloth-weaving, &c., &c., in our country, and the world, shall be watched and reported by us with an earnest and active sympathy.

IV.—FOREIGN AFFAIRS.

We employ the best correspondents in London, Paris, Turin, Berlin, and other European capitals, to transmit us early and accurate advices of the great changes there silently but certainly preparing. In spite of the pressure of Domestic Politics, our news from the Old World is now varied and ample; but we shall have to render it more perfect during the eventful year just before us.

V.—HOME NEWS.

We employ regular paid correspondents in California, at the Isthmus of Darien, in the Rocky Mountain Gold Region, and wherever else they seem requisite. From the more accessible portions of our own country, we derive our information mainly from the multifarious correspondents of the Associated Press, from our exchanges, and the occasional letters of intelligent friends. We aim to print the cheapest general newspaper, with the fullest and most authentic summary of useful intelligence, that is anywhere afforded. Hoping to "make each day a critic on the last," and print a better and better paper from year to year, as our means are steadily enlarged through the generous cooperation of our many well-wishers, we solicit and shall labor to deserve a continuance of public favor.

Address, THE TRIBUNE, New-York.

TO ADVERTISERS.—THE SPECTATOR is now the only Daily Morning Paper published in the City of HAMILTON, Canada West, and is the leading commercial paper published in the extensive and enterprising section of country between the Niagara and Detroit Rivers. It has a large and increasing circulation in all the towns and villages along the lines of the Buffalo and Lake Huron, and Great Western of Canada Railways, and the Grand Trunk Railway from Toronto to its western terminus, as well as on the Lake Erie shore, and intermediate Counties. Advertisers will therefore find its columns the best medium of publicity for that important district of Canada.

THE SEMI-WEEKLY and WEEKLY EDITIONS, published respectively at $2 and $1 per annum, enjoy a very liberal patronage from the agricultural community, so that advertisements intended for the country population will best serve their purpose by being inserted in either or both of those editions.

Advertisers may communicate directly with the publishers, or through any responsible advertising agency in the United States.

NIBLO'S GARDEN.

THE SANTA CLAUS FESTIVAL
In behalf of the
NURSERY AND CHILD'S HOSPITAL,
WILL TAKE PLACE AT NIBLO'S GARDEN,
THURSDAY, Dec. 27, from 12 m., and continue during the evening.
SANTA CLAUS will present a gift to each child.
There will be exhibited a splendid series of
DISSOLVING VIEWS,
generously loaned for the occasion by Messrs. Pike & Sons.
Also the tragical comedy, and comical tragedy of
PUNCH AND JUDY,
will be performed for the first time in New-York, with new and costly appointments, made expressly for this entertainment. This is the most laughable performance ever presented in this city.
Characters in the Comedy:

MISTER PUNCH,	MISTRESS PUNCH,
SCARAMOUCH,	PRETTY POLLY,
DOCTOR QUACK,	MASTER PUNCH,
A COURTIER,	TOBY (Scaramouch's Dog),
BLACK SERVANT,	HECTOR (Punch's Horse),
CONSTABLE,	JACK KETCH,

OLD SCRATCH.
PUNCH and JUDY to be performed three times during the Day and Evening.
A novel Amusement, called
AUNT SALLY,
will be introduced, for the first time in America, which will afford a rich and laughable entertainment to the young folks.
In which will sing "Simon, the Cellarer."
"AUNT SALLY" is the effigy of an Old Women set upon a stick, with a pipe in her mouth. The players pay a certain sum for the privilege of shying a given number of Wooden Billets at this pipe; for every hit, they are rewarded with a little Wooden Doll or Toy, which it seems to be the fashion to offer to their young friends as a Christmas present.
CHRISTMAS TREES, richly laden with Gifts for Children, including Birds and Flowers.
The LADY MANAGERS of the Nursery have prepared the above entertainment at great expense, and they believe it will surpass in novel attractions any thing of the kind ever offered in New-York. It is believed that the noble charity for which this Festival is offered, will meet a hearty response from the public, and that the empty treasury will be replenished.
"He that hath pity upon the poor lendeth unto the Lord, and that which he hath given will He repay him again."
DISSOLVING VIEWS will commence at 12½ o'clock. PUNCH AND JUDY at 1½. AUNT SALLY will receive from 12 m. to 10 p. m. Refreshments at all hours. In the Saloon, SANTA CLAUS will present his Gifts to the Children. At 4 o'clock PUNCH AND JUDY will again delight the audience. At 5 o'clock, DISSOLVING VIEWS. The house will be closed from 5½ to 6½ o'clock. At 7, DISSOLVING VIEWS. At 9 (by special request), PUNCH AND JUDY again, instead of music.
Tickets for adults, admitting to all the novel and amusing performances connected with the Festival, $1. Children 25 cents. Each child will reserve half the entrance ticket to present to Santa Claus for a present. For sale at the principal Book and Music Stores, Hotels and Niblos.
The ladies have great pleasure in announcing that
HOOLEY AND CAMPBELL'S MINSTRELS
have in the most generous manner, volunteered TWO of their unique and elegant
ETHIOPIAN CONCERTS,
for the Benefit of the Nursery and Child's Hospital, to be given on the AFTERNOON and EVENING of the above day, (27th December) at NIBLO'S SALOON. Tickets for these EXTRA performances, 25 cents. Entrance from Broadway or Hall leading to Niblo's Garden. To commence at 3 and 7½ o'clock. For price of Festival, Punch and Judy, &c., see above.
