PLATFORM

Adopted by the Joint Democratic and Populist Convention.

Following is the platform adopted by the joint Democratic and Populist parties at Oklahoma City:

We, the representatives of the Democratic and Populist parties of the territory of Oklahoma, in joint convention assembled, do reaffirm our faith in the immortal proclamation of the inalienable rights of man, the Declaration of Independence and our allegiance to the constitution framed in harmony therewith by the fathers of the republic.

We hold that the perpetuity of this republic is dependent upon the triumph of these principles, their application in the creation of laws, the administration of justice, and the exercise of executive functions; that national politics should be measured by them and local affairs kept subsidiary only within their dominion; that without them the liberty of a free people has no support, and with their overthrow free government is inevitably destined to die.

We denounce as un-American, undemocratic and un-Republican the policy of the present administration in its efforts to establish colonies under the American flag by force and bloodshed; and we believe that the people of the Philippine islands have the same right to be free that the American colonies had when they published the Declaration of Independence, and that the action of the Republican administration in attempting to subjugate them by force of arms is an act of tyranny even less excusable than the attempt of Great Britain to coerce her own subjects in the war of the republic.

We denounce the policy of the Hanna-Mckinley administration in countenancing the plunder of the revenues of Cuba by carpetbaggers, and its utter failure to fulfill its pledges to the Cuban people.

We favor municipal ownership of municipal utilities.

We condemn the policy of the McKinley-Hanna administration which has legalized slavery and recognized polygamy in the Sulu Islands.

Our most earnest sympathies are extended to the free men of the South African republic in their effort to maintain against overwhelming power and oppression the governments which are dear to them on account of the struggles endured to create them, and because of their inherited love of home and liberty.

Private monopolies are indefensible and intolerable. They destroy competition, control the price of all material and of the finished product, thus robbing both producer and consumer. They lessen the employment of labor and arbitrarily fix terms and conditions thereof, deprive individual energy and capital of their opportunity for betterment. They are the most efficient means yet devised for appropriating the fruits of industry to the benefit of the few at the expense of the many, and unless their insatiate greed is checked all wealth will be aggregated in a few hands and the republic destroyed. The dishonest pettfoggery with the trust evil by the Republican party in state and national platforms is conclusive proof of the truth of the charge that trusts are the legitimate products of Republican policies, that they are fostered by Republican laws and that they are protected by the Republican administration in return for campaign subscriptions and political support.

We demand for the Filipinos the same treatment promised to Cubans.

We favor the rehabilitation of silver at the ratio of 16 to 1 and the issuance of all paper money by the government.

We demand a constitutional amendment to enable congress to enact an effective income tax.

We condemn the Flynn statehood bill for its manifest unfairness to the school land lessees of the territory, who are entitled to a preference right when it comes to the sale of the land of said territory.

We demand that we be accorded such rights in the organization of a state as shall leave us to regulate our own school system; that we shall not be forced to surrender our love of race nor bring ourselves to recognition of racial equality; and while we believe in equal educational rights for the negro, we oppose mixed schools for his accomplishment.

We extend our gratitude to the congress of the United States for the passage of a non-partisan free homes bill, which has given to the settlers of the states and territories their just compensation for the hard toil and endurance incident upon the opening of a new country; and we particularly point with pride to the admission of the Democratic and Populist members of congress who supported the measure on each and every occasion when it was presented to them.

The reform forces of the territory demand for the pioneer settlers in the Kiowa, Comanche and Wichita reservations free homes on the lands granted to all ex-soldiers in the public domain, and we earnestly condemn the apathy of our delegate and the Republican party for their failure to have a free homes provision inserted in the bill bringing that country in for settlement while congress was in the mood to grant such favors.

We favor the redistricting of the legislative and council districts of the territory, to the end that a legal and equitable representation of all parties may be had.

The allied parties of Oklahoma demand immediate statehood for Oklahoma and the Indian Territory as a single state. In the language of the statehood plank of the Kansas City platform, "We denounce the failure of the Republican party to carry out its pledges to grant statehood to the territories of Arizona, New Mexico and Oklahoma, and we promise the people of those territories immediate statehood and home rule during their existence as territories. We also favor home rule under a territorial form of government for Alaska and Porto Rico" and we ask that every Democratic and Populist paper in the territory to carry this plank conspicuously at the head of its editorial columns during the campaign.

Supplementary resolution passed:

We, the Democrats and Populists of Oklahoma territory, condemn the McKinley and Harrison administrations.

ECZEMA'S ITCH IS TORTURE.

Eczema is caused by an acid humor in the blood coming in contact with the skin and producing great redness and inflammation; little pustular eruptions form and discharge a thin, sticky fluid, which dries and scales off; sometimes the skin is hard, dry and fissured. Eczema in any form is a tormenting, stubborn disease, and the itching and burning at times are almost unbearable; the acid burning humor seems to sink into and set the skin on fire. Salves, washes and other external applications do any not good, for as long as the poison remains in the blood it will keep the skin irritated.

BAD FORM OF TETTER.

For three years I had Tetter in my hands, which would break out in spots, and spread over my entire body. Part of the time the disease was in the form of eczema, very painful, and causing me much discomfort. Some doctors said the Tetter had progressed too far to be cured, and they could do nothing for me. I took quite a few bottles of S. S. S. and it has completely cured me. This was Tetter many years ago, and I have never seen any sign of my old trouble.—Mrs. C. B. Jackson, 1411 Holmes St., Kansas City, Mo.

S. S. S. constitutes this acid poison, purifies the blood and restores it to a healthy, natural state, and the rough, unhealthy skin becomes soft, smooth and clear.

SSS cures Tetter, Eczema, Psoriasis, Salt Rheum, and all skin diseases due to a poisoned condition of the blood. Send for our book and write us about your case. Our physicians have made these diseases a life study, and can help you by their advice; we make no charge for this service. All correspondence is conducted in strictest confidence.

ROBBED THE GRAVE.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c. guaranteed at C. H. Reaford's drug store.

BUFFALO BILL AT OKLAHOMA CITY.

Roosevelt's Rough Riders have been interesting personalities to American citizens. Their short but brilliant career as United States soldiers has added new luster to the recorded history of the bravery of American citizens. The presence of a troop in service, uniform, in Buffalo Bill's Wild West is of peculiar interest upon the prominent part that fate to the street parade is enthusiastically applauded by the admiring throngs that always line the streets to watch this interesting cavalcade. They with members of the sixth and Tenth United States cavalry and Fifth artillery lend realism to the picture of the battle of San Juan hill. At Oklahoma City, Oct. 8.

Speaking of the rapid growth of Guthrie and the diversified interests there is not a business house here that has more greater claim for large business than the piano and music emporium of E. H. WILD WEST SHOW.

Buffalo Bill and Rough Riders to Appear Monday.

Native Filipinos are curiosities of the Orient with whom the people of America are only acquainted by reason of the late acquisition of the islands, but Buffalo Bill's Wild West parade and his exhibition will give people their first opportunity to see the genuine article in his picturesque native dress. It will be an interesting treat, and with the other nationalities an educative study. At Oklahoma City, Oct. 8.
