Sketch of Mr. Seeley.

Mr. S. H. Seeley was born in Michigan in 1834. He received an academic education in his native state. He taught school in four different states, and began reading law in 1854. He was admitted to the bar in 1867, and is a member of three state bars, one territorial bar and of two supreme court bars. He has served as county treasurer, recorder and clerk of the circuit court, legislator, magistrate and special circuit judge. He served under Colonel (afterwards General) Samuel R. Curtis, in an Indiana campaign in 1858 and commanded a company of cavalry during the Civil war. He has always been a Republican in politics. He supported Grimes as the Union candidate for governor of Iowa in 1854, Fremont for president in 1856, Lincoln in 1860, and so on down the line. All the places Capt. Seeley has even held were at the hands of the people, never by appointment.

He came to Oklahoma April 22, 1889, and has resided in Guthrie ever since. Until the last election he had steadily refused to be a candidate for any position. He was nominated by the Republicans and elected by the best elements of all parties, Republicans, Democrats and Populists. He is absolutely independent of all machines, combinations and cliques, and will do what he thinks is for the best interests of the people of the territory.

FAMILY RECORD

One of the most beautiful pictures in color

Under a background of gold, with gold frame, the family record is the center of a handsome volume with gold clasps upon a number of crimson velvet with a beautiful gold inset. On the pages, under different headings are spaces in which to write the names and date of birth, the place and date of beautiful spaces in which to record marriages and deaths. On top of the page are the words "Family Record" in clear bold letters known to the print-crafts art. Below this are spaces for father's and mother's pictures. In the lower part of the picture is a beautiful home scene. The dear old grandparents, the handsome, manly husband and happy young wife, the loving daughter and busy boy, the doting grandchild, all are gathered round the table while grandfather reads a portion of God's Holy Word. A truly beautiful scene. Underneath are the words, "God Bless Our Family." Around this picture are eight spaces for photographs of other members of the family, each space including a gem flower piece. Elsewhere on the picture are scattered singing birds, bees and butterflies in rich coloring, and thrown into bold relief by the generous back ground of solid gold, which produces a picture of dazzling beauty.

The Dillard Treatment

FOR WHISKY, MORPHNE AND OPIUM HABIT.

Are You Addicted to the Liquor, Morphine or Cocaine Habit?

If so, why not consult Dr. Dillard, the eminent Specialist. Remember, Dr. Dillard is in no way connected with any other so called liquor cure, in fact it is an entirely different treatment than the Keeley and other cures. This treatment builds up the nervous system, increases the weight, and restores the whole human system. Dr. Dillard is located permanently in Guthrie and has been a resident of the Territory since 1889; has had 22 years experience in general practice and has made the cure of the above diseases a life study. To convince the public that he has the only permanent cure for the above diseases, Dr. Dillard will treat again free of charge, any case he fails to cure, or in other words, if any of his patients go back to any of the above habits within six months he will treat them again free. Dr. Dillard requires patients being treated for the liquor habit to remain with him one week, then they are placed on tonic treatment for thirty days, after which they are cured. For the drug habit they remain under the Doctor's care for from fifteen to twenty days.

All Whisky cases for Fifteen days, commencing Jan. 1, to Jan. 15, 1901, will be treated free of charge; said patient to pay $15 to cover expenses—such as board, nursing, medicine bills, Etc. A few testimonials:

TESTIMONIALS.

From the Mayor of Guthrie

Guthrie, O. T., Dec. 21, 1900.

To the Public:

This certifies that I am well acquainted with Dr. Dillard, that I have watched the results of his treatment of the liquor habit, I know Mr. Folsom, Mr. Winch, Mr. Maines and others that he has treated since he located here and I do not know of a single failure. I cheerfully recommend the Dillard treatment for the liquor habit.

SAM F. SHARRY

****

Guthrie, Okla., Aug. 24, 1900.

On the second day of October, 1899, I commenced taking the Dillard treatment for morphine and cocaine habit. When I commenced the treatment I weighed 130 pounds; my weight now is 200 pounds. I used morphine for 10 years and was cured in 19 days. Dr. Dillard cured me from the severest habit. No tongue can express the many thanks to Dr. Dillard for what he has done for me; he also cured me of a long standing case of catarrh of the stomach. I had been treated by several eminent physicians and all failed to cure me. I am now in good health, all by trusting in Dr. Dillard.

T. J. CASE.

SEWARD, Okla., Aug. 18, 1900.

To Whom it May Concern:

This certifies that on the first day of August, 1900, I took the Dillard treatment for the liquor habit. I have no desire for whisky and never felt better in my life. Have gained 15 pounds and have worked every day since I left the doctor. I was with him one week. I can work hard all day and it does not tire. I would not be back where I was three weeks ago for $1,000, and I can and do cheerfully recommend the Dillard treatment for the liquor habit.

JOHN A. MOMSEN.

****

On the 24th day of September, 1900, I took the Dillard treatment for liquor habit. I drank whisky excessively for about twelve years. I was considered almost a total wreck and had reached a point that there had to be something done. I was introduced to Dr. J. W. Dillard, the specialist, and commenced to take his treatments immediately. At the end of the first week's treatment I went to work at my trade and have worked almost every day since. I have no desire for liquor and am in perfect health. I advise everybody who is addicted to the drink habit to consult Dr. Dillard. CHAS. WINCH.

GUTHRIE, O. T., Dec. 21, 190-

I can truthfully say without fear of being successfully contradicted that the Dillard treatment for the whisky habit is a thoroughly successful one. It has most effectually cured me, and I was a pretty "hard case." I have gained flesh continuously since leaving the Doctor's care, feel excellent and recovered ambition that has been dormant for years. It is worth one hundred fold the price, and then the half has not been told. I will cheerfully give my experience to anyone desiring it. If you want to do yourself an everlasting favor and enhance the respect of the community you live in take the Dillard treatment as soon as possible.

CHAS. W. MAINES.

To whom concerned:

On August 15th, 1900, I began treatment for the liquor habit. I had been drinking a quart or more of whisky daily for some time and had been addicted to the habit more than 20 years. Since taking the Dillard treatment I am entirely free from all desire or inclination to drink intoxicants. I have gained 30 pounds in weight and am enjoying better health than I have for years. I cheerfully recommend the Dillard treatment to afflicted with the liquor appetite. Very truly yours,

W. H. VOLKS.
