WATER WORKS FAILED IN PRESSURE

And the Fire Burned Itself to a Complete Finish.

WORST IN ARKANSAS.

Hot Springs Suffers to Extent of $1,000,000 Or More.

Hot Springs, Ark. Feb. 25.—Fire swept the southern portion of this city early today, doing immense damage and causing the known death of three persons. The losses are variously estimated at from one to two million dollars. Three charred corpses have been found among the ruins, and, as several persons are reported missing, the death list may be increased. The identity of the victims has not been established. One of the bodies is supposed to be that of a female guest of the Grand Central Hotel.

Square Mile Burned

The fire, which started at 3:30 this morning, was the worst this State has ever experienced, and in five hours had burned over an area of one square mile. Block after block of residences, business houses, hotels and other buildings were swept away and the entire town was panic stricken, although the fire was confined to the southern part of the city. Street car wires and telegraph and telephone poles were destroyed and these services were temporarily demoralized.

Water Pressure Gives Out.

The firemen and police worked valiantly, but their efforts could not check the onward march of the flames, and to add to their difficulties the water pressure gave out at 5 o'clock. Bucket brigades were then formed, citizens and visitors, alike, volunteering their services.

LOST BOTH GAMES.

The Vanderbilt Team Gives Locals Their First Defeat.

S. K. C.		Vanderbilt

Phillips	Forward	Campbell
Hardy	Center	Hall
Noe	Guard	Kneeling
Binns	Guard	Howington

Substitutes for S. K. C., Worton and Cutcheons. Referee, G. Bailey; umpire, Manier; scorer, Chester; time keepers, Fields and Cutchins.

The Vanderbilts won both games, the first by 30 to 18 and the second by 23 to 19.

ANYBODY'S RACE.

Much Doubt About Who Will Be Inspector.

The election of a tobacco inspector to-morrow night is involved in much doubt owing to the large number of candidates. The candidates exceed in number the members of the board, who are as follows:

Buyers: T. B. Fairleigh, C. S. Jarrett, Wallace Kelly and J. D. Ware.

Warehousemen: R. E. Cooper, R. M. Wooldridge, M. H. Tandy, James West and Chairman F. W. Dabney.

Given a Term.

Dock Pugh, aged 16, of Nashville, entered a plea of guilty to breaking into an L. & N. car at the State line, one mile from Guthrie, and was sentenced to three years in the penitentiary. He was tried in the criminal court at Clarksville.

JACK MOORE DIES SUDDENLY SUNDAY NIGHT.

Heart Failure Following an Attack of Asthma Caused It.

SICK ONLY ONE DAY.

Was Prominent in Insurance Circles and a Fine Business Man.

Jack S. Moore, one of the best known insurance men in Hopkinsville, died very suddenly about nine o'clock Sunday night. He came home Friday night from a trip in the interest of his business and took the Royal Arch degree at the Masonic Lodge, of which he was a member, on Friday night.

He was at his office Saturday and walked home that afternoon complaining that he had something like the grip. Dr. E. C. Anderson was called to see him that night and gave him some medicine. Sunday morning he said he was still feeling so badly that he believed he would stay in bed and rest up. He was not considered very ill, but Sunday night after church Dr. Anderson, his brother-in-law, dropped by to see him and went up to his room, accompanied by his mother, and found him in a sinking spell and very ill. Dr. R. L. Woodard was called from across the street, but the physicians could do nothing for him and he expired almost immediately.

Jack S. Moore was one of two sons of late Capt. Wm. S. Moore, and was born in Clarksville Sept. 6, 1870. Although frail and delicate from his youth, he had a bright mind, and developed into a fine business man. He entered the insurance business and had for many years been a member of the firm of Wallace & Moore. More recently he had been traveling adjuster for the Hanover Fire Insurance Co., with Kentucky and West Virginia as his territory. He was one of the most popular men in the insurance business in Kentucky. Of a bright, cheerful disposition, he made friends wherever he went. He spent a great deal of his time on the road and was only at home between his business trips.

His mother and brother, Durrett Moore, are his immediate relatives, though he has other close kindred in the city. He leaves no family of his own.

The funeral will take place at the Christian church this afternoon at two o'clock. He had long been a member of that church. The interment will be at Hopewell.
