The Famine in Kansas.
APPEAL FOR THE DESTITUTE FROM THE NEW-YORK CITY COMMITTEE.
WM. C. BRYANT, Chairman. J. E. WILLIAMS Treasurer.
Chas. H. Marshall, Seth B. Hunt, R. H. McCurdy, Morris Ketchum, G. C. Bronson, Chas. W. Elliott, Daniel Lord, Daniel Drew, J. S. Wadsworth.

It has become our imperative duty to urge upon the public attention the fact that over 40,000 of our fellow-citizens in Kansas are now in imminent danger of starving. We have the evidence from all sources—from Gen. Pomeroy, Chairman of the Territorial Relief Committee, from the columns of nearly every newspaper there of all shades of politics—from our own reliable agent who has just returned. There is no doubt of the misery—terrible, wide-spread, destructive.

We have evidence that whole families have already died of starvation; and that thousands more must lie down discouraged, and die of want and diseases consequent upon it, unless prompt and thorough aid is at once supplied. Congress is now attempting to sustain the starving Indians, but our 40,000 fellow-countrymen—men, women, and children—can neither get away from the desolation, nor borrow, nor beg. Their only dependence is upon us who have never known hunger.

They must be sustained. Will you help us to help them?

To assure you that whatever you do will reach them, we state that in every destitute township is a Relief Committee; these are represented by the Territorial Committee as follows:

TERRITORIAL COMMITTEE.

S. C. POMEROY, Atchison; W. W. GUTHRIE, Brown County; J. L. MCDOWELL, Leavenworth; the Rev. C. REYNOLDS, Lawrence; the Rev. L. BODWELL, Topeka; Dr. S. AYRES, Linn County; F. N. BLAKE, Junction City; C. S. LISMS, Wabaunsee; F. B. BAKER, Centralia; the Rev WM. BISHOP, Salina; Judge A. SPALDING, Jefferson County; J. C. BURNETT, Bourbon County; J. C. LAMBDIN, Butler County; GEO. M. RUSSEL, Wyandotte.

EXECUTIVE COMMITTEE.

S. C. Pomeroy, Chairman; J. L. McDowell, the Rev. C. Reynolds, the Rev L. Bodwell, F. P. Baker; S. C. Pomeroy, Corresponding Secretary; Mayor O. H Fairchild, Treasurer.

Gen. Pomeroy is Chairman, and at Atchison devotes his whole time and energy, with assistants, to the receipt and distribution of all contributions of food and clothing, all of which are delivered upon requisitions of Town Committees, and are distributed through them. This organization is prompt, thorough, and effective, and we advise the sending of supplies through it. Money and clothing are needed from us; food can be got in the West.

The names of our Committee appear at the head of this appeal, and we hope will be sufficient to induce cooperation. Our Treasurer is John E. Williams, President of the Metropolitan Bank, New-York City. All money sent to him will be applied to the payment of Gen Pomeroy's drafts, on account of freights and sacks. We appeal to you all, by every dictate of humanity, of honor, and of public good, to unite with us in alleviating this great calamity. There is no time to be lost.

First: We ask individuals, everywhere, to contribute at once, and to urge it upon their friends and neighbors.

Second: We appeal to all churches and organized bodies, to act promptly, generously, and efficiently.

Third: We urge upon every GOVERNOR OF EVERY STATE immediately to bring this matter to the attention of their Legislatures and people. Our last statistics show that nearly $200,000 is needed within the coming fortnight, to supply this people with seed for Spring planting. It can only be furnished by State action. Every consideration of interest, also, demands that this new State should be enabled to become self-sustaining, productive, and eventually rich—thus to fulfill her destiny, and to help others as we are now helping her.

We ask, therefore, every Legislature to do as they would have others do to them in like distress, and at once to grant ample supplies.

All money sent to our Treasurer, JOHN E. WILLIAMS, Metropolitan Bank, New-York City, will be gratefully acknowledged and effectively used.

All clothing should be sent to Gen. POMEROY, Atchison, Kansas, and freight should be prepaid.

A whole sheet of Spring Dresses and Spring Bonnets in GODEY'S LADY'S BOOK FOR MARCH.
This large sheet of Spring Fashions is entirely additional, and excess of so many engravings over the usual variety.
AND ANOTHER DOUBLE EXTENSION FASHION-PLATE, COLORED, CONTAINING SIX FIGURES, in which our Lady subscribers will see the fashionable colors of the day. GODEY'S LADY'S BOOK is the only work that publishes these fashions, which are superior to any published in France or England.
Everything in this number is illustrative of the first Spring month.

THE GREAT PLATE OF THE MAGAZINE WORLD.
"CHRIST BLESSING LITTLE CHILDREN.
"Suffer little Children to come unto me."
This plate has been wrought at a great expense, and is only another evidence that we do not waste our strength on the January number. This engraving cost us as much as the two plates published in the initial number of the year, and has been pronounced by those who have seen it as the greatest magazine plate ever published; and we know that it is. It was engraved for us from the original picture; and it is the first time that any engraving from this picture has ever been published in a magazine. Taking all in all, we think the March number of our book surpasses the January number.
For sale by all the dealers.
