RATES OF ADVERTISING.

Newspaper proprietors generally, and especially of this city, under the usages and regulations heretofore prevailing are called upon to perform more labor without remuneration, than any other class of community. The gratuitous publication of charity and religious advertisement, and communications, tributes of respect, obituaries, &c., &c., which can only be inserted at a heavy cost to the proprietor, imposes upon them a burden so onerous, that they feel called upon, in self-defence, to check the abuse, by making such publications a charge, to some extent at least, upon the parties more immediately interested. In this they are but following the example of the press in other cities, impelled by a sense of its intrinsic propriety, and imperative duty to themselves. The subscribers have, therefore, united together in a mutual agreement, upon the to lowing specified terms or the publication of these as well as every sort of regular business advertising.

A CARD.

THE undersigned, late of Georgia, having removed to the City of Nashville, offers his services to the citizens of Georgia, E. Tennessee and North Alabama for the purchase of Dry Goods, Groceries, Corn, Wheat, Rye, Bacon, Lard, Fine Horses, Mules, Cattle, and in short, every article of trade offered in the Nashville market.

The Merchants of Nashville are men of high character and pecuniary standing, and have large and well selected stocks that they offer on liberal terms, which should induce the merchants of Upper Georgia, East Tennessee and North Alabama to give the Nashville market a fair trial. As to the Grocery Market, the propriety will suggest itself to the mind of every merchant in the sections of country named, as the most proper for their trade.

The long connection of the undersigned with the Railroads of Georgia, as General Agent, Treasurer and Superintendent of Transportation, as well as Agent at Chattanooga several years for the Banking interest of Savannah, will enable him more readily to investigate claims against Railroad Companies, for lost goods or for damage while in transitu, for the renewal or discount of notes or bills in bank, &c.

All letters inclosing orders and money will receive prompt attention, and all orders without the money, when satisfactory evidence of solvency and promptness accompanies the same, or the parties known to be such, shall receive like attention, when ordering articles that come under the rule or custom of the market to sell on time. I will also give strict attention to receiving and forwarding all goods that are not to be stored, that may be directed to my care. The charges for the purchase of goods, &c., will be five per cent commissions, and twenty cents for each box or package for receiving and forwarding.
