NEW PATENT LAW.
NEW ARRANGEMENT!
NO DISCRIMINATION AGAINST FOREIGNERS.
The Patent Law Amendment Act, passed March 4, now in operation, fixes the following rates of fees, viz:

On filing each caveat	$10 00
On filing each application for a patent, except for a design.	15 00
On issuing each original patent	20 00
On appeal to the Commissioner of Patents	20 00
On application for reissue	30 00
On application for extension of patent	50 00
On granting the extension	50 00
On filing disclaimer	10 00
On filing application for design, 3½ years	10 00
On filing application for design, 7 years	15 00
On filing application for design, 14 years	30 00

The law abolishes discrimination in fees required of foreigners, except in reference to such countries as discriminate against citizens of the United States; thus allowing English, French, Belgian, Austrian, Russian, Spanish, and all other foreigners, except the Canadians, to enjoy all the privileges of our Patent system (except in cases of designs), on the above terms.
Messrs. MUNN & Co., Publishers of the Scientific American, have their arrangements fully perfected for taking out Patents under the new law, and will be happy to have inventors call at their office, or address them by letter, in regard to all business connected with the Patent Office.
Patents are now granted for 17 years instead of 14 years, as under the old law. For further particulars address
