A PERFECT CHARM.

MRS. WINSLOW'S SOOTHING SYRUP certainly does, as the name implies, "soothe" the little sufferer into a quiet, natural sleep, from which it awakes invigorated and refreshed. And for the cure of diseases incident to the period of teething, such as Dysentery, Diarrhea, Wind, Colic, &c., &c., we have never seen its equal.

REV. SYLVANUS COBB THUS WRITES IN THE BOSTON CHRISTIAN FREEMAN.

MRS. WINSLOW'S SOOTHING SYRUP.—Are all the mothers who read The Freeman acquainted with this article, which we have advertised for the last few months? We would by no means recommend any kind of medicine which we did not know to be good—particularly for infants. But of this Syrup we can speak from knowledge; in our own family it has proved a blessing indeed, by giving an infant troubled with colic pains quiet sleep, and its parents unbroken rest at night. Most parents can appreciate these blessings. We are entirely opposed to the prevalent practice of drugging infants, and would sooner lose our night's rest than consent to such a course. But here is an article which works to perfection, and which is harmless; for the sleep which it affords the infant is perfectly natural and the little cherub awakes as "bright as a button." And during the process of teething, its value is incalculable. We have frequently heard mothers say they would not be without it from the birth of a child till it had finished with the teething siege on any considerations whatever.

We have spoken of this Syrup for the benefit of our readers who are parents. We know its good value, and have experienced some of the rich blessings which result from its use. MRS. WINSLOW is no quack, but a woman of long experience as a Nurse and Female Physician.

Millions of bottles of MRS. WINSLOW'S SOOTHING SYRUP are now used every year in the United States for children teething, with never-failing success. Relief is IMMEDIATE and CERTAIN.

MRS. WINSLOW'S SOOTHING SYRUP is sure to regulate the Bowels.

Orders are coming in every day from Druggists in all parts of the country. "Send me more of MRS. WINSLOW'S SOOTHING SYRUP."

Give us an old nurse for diseases incident to the period of teething in children. Here you have an old nurse for 25 cents, in the form of MRS. WINSLOW'S SOOTHING SYRUP.

HIGHLY IMPORTANT TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP is the only thing that you can rely upon to give rest to yourself, and relief and help to your infant.

MRS. WINSLOW'S SOOTHING SYRUP has been the means of restoring the drooping spirits of many mothers.

This is the season of the year to use MRS. WINSLOW'S SOOTHING SYRUP.

To every mother who has children suffering from any of the complaints incident to this period of teething we say do not let your own prejudices, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of MRS. WINSLOW'S SOOTHING SYRUP.

Druggists everywhere now keep MRS. WINSLOW'S SOOTHING SYRUP for children teething. No medicine in the United States sells like it. It is a standard medicine, and its fame world-wide. Physicians order and use it wherever its magical effects have been witnessed.

During the thirty years of unprecedented and increasing popularity of MRS. WINSLOW'S SOOTHING SYRUP, innumerable "COMPOUNDS" and other nostrums, prepared by pretended M. D.'s, have sprung up and lived but a mushroom existence, while the SOOTHING SYRUP has been constantly increasing in popularity, and become a household word, and thousands of mothers thank Mrs. WINSLOW for the health of their children by the use of her invaluable article.

When the present race of "Cordials" have followed in the footsteps of their "illustrious predecessors," MRS. WINSLOW'S SOOTHING SYRUP will continue to be a popular favorite and a blessing to every mother.
