CALICO

CENTS 5 CENTS

A hundred people use cotton goods where one uses fine silk.

Our cotton goods are very good and very pretty, and very cheap. Yes, very.

How do we sell them so cheap?

We buy of those that want to sell.

We buy of those that want to sell quick.

We always want the best goods to offer at prices that please you.

In style, finish, quality, measure, we compare favorably with those from other houses who claim to do the plan real well.

MUSLIN, COTTON CLOTH, SHEETING, BROWN GOODS, PRINT CLOTHS,

These names mean the same thing, the only difference is—Where were they brought up—here or where?

We have a 40-inch clean, smooth, even, brown unbleached muslin, heavy enough for any purpose, but especially adapted to ladies' and children's wear and general family use. 12½ cents, 8⅓ or 8 cents per yard by the piece of 40 yards, regardless of the width. You save 20 cents on every dollar. That is money made, and made easily, too.

Heavier, finer goods, 36 inches wide, at 7 and 8 cents.

It may go a little tough sometimes, or you are feeling "out of luck," join issues with us, and we'll help you pull through. It is not so very hard to do after all.

It is very nice to feel that you're not the under dog in the fight for existence—for bread and butter. Don't wear any man's collar in America. It is not the way to do.

Calico is 5 cents at our store for standard quality and standard colors. Blue, red and other high colors are higher. Extra widths are higher, but sometimes they are cheaper for wear.

Very thousand families and merchants and others are buying our goods all the time. We have enough for all.

Our trade is not confined to

DRY GOODS, GROCERIES, PROVISIONS, FISH, CANNED STUFF, BOOTS AND SHOES, MEN'S AND BOYS' CLOTHING, STATIONERY, HARDWARE, CROCKERY, and a general variety.

Our new offering is now ready, and we invite the attention of the public to the fact that we are selling goods at the lowest cash prices.

Random bid paper.

THE SILVER PLATFORM.

The silver wing of the Republican State Convention unanimously adopted the following platform:

The convention endorses and adopts the platform of the Republicas State Convention, held at Va city on the 30 of April last, as follows;

Resolved, That we condemn the Republican party of the Eastern states and the administration of President Harrison, insofar as they have failed to accomplish the complete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

Resolved, That the restoration of silver to the place it occupied previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and paramount to all other political considerations. The legislation which robbed silver of its money functions and denied to the owner of silver bullion the right to have the same coined into money upon the some terms and conditions which apply to the coinage of gold, reduced the money of ultimate redemption or payment, about one-half, and enabled the owners of money and obligations payable in money to monopolize the coin of the commercial world.

Resolved, That the people of Nevada are in favor of the coinage of silver upon the same conditions which apply to the coinage of gold, and they are opposed to elevating any person to office who is not known to be unequivocally in favor of opening the Mints of the United States to the free and unlimited coinage of silver.

In view of the unsatisfactory attitude of President Harrison to the paramount issue of the remonetization of silver, this convention will make no nominations for Presidential electors and the State Central Committee to be appointed by this Convention shall have no authority to put in nomination electors.

The Convention cordially endorses the vigorous efforts of our Senators and Representatives to secure the free and unlimited coinage of silver, and the educational work that they have done in presenting the true issue between the money powers and the bondholders and laborers and producers of wealth.

And we favor the continuation of agitation and contention for the free and unlimited coinage of silver at the present ratio of 16 to 1, for their own benefit and for the benefit of the people at large—miners, farmers, laborers and mechanics.

The citizens of Nevada, representatives of the various silver leagues, irrespective of past party affiliations, in convention assembled, do set forth the following declaration of principles:

First. We demand the full remonetization of silver and the free and unlimited coinage thereof, at the present ratio of 16 to 1.

Second. We are radically and unalterably opposed to the National Republican and Democratic parties on the question of the free coinage of silver and we denounce the action of their recent national conventions as inimical to the material interests of the people of the United States, and especially to those of Nevada and all the other mining states and territories, and we therefore repudiate the nominees of their convention.

Third. We pledge the nominees of this convention for Presidential electors to support no man for President or Vice-President of the United States who is not unequivocally in favor of free coinage as defined by this convention. We reseave to the silver leagues of Nevada, in Convention assembled, the right of directing said Presidential electors for whom to cast their votes, should contingencies require. GEO. S NIXON, Chairman State Committee of Silver party.
