MICHELET'S NEW BOOK.
FRESH FROM THE PRESS.

THE SEA (LA MER).

Translated from the French Edition just published in Paris. By M. J. MICHELET, Author of
LOVE (L'Amour)—WOMAN (La Femme) etc.
One large volume. Price $1 25.

THE SEA (LA MER.)
This is another of M. MICHELET'S exquisite volumes—half science and half fancy, with a blending in both of tender suggestion. Michelet is a man of genius, and shows a poetic nature in the treatment of his themes. His works have produced an impression upon the reading public almost without parallel in late years. Such audacity and delicacy, such vigorous analysis and tender sentiment were scarcely ever before so effectively combined.
The thousands who have read "LOVE" and "WOMAN," will need no urging to purchase his new book, "THE SEA." It is as philosophical, as instructing, and as fascinating.
