SALE OF IOWA STATE STOCKS.—PROPOSALS for a LOAN to the STATE of IOWA, of a sum not exceeding $400,000.—Sealed Proposals will be received by the undersigned Agents, at the Metropolitan Bank, in the City of New-York, until 12 o'clock m. of SATURDAY, the 13th day of July next, for loaning the State of Iowa a sum not exceeding $400,000, being a part of a loan not exceeding $800,000, authorized by an act passed at the extra session of the Eighth General Assembly, entitled "An act to provide for the issue and sale of State Bonds to procure a loan of money for the State of Iowa, to enable it to repel invasion, and defend itself in war." Approved Mar. 28, 1861.

The sum for which the sealed proposals aforesaid will be received will fall short of the said sum of $400,000 by the amount of that sum for which bonds may be sold in the State at private sale, at their nominal par value, previous to the 13th day of July, 1861.

The Bonds for the sale of which the said sealed proposals will be received are in the sum of $1,000 or $500 each, at the option of the party making the proposal, to be expressed in said proposal, signed by the Governor, countersigned by the Auditor and Treasurer, and attested by the Great Seal of the State of Iowa, with interest coupons attached, signed by the Auditor of State, but not attested by the Great Seal of the State of Iowa, providing for the reimbursement of the principal, at the expiration of twenty years from the date thereof, and the payment of interest semi-annually on the 1st days of January and July of each each year, at the rate of 7 per cent per annum, both principal and interest on said bonds being payable at the Metropolitan Bank in the City of New-York, but the Governor may cause said payments to be made at any other place in the City of New-York by giving thirty days public notice of such place in three newspapers in said city.

The State has irrevocably pledged its faith to provide adequate means to pay the interest on said Bonds as the same becomes due and the principal at the expiration of twenty years, and for that purpose all or so much as is necessary of the revenue arising from the entire taxable property of the State has been and is set apart and pledged for these purposes and it is made the duty of the census board or other proper officer or officers (which duty it is provided by law may, if necessary, be enforced by mandamus) to levy in each year a tax sufficient for these purposes after payment of all expenses of collection.

No tax, it is provided by law, shall ever be levied by the State of Iowa on the stock thereby created, nor on the interest which may be payable thereon, and that the value of said stock shall in no wise be impaired by the authority of the State; but it is expressly provided that nothing in said law contained shall be so construed as to exempt from taxation any part of the capital stock of the branches of the State Bank of Iowa.

The $400 Bonds authorized by said act will be sold, if at all, in the State. No conditional proposals will be considered. The right is reserved to reject all or any such proposals as shall be considered will promote the best interests of the State.

The terms will be specie, payable in hand on delivery of the Bonds sold to the purchasers.

The proposals will be opened at 12 o'clock m., on the 13th day of July, A. D. 1861, by the undersigned, at the place of reception, in the presence of such persons as may see proper to be present, and the loan awarded to the best and highest bidders, if accepted, on the 15th day of July, A. D. 1861.

Proposals must be addressed under seal to the undersigned, care of Metropolitan Bank, New-York City, marked "Proposals for Iowa State Loan."

A number of certified copies of the act authorizing said loan, and of the action of the Board of Commissioners thereto provided for, with other documents pertaining thereto, can be found at the Metropolitan Bank, in the City of New-York, for inspection and examination.
