MISCELLANEOUS.

SEE MY COLUMN!
Not THIS, but the Other One!
Queer! Very Queer!
IN MY ADVERTISING COLUMN, my Anthors and Chains for sale are crowded out and are amongst the Notions—(a British Notion). They will be sold cheap, very cheap.
Funny! Very Funny!
In my Advertising Column, my Bird Traps, Bird Houses and Breeding Cages, of which I have a splendid assortment, are crowded out. They will be sold cheap, very cheap.
Queer! Very Queer!
My Pills—Blair's, Wheldon's and Cockle's are crowded out and are included in the Notions.
Iron Posts for Wire Fencing, which I will sell for 25 cents each, is much less than the raw material costs here.
The Funniest of All!—Brussels Carpet which I have for sale, a splendid article, and guaranteed of equal quality, at 20 per cent less than the Carpet for the New Hotel cost in San Francisco, besides which, freight, insurance and duty must be added to the San Francisco cost. It would take a mathematician to calculate the loss incurred by not purchasing here.
Not Queer or Very Queer!
The Steamer Kilauea is a decided success and materially assists to promote trade, and develop the resources of the Kingdom. (Grumblers notwithstanding.)
The New Hotel.
There has been a difference of opinion in consequence of Opthalma. I am morally certain it will be a decided success in promoting the interests of these fair islands, and a great benefit to them.
Lodging House Keepers need not quake or seek a reduction in rent, for they will have their share from the extra number of visitors to see the wonders of this Kingdom.
The National Hotel, so much needed for the upbuilding of our Sunny Islands, will, in conjunction with other solid improvements made by our Government, immortalize the reign of KAMEHAMEHA THE Long may he live and reign.

With this issue we complete the Meteorological Tables kept with such commendable assiduity by Capt. Dan'l Smith. A continuous record can now be be found in this paper, from April, 1867, until the present time; and we shall continue to publish the monthly record, feeling assured that we can give our space to no more valuable matter than this furnished by Capt. Smith.

Legislative Proceedings.

EIGHTEENTH DAY, June 20, 1872.

The Assembly met at 10 A. M., the President, His Ex. P. Nahaolelua, in the Chair. Prayer by the Chaplain. Journal of preceding session read and approved.

Mr. Kipi presented a petition from Hilo praying that the horse tax be increased to $1.00 on all horses over 2 years old. Also, a petition that the dog tax be abolished. Petitions referred.

Mr. Naihe presented a petition from Kohala praying that constables be allowed to search houses and property without a warrant.

Mr. C. H. Judd moved to reject, as the petition was in violation of Article 12 of the Constitution.

Mr. Carter asked how many signatures there were on the petition, (there were 221,) and said he was surprised and alarmed that so many residents of Kohala could be found to sign such a petition. What a sad commentary upon the valuation of personal rights. To the power which the Government already has we would give them police espionage. It is the proud boast of every Englishman, of all who live under a Constitutional Government, that their house is their castle. I have been and always shall be ready to entertain any petition that comes before this Assembly that is not out of order or insulting to the common sense of this Assembly. Article 12 of the Constitution says: "* * * * and no warrants shall issue but on probable cause, supported by oath or affirmation, and describing the place to be searched, and the person or things to be seized." This petition is not in order, and I move that it be returned to the introducer, and that he be allowed to bring in an amendment to Article 12 of the Constitution, if he shall deem best.

Motion to refer back to the introducer was put to vote and carried.

Mr. Mikaele presented a petition from Honolulu praying that the pay of constables be increased to $40 per month. Petition laid over.

Mr. Hitchcock, Chairman of the Committee on Education, reported the consideration of petitions from Kaholalii, also from Honolulu praying that $8,000 be appropriated for a History of the Islands and a Genealogical Table of the Kings of Hawaii, &c., that the same be laid on the table, but recommend that a sum of money be inserted in the Appropriation Bill for a History, &c.; petition from Kohala, praying for the establishment of an English school in that district, be tabled; petition from Puna, that the Government support for English schools be withdrawn, recommend rejection; that the petition from Kohala, asking that young graduates from high schools be furnished Government employment, be laid on the table; that the petition from Wailuku, praying that young men be apprenticed by the Inspector General to some trade, be laid on the table for consideration in connection with a Bill to be introduced hereafter in relation to the same matter, by the Committee. Report adopted.

Resolution—Mr. Kipi, That $2,000 be inserted in the Appropriation Bill for the improvement of roads between Waiakea, Hilo and Puna, Hawaii. Referred to Committee on Internal Improvements.

Mr. Kupakee gave notice of a Bill to amend Section 2, Chap. 56 of the Penal Code.

Unfinished business being next in order, the same being the resolution of Mr. Kahananui concerning the reporter of the *Kuokoa.* Resolution indefinitely postponed.

The Bill to amend Sections 480-487 of the Civil Code, so as to read as follows:

Section 1. That Section 480 of the Civil Code be and the same is hereby amended by striking out the word "Seventeen" and substituting therefor the word "Twenty," so that the Section as amended shall read as follows:

Section 480. An annual poll-tax of one dollar shall be paid by every male inhabitant of the Kingdom between the ages of Twenty and Sixty years, whether a Hawaiian subject or an alien, unless the person be excused from such payment by law, or by the assessor of the district in which he resides, on account of age, infirmity and poverty.

Section 2. That Section 487 of the Civil Code be and the same is hereby amended by striking out the word "Seventeen" and substituting therefor the word "Twenty," so that the Section as amended shall read as follows:

Section 487. An annual road-tax of two dollars shall be paid by every male inhabitant of the Kingdom between the ages of Twenty and Sixty years, whether a Hawaiian subject or an alien, unless the person be exempted from such payment by law or by the assessor of the district in which he resides, on account of infirmity, or unless he be a school teacher actually employed, or a Roman belonging to a legally organized company, or a student actually in attendance at any of the high schools or colleges.

Section 3. All laws and parts of laws in conflict with this Act are hereby repealed.

Section 4. This Act shall become a law from and after the date of its approval.

Was considered in Committee of the Whole, and Mr. Kuihelani was called to the Chair.

Motion to insert 50 cents in place of $1.00 in first Section.

Motion to pass the Section as in the Bill.

Motion to indefinitely postpone.

After considerable discussion as to whether the public should be charged with a poll-tax of fifty cents or one dollar, and if such tax should be levied upon males of seventeen and upwards or twenty and upwards, His Ex. C. C. Harris quoted from the original Laws of this Kingdom, as published in Lahaina in 1842, in which there were two forms of taxation, viz: Poll and property tax. The poll-tax was paid in money, and the property tax in swine. Males were taxed $1, women 50 cents, (boys over 14 years of age 25 cents, and girls 12½c.) In the out districts where coin was scarce taxes were paid in arrow root. The poll-tax on women, boys and girls in this country had been removed, and the poll-tax on man was all that remained, and according to the law, a male was a man at 17 years of age; at that age he was allowed to marry, and how frequently a man of 17 years of age in the country is married and raises children in the appreciation of the principle that taxation and the right of representation should go together. This doctrine by no means supposes that every person in the district represented should vote; as for instance in the represented district women do not vote, though they pay taxes. It has been said that in the United States a poll tax is not paid. This is a mistake. In Massachusetts a poll tax is levied on every man between the ages of 20 and 60—foreigner and native alike—yet the man did not vote till he was 21. Here he is taxed at 17 and votes at 20. There he is taxed at 20 and votes at 21, and the foreigner does not vote at all. I have here the laws of Maine and New Hampshire, in which States a poll tax is levied, and I believe the same to be a fact in all the States. A poll tax is right. It is the poor man's contribution for protection of his rights. It is a light tax on a man for the protection granted to him. The speaker stated that he was born and brought up in the United States and lived there until he was 26 years of age, but every male of 18 years had to shoulder a musket, and if he failed
