AN UNSURPASSED ASSORTMENT.

Morton's Celebrated Gold Pens.—Improvements made in the machinery for manufacturing Gold Pens, and secured to the subscriber by Letters Patent, have enabled him to overcome the many imperfections hitherto unavoidable in their production, and also to bring the cost within the reach of all. The writing public should know the following facts: Constant writing for six months is done cheaper with Gold Pens than with steel, therefore, it is economy to use Gold Pens. The Gold Pen remains unchanged by years of continued use, while the Steel Pen is ever changing by corrosion and wear; therefore, perfect uniformity of writing is obtained only by the use of the Gold Pen. The Gold Pen is always ready and reliable, while the Steel Pen must be often condemned and a new one selected; therefore, in the use of the Gold Pen there is great saving of time. Gold is capable of receiving any degree of elasticity, so that the Gold Pen is exactly adapted to the hand of the writer; therefore, the nerves of the hand and arm are not injured, as is known to be the case by the use of Steel Pens. He is now selling Gold Pens at prices varying from 25 cents to $1, according to size, the average wear of every one of which will far outlast a gross of the best Steel Pens. Sold by all dealers in the line throughout the country. Wholesale and retail at the store, No. 25 Maiden-lane, where all orders, inclosing cash or post stamps, will receive prompt attention; and a Pen or Pens corresponding in value, and selected according to description, will immediately be sent by mail or otherwise, as directed. Address
A. MORTON, No. 25 Maiden-lane, New-York.

Medical.

From The Troy Daily Times.

MRS. WINSLOW'S SOOTHING SYRUP.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New-England, and has been used with never failing success in thousands of cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and vigor to the whole system.

It will almost instantly relieve griping in the bowels, and overcome convulsions, which, if not speedily remedied, end in death.

We believe it the best and surest remedy in the world in all cases of Dysentery and Diarrhœa in children, whether it arises from teething or from any other cause.

THE FLORENCE NIGHTINGALE OF THE NURSERY.

The following is an extract from a letter by the Rev. C. Z. Weiser to The German Reformed Messenger, at Chambersburg, Pennsylvania:

A BENEFACTRESS.

There is a woman in the public eye whose name had all along been associated, in our mind, with the "Yankee," "Quack," and "Humbug." But it is so no longer, and we desire to wrest her name from all such suspicious association in all other minds. Whatever notions we may have of womanly delicacy and propriety, we will all admit that woman alone is the Nurse—the GOOD Nurse—the BEST Nurse. Whether we shall have Female Physicians or not is a question which must be decided by time and principle, and not as a matter of taste. Pride, prejudice, caprice, and custom may as well behave themselves, for if there is really a want, there will also be a supply—if there be a "calling," there will be a COMING. Nature and Human Society are always self-supplying, and though Art and Fashion may hinder, they cannot prevent.

Mrs. Winslow does not want to treat you, gentlemen. Nor does she prescribe a regimen for your wives; but modestly appears as a messenger of health and happiness to your INFANTS in the cradle. Is there anything improper in that? A nurse of "ten years'" experience can boldly say what is or is not good for a babe—and ought to be listened to. God speed her on her humble but happy mission. She is the most successful physician and most effectual benefactress our little one ever enjoyed—her doting parents not excepted. Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the nursery. Of this we are sure, that we will teach our "SUSY" to say "A BLESSING ON MRS. WINSLOW" for helping her to survive and escape the griping, colicking, and teething siege. We confirm every word set forth in the PROSPECTUS. It performs precisely what it professes to perform, every part of it—nothing less. Away with your "Cordial," "Paregoric," "Drops," "Laudanum," and every other "Narcotic," by which the babe is drugged into stupidity, and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her "SOOTHING SYRUP FOR CHILDREN TEETHING." If we had the power we would make her, as she is, a Physician Savior to the Infant Race.

To every mother who has children suffering from any of the complaints incident to the period of teething, we say, do not let your own prejudices, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of MRS. WINSLOW'S SOOTHING SYRUP.

MOTHERS! MOTHERS!! MOTHERS!!!

An old nurse for children. Don't fail to procure MRS. WINSLOW'S SOOTHING SYRUP for children teething. It has no equal on earth. No mother who has ever tried MRS. WINSLOW'S SOOTHING SYRUP for children will ever consent to let her child pass through the distressing and critical period of teething without the aid of this invaluable preparation. If life and health can be estimated by dollars and cents, it is worth its weight in gold.

Millions of bottles are sold every year in the United States. It is an old and well-tried remedy.

THE BENEFIT OF GOOD ADVICE.

Thanks to MRS. WINSLOW'S SOOTHING SYRUP, we have for years been relieved from sleepless nights of pain watching with poor suffering teething children. Unlike all the preparations of opium which are usually got up to make children sleep, and which simply stupefy the child, the Soothing Syrup gives not only rest, but vigor and health; the little fellow will wake up bright, cheerful, and refreshed. It is sure, moreover, to cure Wind-Colic and regulate the bowels. As we freely received the advice which calls forth the above thanks, we freely give it to others, and say to all mothers, Go purchase the Soothing Syrup for your child, and you will thank us for this advice.
