**Morton's Celebrated Gold Pens.**—Improvements made in the machinery for manufacturing Gold Pens, and secured to the subscriber by Letters Patent, have enabled him to overcome the many imperfections hitherto unavoidable in their production, and also to bring the cost within the reach of all. The writing public should know the following facts: Constant writing for six months is done cheaper with Gold Pens than with steel, therefore, it is economy to use Gold Pens. The Gold Pen remains unchanged by years of continued use, while the Steel Pen is ever changing by corrosion and wear; therefore, perfect uniformity of writing is obtained only by the use of the Gold Pen. The Gold Pen is always ready and reliable, while the Steel Pen must be often condemned and a new one selected; therefore, in the use of the Gold Pen there is great saving of time. Gold is capable of receiving any degree of elasticity, so that the Gold Pen is exactly adapted to the hand of the writer; therefore, the nerves of the hand and arm are not injured, as is known to be the case by the use of Steel Pens. He is now selling Gold Pens at prices varying from 25 cents to $1, according to size, the average wear of every one of which will far outlast a gross of the best Steel Pens. Sold by all dealers in the line throughout the country. Wholesale and retail at the store, No. 25 Maiden-lane, where all orders, inclosing cash or post stamps, will receive prompt attention; and a Pen or Pens corresponding in value, and selected according to description, will immediately be sent by mail or otherwise, as directed. Address
A. MORTON, No. 25 Maiden-lane, New-York.

## New Publications.

A GREAT NATIONAL WORK.

SOMETHING FOR EVERY CITIZEN, EVERY FIRESIDE, EVERY READER.

THE ONLY CORRECT AND COMPLETE HISTORY OF THE WAR.

On Wednesday, Aug. 21, will be published, the first number of a great popular national work, of inestimable value to all, viz: the

SOUTHERN REBELLION AND THE WAR FOR THE UNION.

A History of the Rise and Progress of the Rebellion, and Consecutive Narrative of Events and Incidents, from the first stages of the Treason against the Republic down to the close of the Conflict, together with the important Documents and Extracts from remarkable Speeches.

IN WEEKLY PARTS, 32 PAGES, LARGE OCTAVO, PRICE 10 CENTS.

The want of an AUTHENTIC and THOROUGH History of the Rebellion, for present reference and future preservation, is the subject of general remark. No work of that nature has yet been offered to the public, and all who wish for information are compelled to grope through the mazes of the rumors, reports, dispatches, letters, and editorials of the daily newspapers, to FRAGMENTARY, from its confused columns, the great facts and incidents of the struggle for the Union.

To meet this want, and to produce a work of PERMANENT VALUE AS WELL AS OF PRESENT INTEREST, the publisher has arranged for the issue of the History as above set forth—in a form and at a price which shall render it ACCEPTABLE TO ALL.

This History will tell the STORY AS IT IS, giving a clear, consecutive narrative of the entire movement, including all the incidents and events in their exact order, and containing the important documents and extracts from remarkable speeches. It will not be a mere diary, nor a mere enumeration of dry and naked dates, nor a compilation of slips from newspapers, but will portray, in connected and interesting narrative, the revolutionary steps, as well as the measures of the Government.

It will thus prove desirable, available, and satisfactory to every citizen, every family, every office, and is given to the public in the full assurance that it will command the approbation of every good citizen in our still glorious land.

To be had of all newsdealers, postmasters, and booksellers everywhere.

Subscribers sending ONE DOLLAR in a good bill or postage stamps to FREDERICK GERHARD, General Agent for the Publication, No. 81 Nassau-st. (Post Box No. 4,001) New-York City, to whom all orders are to be directed, will receive by mail, post paid, ten numbers.

Parties wishing to furnish their friends in Great Britain, California, Canada, and Australia, with the publication, post paid, by steamer, will send (for ten numbers), including the postage, to Great Britain, $2 20; to California, $1 10; to Australia, $2 20; to Canada, $1 10. In ordering copies the full and exact address, with town, county, and State, should be given in every instance. JAMES D. TORREY, Publisher, No. 13 Spruce-st., New-York.
