WEDDING AT BOWLUSVILLE.

Marriage of Miss Sallie Karg to Harrold Yake.

Miss Sallie Karg was married, Wednesday evening, December 23, at the handsome residence of her parents, Mr. and Mrs. Leonard Karg, near Bowlusville, to Harrold Yake, who lives near New Moorefield. Rev. J. T. Hale, of Xenia, performed the ceremony, assisted by the Rev. Mr. Knotte, of this city. There were about 200 guests present, and the gifts were numerous and handsome. The marriage was celebrated in the parlor, the bride and groom standing under an arch of evergreen, in the center of which was a white dove.

The supper was all that the most exacting could wish bountiful in supply and embracing all the delicacies and substantials of the season.

The bride was dressed in wine-colored silk and appeared charmingly.

The bride's cake—baked by Mrs. C. L. Robinson, of New Moorefield—was one of the handsomest of its kind, really a work of art.

Luther Young played the violin on this occasion, his sister, Miss Young, assisting on the organ, and R. C. Reinsberg played a march on the organ, while the bride and groom were passing from a room above to their place under the arch.

There were present from this city, among others, John H. Wilson, Phil. Wiseman, F. T. Darby, Miss Ida King, Miss Lizzie Lewis, Dr. Henderson and others were present from Urbana.

Mr. and Mrs. Yake will take no wedding tour, and will remain with Mr. and Mrs. Karg for the present.

Illegal.

The following appears in a local paper: Married, at the residence of Mr. Baughman, in La Rue, O., on the 13th inst., by the Rev. B. F. Zell, of Springfield, O., Mr. Milton H. Virden to Miss Louie Burke.

Abraham Kitchen has handed the GLOBE-REPUBLIC a copy of the Free Baptist, published at Minneapolis, which gives the proceedings of the Harmony quarterly meeting of the Free Will Baptist church, held at Newton, Ohio, November 1st, at which the following were adopted:

Whereas, the Rev. B. F. Zell has been found guilty of covenant breaking, etc., by a legally constituted council of Free Baptist ministers, and whereas the said Rev. B. F. Zell has not only failed to comply with the findings and sentence of said council, but has in defiance thereof, and in violation of denominational usage, continued to disturb the peace of our quarterly meeting, by unwarranted interference and agitation among the churches, therefore,

Resolved, That we, the delegates of the churches in the Q. M. assembled, do hereby demand and revoke the credentials of ordination of the Rev. B. F. Zell, and do now depose him from the ministry of the F. B. denomination, this the 1st day of Nov., 1884, at Newton, O.

Judge Miller, probate judge, was called upon, and said marriages performed by Mr. Zell were illegal, and made the following quotations from statutes:

Section 6286 of Revised Statutes of Ohio provides that a minister's license is continued only "so long as he shall continue a regular minister in such society or congregation."

Section 6392, R. S., provides that "if any person not legally authorized shall attempt to solemnize the marriage contract, such person shall, upon conviction thereof, forfeit and pay five hundred dollars to and for the use of the county wherein such offense was committed."

A Well-Deserved Tribute.

The Xenia Torchlight speaks of the transfer of the Xenia postoffice from the hands of Thomas G. Brown, now city editor of the GLOBE-REPUBLIC, to those of M. M. Gaunce, a democrat, and then says:

Mr. Brown has so long been connected with the postoffice, as assistant and chief, that it will seem strange not to see him there hereafter.

He has been a faithful and efficient officer and he retires with the good will and best wishes of the public. He is a good type of an "offensive partisan." His connection with the Torchlight last year during the presidential campaign was used against him by the applicants for the office. He had exerted his influence to secure Blaine's election and was, therefore, marked on the books as an "offensive partisan." He will now devote himself exclusively to the newspaper business. This may ultimately cause him to remove to Springfield, as he is connected with the GLOBE-REPUBLIC of that city.

Of this change the Xenia Gazette says:

Mr. Brown goes out of the office with honor, having filled the position for nearly seven years with credit to himself and satisfaction to the public.

LAGONDA NOTES.

Hugo Friedlander has sold one of his lots, in this place, to Martin Lauer.

Father Reed, one of our oldest citizens, fell on Sunday morning and bruised his face badly. He now carries a black eye.

B. F. Reed, one of our young men, is carrying his right hand in a sling since last week. The secret of the matter is: he was working with a horse, which became refractory; he, in a moment of passion, struck the horse in the head with his fist and was knocked out in the first round, straining his hand badly. He proposes next time to hit something softer than a horse's skull.

The Little family have a general gathering today (Thursday) at Van Wert, Ohio, to celebrate the golden wedding of the parents who live there. J. L. Little, Esq., and D. P. Little and families, with relatives from Madison and Greene counties, twenty-two in number, started at 3 p. m. on Wednesday for Van Wert. Each had provided a present for the venerable ancestors. A grand time is anticipated, relatives and friends from several states being expected.

MECHANICSBURG.

MECHANICSBURG, Dec. 24.—Tuesday night after the entertainment at the hall quite a large party of our young folks drove to the family of E. R. Moulton to attend a surprise upon its owner. They arrived there about 10 p. m. and found quite a company already gathered. Our male quartette was there, and the leader, Mr. Moody, is reported as figuring very conspicuously in the entertainment of the assembly. After enjoying themselves at great length, the party partook of the bounties already provided and wended their way homeward. There are nearly a hundred persons reported as being there.——C. R. Hunter shelled six ears of corn yesterday ready for shipment.——P. E. Colwell, st., bought the residence of Lester Hunt, on West Main street, for $1,500. A very cheap sale.——The Latin class of Miss Ida Bunker meets on Wednesday evening of each week. The class will adjourn, however, till after the holidays.——Master Tom Dobson is in a very critical condition from brain fever.——Already has the holiday purchasing begun, and our merchants are having a busy run of trade. It it to be hoped that it may continue.——Thomas and Edward Ware are at home from school at Adrian, Mich. They will remain throughout the holidays.——Miss Anna Seeva is at home for the holidays from Delaware.

Miss Essie Neal went to her home at Milford yesterday, where she will remain until the resumption of our school, which will occur the 4th of January, 1886.——The house of Mr. Rowan is completed and ready for occupancy. They will probably remove to it next Monday.——Mrs. W. N. Sidebottom will spend part of the holidays with her parents at Milford Centre.

The I. O. G. T. installed the following officers last evening to serve until Feb. 1, 1886: Jas. Conway, D. G. W. C. T.; Jas. Van Nostran, W. C. T.; Mahala Hinor, W. V. T.; Nettie White, R. S.; C. S. Burnsides, F. S.; Mrs. J. Burnsides, Treas.; Herman Owen, Marshal; Rebecca Wood, Chaplain; Enos Neer, I. G.; W. F. Nation, O. G.; Anna Nation, R. N. S.; Lucy Donley, P. W. C. T.——Mrs. J. P. Taylor and Miss Lizzie Alexander were in Springfield yesterday.

The Mayor's Mill.

Yesterday the following cases were disposed of by the mayor: Samuel Highland, loitering about a tippling house, $1 and costs; Red Glenn, William Doyle and John Welsh, same charge, $1 and costs; Leaf Steiner, common prostitute, $1 and costs; J. G. Josh, harboring lewd women, $1 and costs; Snow Murphy, resisting an officer, $1 and costs; Mike Boyer, drunk and disorderly, $1 and costs; W. B. Kneisly, drunk, $1 and costs, carrying concealed weapons, $5 and costs; William Holland, violation of the ten o'clock liquor ordinance, $45 and costs.

Bound Over.

Last evening Harry Ridenour was privately examined by Squire Stout and bound over to court in the sum of $400 on a charge of bastardy, preferred by Gertie McClade. The court room was well filled with men curious to hear the evidence in the case, but none was given, and they knew no more about it when it was over than when it began.

THIS AND THAT.

The teeth and the breath of all people of taste
Are spotless and sweet; but when running to waste
They show that their owners are lacking in sense,
For all can procure at a trifling expense
That SOZODONT, potent, whose virtues have shone
In the mouths of all classes—from cabin to throne.

A Toilet Essential.

Pomades and cosmetics may be dispensed with, but not so the Fragrant SOZODONT, the most wholesome and efficient article for the teeth that the world has ever known. Its popularity is immense. In the brown stone palace and the cottage, it is alike considered indispensable.

It is "never too late to mend" with SPALDING'S GLUE.

In China metals are strewn about the empire in profusion—enormous coal measures, prodigious deposits of iron, vast veins of copper, great tracts of galena, chrome, plumbago, cinnabar, cupreous nickel (white copper), zinc, pyrites, manganese, etc., are found in every section.

A Remarkable Tribute.

Sidney Ourchondoc, of Pittsburg, Pa., writes: "I have used DR. WM. HALL'S BALSAM FOR THE LUNGS many years with the most gratifying results. The relieving influence of HALL'S BALSAM is wonderful. The pain and rack of the body incidental to a tight cough, soon disappear by the use of a spoonful according to directions. My wife frequently sends for HALL'S BALSAM instead of a physician, and health is speedily restored by its use."

SOUTH CHARLESTON.

SOUTH CHARLESTON, Dec. 24.—Benjamin Woosley, one of the oldest and richest men in this township, was run away with, yesterday, Mr. Woosley being thrown out of the vehicle and dragged for some distance. One of his ribs was broken and he received other injuries.——Mrs. McCord, (nee Peterson), living about four miles southeast, is reported dying. She married Mr. McCord, of London, Ohio, one year ago. She took a severe cold, which resulted in quick consumption.

Never too Late to Mend.

When the system is so badly run down that it is like an old boat which has been half-soled and heeled several times, and mental shabbiness goes hand-in-hand with physical debility, then it might seem too late to try reoperation. No, sir! Not as long as you can get a bottle of Brown's Iron Bitters at the druggist's for just one dollar.

W. G. Marshall, ex-mayor of Xenia, has gone west and his creditors are said to be anxious for his return.

The Columbus, Hocking Valley and Toledo managers have opened a new and "quick" route to Charleston, West Virginia.

Henry Deweese was attacked by footpads near Piqua, O., badly beaten, robbed and thrown into the river. The ice was strong enough to prevent his sinking, and he was subsequently rescued.

LOCAL NOTICES.

General debility is a mighty poor sort of a general to be commanded by. Simply stated, general debility means feeblness, and is a common complaint among women, old and young. Among its causes are failure of the digestive functions to perform their office, slothfulness of the liver, abnormal condition of the kidneys, and other causes peculiar to females. There is but one remedy that will cure debilitated women from a burdensome existence—it is Mishler's Herb Bitters. Try it, you pale, emaciated sufferer. Our letter files show it has rescued thousands.

Credit is due the German women and physicians for first using Red Clover blossoms as a medicine. Best results are obtained when combined with other medicinal roots and herbs, as in Dr. Jones' Red Clover Tonic, which is the best known remedy for all blood diseases, stomach and liver troubles, pimples, costiveness, bad breath, piles, ague and malaria diseases, indigestion, loss of appetite, low spirits, headache and all diseases of the kidneys. Price 50 cents.

"Words fail to express my gratitude," says Selby Carter, of Nashville, Tenn., "for the benefits derived from Ayer's Sarsaparilla. Having been afflicted all my life with scrofula, my system seemed saturated with it. It came out in blotches, blears and nasty sores, all over my body." Mr. Carter states that he was entirely cured by Ayer's Sarsaparilla, and since discontinuing its use, eight months ago, has had no return of the scrofulous symptoms.

LADIES, Use Gilmore's Aromatic Wine for nervousness and sleeplessness. For sale by Theo. Troupe, druggist.

Stamping out Disease.—The Shakers believe that nearly all diseases can be prevented by maintaining perfect digestion. They never employ doctors because as soon as the digestion becomes impaired they take a few doses of the Shaker Extract of Roots (Stegel's Syrup) and health is the result, for it is a marvelous remedy for dyspepsia. Miss Hettie Hanck writes from Morgan Grove, Grayson county, Texas, August 2, 1884: "I am fifty years old this month, and I must say your medicine has proved a wonderful medicine to me. When I first received it I could not sleep nights, and I had a fluttering in the pit of my stomach. I could not bear my hand or the weight of my clothes on it. I had a throbbing and a roaring in my head. I was afraid if it continued I should lose my mind. I oftentimes thought I was too far gone to try anything, but your medicine has proved a blessing to me. The pain and miserable feeling in my head has gone. My head is clear and I sleep soundly every night. I can recommend it with pleasure. Who would not? You may use this letter if you like. It may fall into some hands afflicted as I was, and I am sure they can find relief in your medicine."

PROPER TREATMENT FOR COUGHS.

That the reader may fully understand what constitutes a good Cough and Lung Syrup, we will say that Tar and Wild Cherry is the basis of the best remedies yet discovered. These ingredients with several others equally as efficacious, enter largely into Dr. Bosanko's Cough and Lung Syrup, thus making it one of the most reliable now on the market. Price 50 cts. and $1. Samples free. Sold by Ad. Bakhaus & Co.

A Great Surprise.

Is in store for all who use Kemp's Balsam for the throat and lungs, the great guaranteed remedy. Would you believe that it is sold on its merits and that each druggist is authorized to refund your money by the proprietor of this wonderful remedy if it fails to cure you? Dr. T. J. Casper, druggist, has secured the agency for it. Price 50c. and $1. Trial size free.

CURE FOR PILES.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, bleeding and itching piles yield at once to Dr. Bosanko's Pile Remedy, which acts directly upon the parts effected, absorbs the tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Address, The Dr. Bosanko Medicine Co., Piqua, O. Sold by Ad. Bakhaus & Co.

Young Men Read This.

SCOTT'S EMULSION OF PURE

Cod Liver Oil, with Hypophosphites, is Excellent in Lung Troubles.

Dr. Enoch Calloway, Lafrange, Ga., says: "I have used Scott's Emulsion with wonderful success in all Lung troubles, also find it has no equal in Summer Diarrhœa of children."

The best on earth, can truly be said of Griggs' Glycerine Salve, which is a sure, safe and speedy cure for cuts, bruises, scalds, burns, wounds and all other sores. Will positively cure piles, tetter and all skin eruptions. Try this wonder healer. Satisfaction guaranteed or money refunded. Only 25 cents.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhœa, griping in the bowels, and wind colic. By giving health to the child it rests the mother. Price 25c. a bottle.

Travelers by Sea and Land.

Change of air and travel produces constipation, followed by headache and a general disarrangement of the system. The nauseated stomach gags at a pill, while mixtures sweet or acid are revolting. Nothing of this kind is ever complained of in taking Simmons Liver Regulator—purely vegetable, pleasant to the taste, and its operation upon the liver being perfect, at the same time so imperceptible that it interferes with neither business or pleasure.

ACHES! PAINS!

"I ache all over!" What a common expression; and how much it means to many a poor sufferer! These aches have a cause, and more frequently than is generally suspected, the cause is the Liver or Kidneys. No disease is more painful or serious than these, and no remedy is so prompt and effective as

MISHLER'S HERB BITTERS.

No remedy has yet been discovered that is so effective in all KIDNEY AND LIVER COMPLAINTS, MALARIA, DYSPEPSIA, etc., and yet it is simple and harmless. Science and medical skill have combined with wonderful success those herbs which nature has provided for the cure of disease. It strengthens and invigorates the whole system.

Hon. Thaddeus Stevens, the distinguished Congressman, once wrote to a fellow member who was suffering from indigestion and kidney disease, "Try Mishler's Herb Bitters. I believe it will cure you. I have used it for both indigestion and affection of the kidneys, and it is the most wonderful combination of medicinal herbs I ever saw."

Scrofula of Lungs Relieved.

I am now 18 years old, and have suffered for the last fifteen years with a lung trouble. Several members of the family on my mother's side of the house had died with consumption, and the doctors were all agreed in their opinion that I had consumption also. I had all the distressing symptoms of that terrible disease. I have spent thousands of dollars to arrest the march of this disease; I have employed all of the usual methods, not only in my own case, but in the treatment of other members of my family, but temporary relief was all that I obtained. I was unfit for any manual labor for several years. By chance I came into possession of a pamphlet on "Blood and Skin Diseases," from the office of Swift Specific Co., Atlanta, Ga. A friend recommended the use of Swift's Specific, claiming that he himself had been greatly benefited by its use in some lung troubles. I resolved to try it. About four years ago I commenced to take S. S. S. according to directions. I found it an invigorating tonic, and have used about fifty bottles. The results are most remarkable. My cough has left me, my strength has returned, and I weigh sixty pounds more than I ever did in my life. It has been three years since I stopped the use of the medicine, but I have had no return of the disease, and there are no pains or weakness left in my lungs. I do the hardest kind of mechanical work, and feel as well as I ever did since I was a boy. These, I know, are wonderful statements to make, but I am honest when I say that I owe my existence and health to Swift's Specific. It is the only medicine that brought me any permanent relief. I do not say that Swift's Specific will do this in every case, but most positively affirm that it has done this much for me, and I would be recreant to the duty I owe to suffering humanity if I failed to bear this cheerful testimony to the merits of this wonderful medicine. I am well known in the city of Montgomery, and can refer to some of the best citizens in the city. T. J. HOLT.
