Latest News from the United States.

By the bark D. C. Murray, which came in last evening, at 7 o'clock, we receive the following items of news, to the 14th ult. the date of the Murray leaving San Francisco.

Monday the 10th was the day appointed for the consideration of the Hawaiian treaty. A dispatch of the 11th says:

The opponents of the Hawaiian Treaty, taking advantage of the movement of the House other matters, from hour to hour, until in the absence of some of the friends who had gone to dinner, carried an adjournment in the face of a pending understanding that a vote should be taken last evening. There is a special order for to-day, and the bill naturally goes over without any date for further consideration. It will probably be the third, with a standing up contest, before it comes up for the regular order. Unless some arrangement is made it cannot be reached again for some time.

Business of the Senate Committee on Foreign Relations, commencing Feb. 29, 1876, by request of Don Manuel Quintero, minister of the Spanish Islands, and was assented, by the Hon. Secretary, the last time to wait on the Spanish Islands (Philippines) in the service of the United States, for another, if the case presents itself. The time was to expire on August, 1876, unless the United States, on the Spanish Islands, has begun and is in progress, or Spain engage to make such reparation, satisfactory to the United States, for the outrages on the Virginius.

The situation in Europe is settled, and the relations of Russia and Turkey are becoming cordial.

Twenty thousand Turks in South Turkey, Bulgaria, are to be disarmed by the Turkish Government.
