UNITED STATES LOAN
7 3-10 TREASURY NOTES.

OFFICE OF KETCHUM, SON & CO., No. 40 Exchange-place, } NEW-YORK, Sept. 20, 1861.

Pursuant to instructions from the Secretary of the Treasury, a Book will be opened on the 21st day of September, at the office of KETCHUM, SON & Co., No. 40 Exchange-place, for Subscriptions, under my superintendence, for Treasury Notes, to be issued under an act of Congress of July 17, 1861.

These notes will be issued in sums of $50, $100, $500, $1,000, and $5,000 each, dated 19th August, 1861, payable three years after date, to the order of the subscriber, or as directed, and bearing *interest at the rate of Seven and Three-Tenths per cent per annum, payable semi-annually*; such interest being at the rate of TWO CENTS PER DAY ON EVERY HUNDRED DOLLARS. For the convenience of the holder, each Note will have Coupons attached expressing the several amounts of Semi-Annual Interest, which Coupons may be detached and presented for payment separately from the Notes.

Subscriptions for such Treasury Notes will be received during Fifteen Days from the Day of Opening the Book as aforesaid. No subscription for less than Fifty Dollars, nor for any fraction of that sum, can be received. Subscriptions of Fifty Dollars or One Hundred Dollars must be paid in lawful coin of the United States at the time of subscribing. Subscriptions of more than One Hundred Dollars may be paid at once; or, if preferred, one-tenth of the whole amount on every twentieth day thereafter until the whole shall be paid. No payment of less than Fifty Dollars can be accepted, that being the smallest sum for which Treasury Notes can be issued.

Certificates will be granted in duplicate to subscribers for the amounts so paid, the original of which the subscriber will transmit by mail to the Secretary of the Treasury, when Treasury Notes as aforesaid, will be issued thereon, to such subscriber or his order, carrying interest as expressed in such certificate; but in cases where only a part of the amount subscribed is paid at the time of subscribing Treasury Notes will be issued only for the payments made subsequently to the first, which will remain until the whole amount subscribed by such person shall be paid, when Treasury Notes will be issued for such first payment also. On payment of each deferred installment, the subscriber will pay, in addition thereto, a sum equal to the interest accrued thereon from the 19th of August to the date of payment, and on final payment the interest on the amount paid on subscription, which payments of interest will be reimbursed to the subscriber in the payment of the first coupon.

The Treasury Notes issued upon such certificates by the Treasury will be sent to the subscribers by mail, or such other mode as may be indicated by them, when they transmit their original certificates. The duplicate certificates may be retained by them for their own security.

Medical.

MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New-England, and has been used with never-failing success in thousands of cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and vigor to the whole system.

It will almost instantly relieve griping in the bowels, and overcome convulsions, which, if not speedily remedied, end in death.

We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in children, whether it arises from teething, or from any other cause.

George A. Fowler, of Guilford, writes under date of June 10, 1860:

"Permit me to say, that Mrs. WINSLOW'S SOOTHING SYRUP has an unprecedented sale with me, since my customers have ascertained its merits. This is the first time, in a thirty-five years' drug business, that I have indorsed a medicine for intrinsic good qualities. I never, before this, wrote a recommendation of any patent medicine. I know not what its composition is, but I believe it is perfectly harmless and safe. I know it gives the greatest satisfaction to parents and nurses, affording relief and quietude, without any unpleasant effects attending its use. Yours, respectfully,

GEORGE A. FOWLER.

Mothers! Mothers!! Mothers!!! An old nurse for children. Don't fail to procure Mrs. WINSLOW'S SOOTHING SYRUP for Children Teething. It has no equal on earth. No mother who has ever tried

MRS. WINSLOW'S SOOTHING SYRUP

For Children will ever consent to let her child pass through the distressing and critical period of teething without the aid of this invaluable preparation. If life and health can be estimated by dollars and cents, it is worth its weight in gold.

Millions of bottles are sold every year in the United States. It is an old and well-tried remedy.

David Miller, of Clarence, New-York, writes, under date of June 15, 1860:

"We have a child three months old, which has screamed almost incessantly with a spasmodic affection of the bowels, so that we had despaired of ever raising it. Its stomach was sour, bowels deranged, and almost every symptom was unfavorable, until we obtained a bottle of the SOOTHING SYRUP, which acted like a charm. It immediately became quiet, and now manifests every symptom of improvement and comfort. It is now as good as a little kitten, playful and smiling, and seems entirely well. All of which we ascribe to the use of Mrs. WINSLOW'S SOOTHING SYRUP. Yours, respectfully,

"DAVID MILLER."

To every mother who has children suffering from any of the complaints incident to the period of teething, we say, Do not let your own prejudices, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of Mrs. WINSLOW'S SOOTHING SYRUP.

The following is an extract from a letter written by the Rev. C. Z. Weiser to *The German Reformed Messenger*, at Chambersburgh, Penn.:

"Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the nursery. Of this we are so sure, that we will teach our 'Busy' to say, 'A Blessing on Mrs. Winslow'—for helping her to survive and escape the griping, collicating and teething siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your 'Cordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is drugged into stupidity, and rendered dull and idiotic for life!
