Medical.

AYER'S SARSAPARILLA.

A new Combination of Remedies, affording a more effectual *alterative* and more reliable medicine than has ever before been obtained. By its peculiar virtues, which stimulate the vital functions of the body and thus aid in the production of richer and purer blood, it restores the healthy actions of the system, and overcomes diseases. It stimulates the depurating organs to expel the impurities which accumulate in the circulation and burst out in pimples and ulcers, or are deposited in the *Liver, Kidneys, Lungs*, or other internal viscera, producing settled and dangerous disease. It removes the cause of disease, and health is sure to follow. The subjoined complaints, although of many names, are of one origin—impurity of the blood, and consequent depression of the vital forces. Purify or renovate the blood, and you cure them:

How to do it with AYER'S SARSAPARILLA: For *Pimples, Pustules, Blotches, Eruptions*, and all Diseases of the Skin, take the SARSAPARILLA in moderate but constant doses, until they disappear.

For *St. Anthony's Fire, Rose*, or *Erysipelas, Tetter* and *Salt Rheum, Scald Head, Ring Worm*, &c., take the SARSAPARILLA as above, but also keep the affected part clean, cool, and free from irritation; dust it with flour, or arrowroot, or powdered starch, and it is well to take occasionally some mild purgative.

For *Scrofula* and *Scrofulous Affections*, such as *Tumors, Ulcers, Sores*, and all its various manifestations, whether internal or external, take the SARSAPARILLA in liberal doses until its constitutional effect removes the complaint. It will often aggravate the disorder for a few days, and then the latter should begin to disappear. In obstinate cases which are not entirely cured after some weeks of trial, discontinue the SARSAPARILLA for a week. It will be more effectual when you recommence taking it. A mild purgation may be sometimes required. *Bad Ulcers* and *Swellings* should have careful local treatment, which is described in *Ayer's Almanac*, which see. The severest forms of Scrofulous Disorder have been constantly and completely cured by this remedy. It produces new and healthy blood, in place of that which was corrupted by disease.

For *Uterine Ulceration, Leucorrhea, or Whites*, and *Female Diseases*, the SARSAPARILLA should be taken in doses adapted to the constitutional strength of the patient, and constant cleanliness observed to help the cure. Local applications are sometimes indispensable, which your physician will best direct.

For *Syphilis* and *Mercurial Disease*, the SARSAPARILLA must be taken freely and long. These complaints often require the fullest constitutional impression from the medicine, and even then yield slowly. They are very obstinate. Both complaints have been considered incurable, but this compound does surely cure them.

Rheumatism, Liver Complaint, Dyspepsia, Heart Disease, Fits, Epilepsy, and *Neuralgia*, are often caused by the internal effects of the Scrofulous contamination. Remove it and you cure them.

Enlargement, Ulceration, Caries, and *Exfoliation of the Bones*, are often caused by latent Scrofula in the system. Purge it out from the blood with AYER'S SARSAPARILLA, and see how rapidly they are cured.

Sore Eyes, Discharges from the Ears, and the ulcerations around the mouth, nose, &c., in children, which are the bursting out of Scrofula in their blood, are soon dispersed by expelling the disorder itself with this SARSAPARILLA. The pale, sickly appearance of children often arises from digestion disordered by the same cause. Use the same cure. Scrofula is the parent disorder from which a great variety of complaints originate in both adults and children. Expel the Scrofula from the system with AYER'S SARSAPARILLA, and the complaints at once disappear.

We know the public have been deceived by many compounds of SARSAPARILLA that promised much and did nothing, but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any which has hitherto been available to them.

Prepared by J. C. AYER, M. D., Lowell, Mass., and sold by Druggists everywhere.

MRS. WINSLOW'S SOOTHING SYRUP for CHILDREN TEETHING.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New-England, and has been used with never-failing success in thousands of cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and vigor to the whole system.

It will almost instantly relieve griping in the bowels, and overcome convulsions, which, if not speedily remedied, end in death.

We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in children, whether it arises from teething, or from any other cause.

George A. Fowler, of Guilford, writes under date of June 12, 1860:

"Permit me to say, that Mrs. WINSLOW'S SOOTHING SYRUP has an unprecedented sale with me since my customers have ascertained its merits. This is the first time, in a thirty-five years' drug business, that I have endorsed a medicine for intrinsic good qualities. I never, before this, wrote a recommendation of any patent medicine. I know not what its composition is, but I believe it is perfectly harmless and safe. I know it gives the greatest satisfaction to parents and nurses, affording relief and quietude, without any unpleasant effects at tending its use. Yours, respectfully, GEORGE A. FOWLER.

Mothers! Mothers!! Mothers!!! An old nurse for children. Don't fail to procure Mrs. WINSLOW'S SOOTHING SYRUP for Children Teething. It has no equal on earth. No mother who has ever tried

MRS. WINSLOW'S SOOTHING SYRUP

For Children will ever consent to let her child pass through the distressing and critical period of teething without the aid of this invaluable preparation. If life and health can be estimated by dollars and cents, it is worth its weight in gold.

Millions of bottles are sold every year in the United States. It is an old and well-tried remedy.

David Miller, of Clarence, New-York, writes, under date of June 13, 1860:

"We have a child three months old, which has screamed almost incessantly with a spasmodic affection of the bowels, so that we had despaired of ever raising it. Its stomach was sour, bowels deranged, and almost every symptom was unfavorable, until we obtained a bottle of the SOOTHING SYRUP, which acted like a charm. It immediately became quiet, and now manifests every symptom of improvement and comfort. It is now as good as a little kitten, playful and smiling, and seems entirely well. All of which we ascribe to the use of Mrs. WINSLOW'S SOOTHING SYRUP. Yours, respectfully, "DAVID MILLER."

To every mother who has children suffering from any of the complaints incident to the period of teething, we say, Do not let your own prejudices, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of Mrs. WINSLOW'S SOOTHING SYRUP.

The following is an extract from a letter written by the Rev. C. Z. Weiser to *The German Reformed Messenger*, at Chambersburgh, Penn.:

"Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the nursery. Of this we are so sure, that we will teach our 'Susy' to say, 'A blessing on Mrs. Winslow'—for helping her to survive and escape the griping, colicking and teething siege. We confirm every word set forth in the prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your 'Cordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is dragged into stupidity, and rendered dull and idiotic for life!

"We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her as she is, a physical saviour to the Infant Race."
