Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

Dr. J. S. HOUGHTON'S

THE TRUE

DIGESTIVE FLUID,
OR, GASTRIC JUICE.

Prepared from Rennet, on the fourth stomach of the ox, after directions of Baron Liebig, a great Physiological Chemist, by J. S. Houghton, M. D., of Philadelphia.

"DIGEST" This is the true solvent of Nature. It is the chief element, or great digesting principle of the Gastric Juice—the solvent of the food, the purifier, preserver, and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the ox, thus forming a true digestive fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it.

This is Nature's own remedy for all unhealthy stomachs. No art of man can equal its curative powers. It contains no alcohol, bitters, acids, or poisonous drugs. It is entirely agreeable to the taste, and may be taken by the most fastidious without cannot eat a white cracker without the most acute distress. Beware of drugged imitations. Pepsin is not a drug.

Half a teaspoonfull of Pepsin infused in water, will digest or dissolve five pounds of roast beef in about two hours out of the stomach.

Scientific Evidence!

☞ The Scientific evidence upon which this remedy is based is of the highest degree curious and remarkable.

Call on the agent and get a descriptive circular, gratis, giving a large amount of scientific evidence, from Liebig's Animal Chemistry; Dr. Combe's Physiology of Digestion; Dr. Pereira on Food and Diet; Dr. John W. Draper, of New York University; Prof. Dunglison's Physiology; Prof. Stillman, of Yale College; Dr. Carpenter's Physiology, &c., together with reports of cures from all parts of the United states.

Pepsin in Fluid and Powder.

Dr. Houghton's Pepsin is prepared in Powder and in Fluid Form—and in Prescription vials for the use of Physicians. The powder will be sent by mail, free of postage, for one dollar, sent to Dr. Houghton, Philadelphia.

☞ CAUTION!!—Every bottle of the genuine Pepsin bears the written signature of J. S. Houghton, M. D., the sole proprietor, Philadelphia, Pa. Copy right and Trade Mark secured. Sold by all druggists and dealers in medicines. Price, ONE DOLLAR, per bottle.

MEXICAN MUSTANG LINIMENT.

THE reputation of this preparation is increasing daily, the circle of its influence and unbounded popularity is deepening and widening; and the cases of pain, and suffering, and anguish, relieved by its use are multiplying and increasing beyond all precedent. It goes like an angel, "with healing on its wings."

To prove to those who wish, we can furnish names and residences of persons all over the country, who have been cured of Rheumatism, Spraining, Bruising, and the most loathsome Sores, as well as Tumors, Cancers, and Wens—and of horses that have been cured of Spavins, Ringbones, Splint, Fistulas and Poll-evill, and had many Tumors on the foot, legs, shoulders and back. Almost every farmer throughout the country can testify to its wonderful healing powers—and none of them would be a day without it. Owners of livery stables and stage companies can save hundreds of dollars yearly by using this Liniment on their horses whenever they become galled, chafed or crippled from any of the thousand accidents to which their stock is subject.

Large Lumps or Tumors

formed on the sides of her neck and under her jaws. Four weeks ago they commenced using the Mustang Liniment on her. In two weeks the contracted muscles were relaxed, the lumps had all disappeared, the neck became straightened, and

The Head was Erect!

Mrs. B. of St. Louis, was nursing a young child, one nipple became very sore, and the

Breast Inflamed and Caked Hard.

A few applications of the Mustang Liniment healed the nipple, removed the hardness and inflammation from the breast, and she had no further trouble with it. Numerous cases of this description have come to our knowledge
