Medical.

MRS. WINSLOW'S SOOTHING SYRUP for CHILDREN TEETHING.
This valuable preparation is the prescription of one of the most experienced and skillful nurses in New-England, and has been used with never-failing success in thousands of cases.
It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and vigor to the whole system.
It will almost instantly relieve griping in the bowels, and overcome convulsions, which, if not speedily remedied, end in death.
We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in children, whether it arises from teething, or from any other cause.
George A. Fowler, of Guilford, writes under date of June 12, 1860:
"Permit me to say, that Mrs. WINSLOW'S SOOTHING SYRUP has an unprecedented sale with me, since my customers have ascertained its merits. This is the first time, in a thirty-five years' drug business, that I have endorsed a medicine for intrinsic good qualities. I never, before this, wrote a recommendation of any patent medicine. I know not what its composition is but I believe it is perfectly harmless and safe. I know it gives the greatest satisfaction to parents and nurses, affording relief and quietude, without any unpleasant effects at tending its use. Yours, respectfully,
GEORGE A. FOWLER.
Mothers! Mothers!! Mothers!!! An old nurse for children. Don't fail to procure Mrs. WINSLOW'S SOOTHING SYRUP for Children Teething. It has no equal on earth. No mother who has ever tried
MRS. WINSLOW'S SOOTHING SYRUP
For Children will ever consent to let her child pass through the distressing and critical period of teething without the aid of this invaluable preparation. If life and health can be estimated by dollars and cents, it is worth its weight in gold.
Millions of bottles are sold every year in the United States. It is an old and well-tried remedy.
David Miller, of Clarence, New-York, writes, under date of June 13, 1860:
"We have a child three months old, which has screamed almost incessantly with a spasmodic affection of the bowels, so that we had despaired of ever raising it. Its stomach was sour, bowels deranged, and almost every symptom was unfavorable, until we obtained a bottle of the SOOTHING SYRUP, which acted like a charm. It immediately became quiet, and now manifests every symptom of improvement and comfort. It is now as good as a little kitten, playful and smiling, and seems entirely well. All of which we ascribe to the use of Mrs. WINSLOW'S SOOTHING SYRUP.
Yours, respectfully, "DAVID MILLER."
To every mother who has children suffering from any of the complaints incident to the period of teething, we say, Do not let your own prejudices, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of Mrs. WINSLOW'S SOOTHING SYRUP.
The following is an extract from a letter written by the Rev. G. Z. Weiser to *The German Reformed Messenger*, at Chambersburg, Penn.:
"Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the nursery. Of this we are so sure, that we will teach our 'Susy' to say, 'A Blessing on Mrs. Winslow'—for helping her to survive and escape the griping, colicking and teething siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your 'Cordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is drugged into stupidity and rendered dull and idiotic for life!
"We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her as she is, a physical saviour to the Infant Race."
