The Numbers from 1 to 50,000, corresponding with those Numbers on the Tickets printed on separate slips of paper, are encircled with small tin tubes and placed in one Wheel.

The first 368 Prizes, similarly printed and encircled, are placed in another Wheel.

The wheels are then revolved, and a number is drawn from the Wheel of Numbers, and at the same time a prize drawn from the other wheel. The No. and prize drawn out are opened and exhibited to the audience, and registered by the Commissioners; the Prize being placed against the Number drawn. This operation is repeated until all the prizes are drawn out.

Watson's Ten Dollar Sewing Machine

A Warning to the Public!

This machine, as stated below is a counterfeit, and all persons are hereby cautioned against selling, buying, or using them. Whenever and wherever they are found the law will be strictly enforced. All parties using these machines, as well as those who vend them, make themselves liable for damages.

About the 20th day of August, 1856, I was employed by Messrs. Watson, Wooster & Co., composed of Wm C. Watson, Morris Knight, and Geo H. Wooster, to manufacture Sewing Machines, which were known as the "Watson Ten Dollar Sewing Machine." That thereafter I received a notice from the counsel of O. B Potter and N. Wheeler; mentioned in the annexed copy of injunction, informing me that these Machines were an infringement upon Letters Patent which they owned, and that suits would be instituted against me, unless I should otherwise settle with them. The notice I handed to Mr. Wooster, one of my employers.

I then made investigations to ascertain the facts and found that said Machine, as I believed, was an infringement of said Patent, and I informed said Watson that such was my opinion.

Subsequently a suit was commenced against me by said Potter and Wheeler, and immediately thereafter I so informed Mr Watson, and requested him to take charge of the defence of the same, and he refused to do so, and I then told him that I would have nothing more to do with it, and I then ceased to make the Machines; and the injunction, a copy of which is hereto annexed, was issued and served upon me. JOEL CHASE.

Dated New York, Feb 11th, 1857.

In presence of Miles B. Aurous.

I do hereby certify that the above statement, subscribed by me, is correct and true.

JOEL CHASE.

UNITED STATES OF AMERICA,
CIRCUIT COURT OF THE U. STATES,
SECOND CIRCUIT FOR THE SOUTHERN DISTRICT OF NEW YORK.

IN EQUITY.

The President of the United States of America to Joel Chase, *his Attorneys, Servants, Agents, and Workmen, each and every of them,*

GREETING—

Whereas it hath been represented to us in our Court Court of the United States, for the Southern District of New York, sitting as a Court of Equity, on the part of Orlando B. Potter and Nathaniel Wheeler, Complainants, that they, the said Orlando B. Potter and Nathaniel Wheeler, have lately exhibited their Bill of Complaint against you, the said Joel Chase, the defendant, to be relieved touching matters therein complained, in which bill it is, among other things, set forth, that you, the said defendant, are violating and threatening to violate certain exclusive rights and privileges vested in said complainants, for constructing, making, selling, and vending to others to be used, certain improvements in sewing Machines, and that the actings and doing of you, the said defendant, are contrary to Equity and good conscience; we, therefore, in consideration of the premises, do strictly, and until the further orders of this Court, enjoin and command you, the said Joel Chase, and your Attorneys, Servants, Agents, and Workmen, and each and every one of them, under the penalty thereof, that you, and each of you, do from henceforth, altogether, absolutely and until the further order of this Court, desist and refrain from directly or indirectly, constructing, making, working, using, selling, or putting into practice or operation, or in any wise counterfeiting or imitating the invention or improvement belonging to said complainants, and described, claimed, and set forth in certain Letters Patent of the United States, reissued to A. B. Wilson, and bearing date the 22d day of January, 1856, and now owned by the complainants, and from in any way or manner interfering with the rights of said complainants under said Patent, and from in any way or manner violating or infringing said Letters Patent, or any part thereof.

Witness the Hon. ROGER B. TANEY, Chief Justice of the Supreme Court of the United States at the City of New York, in said District, this the 27th day of September, in the year of our Lord one thousand eight hundred and fifty-six.
