BLOCH BROS.

We don't want to waste any words about the *extent or perfect assortment* of our Stock of Goods. The merest superficial glance of our kind patrons, who favor us with a visit, will suffice to convince the most skeptical that our stock is the most **Complete** in this section, containing everything in the different branches of

Dry Goods, Clothing, Furnishing Goods, Boots, Shoes, Hats, Notions, etc., etc.,

That can possibly be asked for.

We have purchased direct from the various **Manufacturers, for Cash,** thereby obtaining our Goods at **Bottom** figures.—This enables us to sell at the very **Lowest Margin.**

Our experience during the past Sixteen years and the knowledge of the wants of this market, encourage us to hope for, and solicit, your generous patronage.

We sell prints from 10c. up; crash 12½c.; Towels 20c. and up; Bleached and Brown Cottons 12½c. and up, and all other articles in like proportion.

Thanking you for the kind patronage heretofore extended to us, we shall endeavor by strict and prompt attention to merit a continuance of the same.

CARRIAGES &c.

We are still manufacturing for the trade and to order our fine article of **Buggies, Rockaways, Light Spring Wagons and Light Democrat Wagons for Family use.** We do not keep any "imported" work, but only that made by ourselves. We ask the public to call and examine our work and see how it is put together and of what material it is made, as we use the best stock and employ the most competent workmen.

Repairing done with neatness and dispatch.

SAM. BROCKMAN'S

CARRIAGE, BUGGY AND WAGON REPOSITORY,

Franklin Street, CLARKSVILLE, TENN.

I would call the attention of my friends and the public to my large stock of Buggy, Carriage and Wagon work now on hand, direct from the factories of Busbey, Little & Co. and R. Hayes & Co., Wheeling, Va., embracing all their various styles, from the finest Phaeton to a skeleton sulky, including their celebrated **New Style Prince Albert Family Buggy,** which for comfort, ease and convenience, stand at the head of all Buggies, and their Steel Tire Light work, for young men, fast driving, etc. I challenge the Buggy world for its superior.

In reference to workmanship, style, guarantee, etc., I will say that I have, during the last sixteen years, sold in Southern Kentucky and this State, over three hundred jobs of this work, and to those who have bought and used it, including the livery men of this city, I would refer you, being willing that the work shall answer for itself. With this understanding, if you or your friends should buy any of this work, and by fair usage it fails to give satisfaction, you will confer a special favor on the manufacturers by calling on me and having it repaired by Baker & Bro., of this city, at their expense, or permit me to REFUND YOUR MONEY UNTIL YOU ARE SATISFIED.

Prices as low as any first-class work in any western city.

SAM. BROCKMAN.

Sole Agent for Southern Kentucky and Middle Tennessee.

P. S.—I would caution my friends and the public against peddlers and irresponsible parties claiming to sell this work. The manufacturers have but one agency for Southe Kentucky and Middle Tennessee.

Annual Assessment of Incomes and Special Taxes.

ASS'T ASSESSOR'S OFFICE,
CLARKSVILLE TENN., March 5th 1868.

Under existing laws it is made the duty of any and every person liable to annual tax, on or before the first day of March in each year, to make the proper return to the Assistant Assessor of the division in which he resides.

The Assistant Assessor of this division will furnish tax payers with the proper blanks, and all needful information. Failure to make returns at the proper time renders the tax payer liable to a penalty of fifty per cent.; and a false return renders him liable to a penalty of one hundred per cent. Tax payers are required by law to make returns at the proper time *without official notice,* and the Assistant can not officially know that a person has no income except upon a return being made in accordance with law.
