Medical.

MOTHERS! MOTHERS!! MOTHERS!!!—Don't fail to procure MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING. It has no equal on earth. No mother who has ever tried MRS. WINSLOW'S SOOTHING SYRUP will consent to let her child pass through the distressing and critical period of teething without the aid of this invaluable preparation. If life and health can be estimated by dollars and cents, it is worth its weight in gold.

Millions of bottles are sold every year in the United States. It is an old and well-tried remedy.

"We have tried it, and know it to be all it claims."—Rev. J. S. Holme, Pastor of the Pierrepont-st. Baptist Church, Brooklyn, N. Y.

"We use MRS. WINSLOW'S SOOTHING SYRUP daily, and would advise all parents to procure a supply."—Rev. Aaron Jones, jr., Editor of The Mississippi Baptist, published at Jackson.

We will teach our "Susy" to say, "A Blessing on Mrs. Winslow"—for helping her to survive and escape the griping, colicking, and teething clegs. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your "Cordial," "Paregoric," "Drops," "Laudanum," and every other "Narcotic," by which the babe is drugged into stupidity, and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her "Soothing Syrup for Children Teething." If we had the power, we would make her, as she is, a physical savior to the infant race.

Rev. C. Z. Weiser, to the "German Reformed Messenger," at Chambersburg, Penn.

"We have spoken of this Syrup for the benefit of our readers who are parents. We know its good value, and have experienced some of the rich blessings which result from its use."—Rev. Sylvanus Cobb, "Boston Christian Freeman."

"Mrs. WINSLOW'S SOOTHING SYRUP has an unprecedented sale with me, since my customers have ascertained its merits. This is the first time, in a thirty-five years' drug business, that I have indorsed a medicine for intrinsic good qualities. I know it gives the greatest satisfaction to parents and nurses, affording relief and quietude, without any unpleasant effects attending its use.

"GEORGE A. FOWLER of Guilford."

"We have a child three months old, which has screamed almost incessantly with a spasmodic affection of the bowels, so that we had despaired of ever raising it. Its stomach was sour, bowels deranged, and almost every symptom was unfavorable, until we obtained a bottle of the SOOTHING SYRUP, which acted like a charm. It immediately became quiet, and now manifests every symptom of improvement and comfort. It is now as good as a little kitten, playful and smiling, and seems entirely well. All of which we ascribe to the use of Mrs. WINSLOW'S SOOTHING SYRUP.

"DAVID MILLER of Clarence, New-York."

"I am happy to be able to certify to the efficiency of MRS. WINSLOW'S SOOTHING SYRUP, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest, and at night by his cries would not permit any of the family to do so, I purchased a bottle of the Soothing Syrup; its effect upon him was like magic; he soon went to sleep, and all pain and nervousness disappeared. We have had no trouble with him since, and the little fellow will pass through with comfort the excruciating process of teething, by the sole aid of Mrs. WINSLOW'S SOOTHING SYRUP. Every mother who regards the health and life of her children, should possess it.

"Mrs. H. A. ALGER, Lowell, Mass."
