HAVANA SUGAR ITEMS.

An agreement has been signed by all the prominent merchants of Havana, to go into effect on the first of the present month, in relation to weights and tares of sugars in boxes and hogsheads, in order to obtain uniformity throughout the island, and also to correspond with the customs of foreign markets. They agree not to buy Muscovado sugars unless the hogsheads are refilled when the weight is less than sixty arobes, or fifteen hundred pounds. The filling up will be for account of vendor, and the empty hogsheads will be at his disposition. The expenses of the filling and cooperage will be paid by the purchaser. The value of the hogshead to be $4 12½ each, if deposited in the warehouses, but if stored at points involving more expense in shipping, the price will be $4 5 0. The tare will remain at twelve per cent. gross weight. For receiving and weighing sugars fifteen days will be allowed, counting from the date of the order for delivery. The tare on each box of sugar will be fifteen per cent. from the gross weight after deducting the weight of the case hooks.

DR. JOHN BULL

MANUFACTURER AND VENDER OF THE

Celebrated

SMITH'S TONIC SYRUP

FOR THE CURE OF

AGUE AND FEVER

OR CHILLS AND FEVER.

THE proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the *safe, certain, speedy and permanent cure* of Ague and Fever, or Chills and Fever whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of **Bull's Vegetable Family Pills** will be sufficient.

BULL'S

WORM DESTROYER

—o—

To My United States and World-Wide Readers:

I HAVE received many testimonials from professional and medical men, as my almanacs and various publications have shown, all of which are genuine. The following from a highly educated and popular physician in Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of **Bull's Worm Destroyer:**

Villanow, Walker County, Ga.,
June 29, 1866.

DR. JOHN BULL—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished-for effect. I am doing a pretty large county practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authorities that is so certain and speedy in its effects. On the contrary, they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the *regular* line discarding a remedy which we know to be sufficient, simply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and every means to alleviate suffering humanity which I may be able to command—not hesitating because some one more ingenious than my self have learned its effects first, and secured the sole right to secure that knowledge. However, I am by no means an advocate or supporter of the thousand of worthless nostrums that flood the county, that purport to cure all manner of diseases to which flesh is heir. Please reply soon, and inform me of your best terms.

I am, sir, very respectfully,
JULIUS P. CLEMENT, M. D.

SARSAPARILLA

—o—

A GOOD REASON FOR THE CAPTAIN'S FAITH.

—o—

Read the Captain's Letter and the Letter from his Mother:

Benton Barracks, Mo., April 30, 1866.

DR. JOHN BULL—Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in anything else. I wish that that is genuine. Please express me a half dozen bottles, and oblige CAPT. C. P. JOHNSON,
St. Louis, Mo.

P. S.—The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson:

DR. JOHN BULL—Dear Sir: My husband, Dr. C. S. Johnson, was a skillful surgeon and physician in Central New York, where he died, leaving the above C. P. Johnson in my care. At thirteen years of age, he had a chronic diarrhea and scrofula, for which I gave him your Sarsaparilla. IT CURED HIM. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. *The cures effected in some cases of scrofula and fever sores were almost miraculous.* I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover. Respectfully,
JENNIE JOHNSON.

CEDRON BITTERS!

AUTHENTIC DOCUMENTS.

Arkansas heard from

Testimony of Medical Men.

Stony Point White Co., Ark. May 23, '66.

Dr. John Bull—Dear Sir: Last February I was at Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bitters.

My son-in-law, who was with me in the store, has been down with the rheumatism for some time, commenced on the Bitters, and soon found his general health improved.

Dr. Gist, who has been in bad health, tried them, and he also improved.

Dr Coffee, who has been in bad health for several years—*stomach and liver* affected—he improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicine this fall especially the Cedron Bitters and Sarsaparilla. Ship me six Memphis care of Rickett & Neely. Respectfully,
C. B. WALKER.
