Special Notices.

Appeal of the Association for Improving the Condition of the Poor.—In no previous Winter has there been an expression of public concern for the poor in our city, than the present; yet never before were certain classes of the poor in greater need of aid. While the indigent families of soldiers are amply provided for by the allotment system and the liberality of our City Government, the residue of the needy, though the most numerous and pitiable of the destitute, have by many been overlooked. More than EIGHT THOUSAND of this unfortunate class (18,449) are now on the Visitors' lists; and with the contractions of labor, as the Winter advances, the numbers steadily increase. With this immense mass of destitution to care for, the treasury of the Association is now overdrawn several thousand dollars, and, unless speedily replenished, extensive suffering will inevitably ensue. Up to the present time, the receipts are more than THIRTY PER CENT LESS than at the corresponding period of last Winter. This has been occasioned, it is believed, by no decrease of interest in the poor, but by the impression that funds were not needed, and by diminished ability to give. On this brief statement the Board rest their appeal. They plead not for the idle and dissolute, but for the unfortunate and deserving who have been brought to want by unavoidable calamities. No relief is given without previous visitation, nor continued longer than the necessity for it exists. Trying then as are the times, shall the needy who are thus providentially thrown upon our charity be left to suffer, perhaps to perish? Will not those give who have given before, and those who have not given give the more? O, give freely, give unstintedly, to meet the present pressure—and this shall it be measured to you again.
Contributions may be sent to BROWN BROTHERS & Co., No. 49 Wall-st.; R. S. MINTURN, Treasurer, No. 79 Broadway; R. M. HARTLEY, No. 39 Bible House, Astor-place; or to any of the officers or authorized Collectors. By order of the Board.
