IN THE OLD WIGWAM GAMBLING HOUSE
Our old friend, Charlie Bowie taught us that it was not money we wanted when we bucked the "tiger" and the roulette wheel. He said it was the product of someone's work that we wanted, it was not the money. Now you can deposit any product of value at the Myrtle Trading Place, and check on us for it as you would for the money at the bank, then your check is backed by the same product that backs gold, silver, greenbacks, stocks, bonds, etc. Your own check becomes currency and you are relieving the pressure on your poor old banker that is being so roundly cussed just now. The Republican governor of Kansas and the editor of a Socialist paper lie down together and fall for our plan. They both acknowledge they can carry our warehouse receipt in their pocket, but they can't carry a car load of hay. Phone 3162 and see if we've got what you want. We don't run a delivery wagon no more than a bank does. Our small commissions do the business.
