THE EARL'S HEIRS!
A NEW COPYRIGHT NOVEL.
BY AUTHOR OF "EAST LYNNE."
AND SUPERIOR TO IT.
THE EARL'S HEIRS!
THE EARL'S HEIRS!
BY AUTHOR OF "EAST LYNNE!"

THE EARL'S HEIRS. A Tale of Domestic Life. By the author of "EAST LYNNE," is published this day, in a large octavo volume of 200 pages, large type, double column, and printed on the finest and best of white paper. Price Fifty Cents in paper cover, or Seventy-five cents in cloth.
Published by
T. B. PETERSON & BROTHERS,
No. 306 CHESTNUT-ST., PHILADELPHIA.

Read what the Editor of the Philadelphia Evening Bulletin says of it in that paper editorially, on March 6th, 1862:

"THE EARL'S HEIRS."

A new novel from the pen of Mrs. Ellen Wood, the talented authoress of that most successful sensation novel, "East Lynne," is just published by Messrs. T. B. Peterson & Brothers, as announced in our advertising columns. It is called "The Earl's Heirs; a Tale of Domestic Life." We have seen an advance copy of it in the proof sheets, and can safely predict that it will have even a greater success than "East Lynne." It has not yet appeared in England, the Messrs. Peterson having purchased it from the authoress before publication in that country. The incidents are highly dramatic; the plot is ingenious and original; the dialogue is natural, and the descriptions are vivid and picturesque. "The Earl's Heirs" will create an excitement, and an immense edition will be sold. The earliest orders will, of course, be the first supplied.

Read what the Editor of the Philadelphia Inquirer says of it in that paper, editorially, on March 6th, 1862:

"THE EARL'S HEIRS."

The talented authoress, Mrs. Ellen Wood, has just presented to the public a new novel, entitled "The Earl's Heirs; a Tale of Domestic Life." Everybody recollects what a sensation her former work, "East Lynne" created. We have perused a copy of the proof-sheets of the "Earl's Heirs," just issued by T. B. Peterson & Brothers, and are confident that its reception by the public will be very flattering to the deserving authoress. The plot unites novelty, ingenuity, and plausibility; the dialogues combine vivacity with naturalness; while the incidents and descriptions are rendered with great dramatic power, stamping the work as a rare conception of genius. The Messrs. Peterson having with their customary enterprise, produced this work in advance of the English publishers, present their patrons with the only edition that can be issued in this country, and far in advance even of its publication in Europe.

Read what Dr. R. Shelton Mackenzie, the Literary Editor of Forney's Press, says of it editorially in that paper on March 6, 1862:

"THE EARL'S HEIRS."

All of a sudden, Mrs. Henry Wood, an English novelist, has followed the example of Lord Byron, who woke up one morning and found himself famous. This was after the publication of "Childe Harold," and Mrs. Wood's celebrity dates from the appearance of a novel called "East Lynne," which we noticed, with high commendation, a few months ago. The book got read, spoken about, praised, and purchased in England, and just when public excitement about it had somewhat subsided, out came The Times with a long and laudatory critique, which, we learn without any surprise, immediately caused a demand for a new edition, so completely does that newspaper influence the mind of England. The reading world knows nothing to this hour of Mrs. Wood, except that she had written numerous works of fiction before "East Lynne," some good novelettes, too. We have just read the proof-sheets of "The Earl's Heirs; a Tale of Domestic Life," by the same writer, not yet published in England, which T. B. Peterson & Brothers of this city will give to the world in a few days; and must confess that, for many years, we have not seen so much evidence of constructive power, the want of which constitutes the leading deficiency of nearly all our modern novelists. Dickens and Thackeray not excepted. The story is essentially dramatic, with character well developed, but its perfect construction constitutes its greatest merit. In "East Lynne," one of the leading incidents (an adulterous wife watching in disguise over her own legitimate offspring) was evidently suggested by something similar in "The Admiral's Daughter," by Mrs. Marsh; but in "The Earl's Heirs" the reader is reminded of nothing that he has ever read before. The story is as probable as most of the narratives in the newspapers, but the romantic element is also thrown in. We are confident that novel readers, a very large class, will take this story to their heart. It has no ordinary merit, and, though the denouement is very natural, the reader will be sharp indeed who can anticipate it until quite close to the last pages. If Messrs. Peterson have any other novels by Mrs. Wood, or by any one else, even half as good as this, we recommend their early publication, for good novels are scarce of late.

Single copies of the Earl's Heirs will be sent at once, free of postage, per first mail, on remitting 50 cents to the publishers, in a letter; or two copies will be sent for $1.

Booksellers, News Agents, and all others will please send on their orders at once for what they want of this book, which will prove to be the most popular one published for years.
