AYER'S SARSAPARILLA.

A new Combination of Remedies, affording a more effectual alterative and more reliable medicine than has ever before been obtained. By its peculiar virtues, which stimulate the vital functions of the body and thus aid in the production of richer and purer blood, it restores the healthy actions of the system, and overcomes diseases. It stimulates the depurating organs to expel the impurities which accumulate in the circulation and burst out in pimples and ulcers, or are deposited in the *Liver, Kidneys, Lungs*, or other internal viscera, producing settled and dangerous disease. It removes the *cause* of disease, and health is sure to follow. The subjoined complaints, although of many names, are of one origin—Impurity of the blood, and consequent depression of the vital forces. Purify or renovate the blood, and you cure them!

How to do it with AYER'S SARSAPARILLA: For *Pimples, Pustules, Blotches, Eruptions*, and all Diseases of the Skin, take the SARSAPARILLA in moderate but constant doses, until they disappear.

For *St. Anthony's Fire, Rose*, or *Erysipelas, Tetter*, and *Salt Rheum, Scald Head, Ring Worm*, &c., take the SARSAPARILLA as above, but also keep the affected part clean, cool, and free from irritation; dust it with flour, or arrowroot, or powdered starch, and it is well to take occasionally some mild purgative.

For *Scrofula* and *Scrofulous Affections*, such as *Tumors, Ulcers, Sores*, and all its various manifestations, whether internal or external, take the SARSAPARILLA in liberal doses, until its constitutional effect removes the complaint. It will often aggravate the disorder for a few days, and then the latter should begin to disappear. In obstinate cases, which are not entirely cured after some weeks of trial, discontinue the SARSAPARILLA for a week. It will be more effectual when you recommence taking it. A mild purgation may be sometimes required. *Bad Ulcers* and *Swellings* should have careful local treatment, which is described in *Ayer's Almanac*, which see. The severest forms of Scrofulous Disorder have been constantly and completely cured by this remedy. It produces new and healthy blood, in place of that which was corrupted by disease.

For *Uterine Ulceration, Leucorrhea, or Whites*, and *Female Disease*, the SARSAPARILLA should be taken in doses adapted to the constitutional strength of the patient, and constant cleanliness observed to help the cure. Local applications are sometimes indispensable, which your physician will best direct.

For *Syphilis* and *Mercurial Disease*, the SARSAPARILLA must be taken freely and long. These complaints often require the fullest constitutional impression from the medicine, and even then yield slowly. They are very obstinate. Both complaints have been considered incurable, but this compound does surely cure them.

Rheumatism, Liver Complaint, Dyspepsia, Heart Disease, Fits, Epilepsy, and *Neuralgia*, are often caused by the internal effects of the Scrofulous contamination. Remove it, and you cure them.

Enlargement, Ulceration, Caries, and *Exfoliation of the Bones*, are often caused by latent Scrofula in the system. Purge it out from the blood with AYER'S SARSAPARILLA, and see how rapidly they are cured.

Sore Eyes, Discharges from the Ears, and the ulcerations around the mouth, nose, &c., in children, which are the bursting out of Scrofula in their blood, are soon dispersed by expelling the disorder itself with this SARSAPARILLA. The pale, sickly appearance of children often arises from digestion disordered by the same cause. Use the same cure. Scrofula is the parent disorder from which a great variety of complaints originate in both adults and children. Expel the Scrofula from the system with AYER'S SARSAPARILLA, and the complaints at once disappear.

We know the public have been deceived by many compounds of SARSAPARILLA that promised much and did nothing, but they will neither be deceived nor disappointed in this. Its virtues have been proved by abundant trial, and there remains no question of its excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any which has hitherto been available to them.

Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by Druggists everywhere.

ROOFING SLATE.

EAGLE SLATE COMPANY.

Depot—Corner of 10th-av. and 12th-st., New-York. ADAM PONTON. | Quarries at Hydeville, Vermont. A. K. RYDER, Superintendent.

This Company invite the attention of the public to their superior and well-known GREEN and PURPLE ROOFING SLATE, which they are prepared to deliver from their Quarries or Depots in all sizes suitable for roofing.

The public are cautioned against a spurious and inferior article which has been represented and used as "Eagle Slate." A slate roof is preferable to tin, shingles or iron.

If well put on, it lasts a lifetime without needing repairs. It is as cheap as tin or shingles. It needs no paint. Rain water from a slate roof is pure; it has no taint of decayed wood or paint. Slate roofs are fire-proof; insurance companies favor them; steam will not affect them.

Experienced slaters, if required, will be sent to any part of the country upon application at the New-York Depot. Orders addressed as above, or to G. FURMAN, No. 26 Courtlandt-st., New-York, will receive prompt attention.
