Council of Jewish Women

Augusta, Georgia Section of the Council of Jewish Women is but a few months old and has already taken its place in community affairs. In the Victory parade held in that city recently, the Section entered a beautiful float which won the second prize of $75.00. This money will be used by the Section for its religious school work.

Spokane Section is one of the newer Sections being organized but a year and a half. A report from the President, Mrs. Binswanger, states among other things that the membership is now 204 with the prospect of more. Evening meetings have been held which the men have attended and enjoyed, and three times within a week the strength of the Section was shown. They were called upon one night for a Juvenile Court representative to appear early the next morning; they were called upon to help the Edgecliffe Sanitarium and the Section headed the list in securing contributions for it. At the eleventh hour when the Temple Choir could not serve, the Council Glee Club took its place. Mrs. Binswanger goes on to say that she has her work well in hand and hopes to organize two other Sections in the State shortly, namely Tacoma and Yakina.

A new Section of the Council has been organized in Mt. Vernon, N. Y. by Mrs. Otto Kempner with a charter membership of 30. There is a large Jewish population in and about Mt. Vernon and the prospects are that the membership will increase immediately. The following officers were elected: President, Mrs. Benjamin Lewis; Secretary, Mrs. H. Goldenstein; Treasurer, Mrs. S. Goldenstein.
