Miss Regensburger Entertains

Miss Sarah Rosensburger entertained with auction bridge Friday evening from eight until eleven in compliment to her sister, Mrs. Samuel A. DeVay of Cleveland, Ohio, who is visitng in the city. This delightful hospitality took place on the mezzaine balcony of Tony's Palm Garden.

At the conclusion of an absorbing series of games, Mrs. Dayton Campbell was holding top score and received a charming sterling silver bonbon dish. The second prize, a sterling silver cheese knife, went to Miss Mary Kennedy of Fort Worth, formerly of Denison. Mrs. DeVay was recipient of the honoree's favor, a sterling silver gray handle.

After the cards a savory salad course was served. There were seven tables of players.

Warsaw: All the the postal employees of Warsaw have gone on a strike. The strikers demand an increase in their pay which the government refuses to grant.

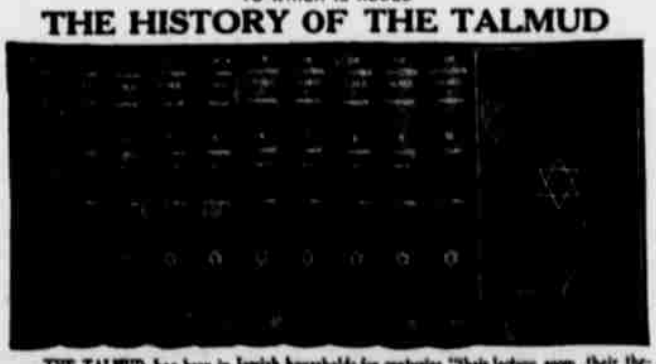
A thousand authors worked during nearly two thousand years to produce a mighty work — one unique in the entire history of literature.

A scholar of the nineteenth and twentieth centuries toiled for forty years to give this work to the English-speaking world. The result is

THE TALMUD IN ENGLISH
Original Text Translated, Formulated and Edited
By MICHAEL L. RODKINSON
TO WHICH IS ADDED
THE HISTORY OF THE TALMUD



THE TALMUD has been in Jewish households for centuries "their lecture room, their tabernacle, their library, their newspaper, their studio, their one-in-all." And yet the work has hitherto been difficult for even Hebrew scholars to read because the original text is unpunctuated, and consists of Hebrew and Aramaic consonants with not a vowel in the entire work. This English edition, though preserving intact the legends, laws, commandments, prayers and discussions of the original version, presents them coherently. It keeps close to the original text while using forceful English. Repetitions and arguments unessential to the point at issue have been omitted. Rashi's Commentary is also translated.

The HISTORY of the TALMUD, included in this edition, is a complete work in itself. It is a narrative of the Talmud's unique production, and the many persecutions it received until recently, including its burnings at the stake. It will delight every student of history.

A full history of the Talmud has never before been published in any European language.
