How About Sageng's Own Machine?

Editor Willmar Tribune: I understand that Ole O. Sageng, vice president of the Sageng Threshing Machine Co., in which some Kandiyohi County people bought stock, is now helping Lee explain the Eberhart machine. Would it not be better that he first explained his own machine? (threshing machine).

NOTE:—Senator Sageng would no doubt be able to explain his connection with his brother's threshing machine company if given a chance to do so. He probably has not realized that it was an issue in the state campaign.—Editor.

SIGNOR ALEXANDER LIBERATI

World Famous Band Master

SIGNOR Alexander Liberati, who will visit this community during the Chautauqua with his band of twenty-eight musicians and opera singers is the most famous band leader and cornet soloist of America and is well known in many European countries. Mr. Liberati has had a long and eventful career. He rose rapidly from the ranks of a private soldier to a position of honor and trust. His first experience in service was that of a private soldier in the Province of Tyrol in the Ninth Regiment Italian Volunteers under Col. Menotti Garabaldi in 1866.

In 1867 he became the first Cornetist in the First Regiment Kings Brigade of the Italian army. In 1871 he was a volunteer in the Foreign Legion Fifth Battalion, in the Franco-Prussian War. In 1873 he became bandmaster and cornet soloist to his Excellency, Earl Dafferin, Governor-General of Canada. Following this last appointment the musical lovers and band builders of the world had their eyes on the famous Italian. Offers came thick and fast. After filling many positions of honor he became leader and director of Liberati's famous Seventy-first Regimental Band of the N. G. S., N. Y., Col. E. A. McAlphin commanding, which band successfully toured the United States.

In 1887 Colonel Blethem, now editor of the Seattle Daily Times, concluded arrangements with Signor Liberati to bring his famous band and opera singers from New York to Minneapolis for the exposition held in that city, where he played a successful engagement of seven successive weeks.

Signor Liberati in addition to a clear record of thirty-eight years as virtuoso, conductor and impressario upon this side of the Atlantic, always presents vocal soloists such as are heard elsewhere only in first class Grand Opera Companies. No other virtuoso or bandmaster past or present can show a like record, based wholly upon merit and consequent results of artistic performances.

Baseball in Alaska.

Under conditions probably more unusual than anywhere else in the world is baseball played at Ketchikan, Alaska, where the only level stretch of land suitable for grounds is along the ocean edge. Consequently the games must be played at low tide, for nearly twenty feet of water cover the home plate when the tide is at flood.—Argonaut.

Pretty Bad Either Way.

"Oh, Mr. Squeam, we want you to officiate at my marriage to Billy Speed."

"William Speed! A divorce! Never, my dear child, certainly not."

"Dear me! Do you mean, then, that if you perform the ceremony I'll have to accept some inexperienced youth with no matrimonial training whatever?"—Life.

No Wonder!

The tired business man was found in a state of collapse on the sixth floor of a downtown office building. Restoratives were applied, and he sat up feebly. "I'm all right now," he explained. "You see, I wanted to go up to our other office on the tenth floor—and—(here he gasped for breath)—I found the elevator—going—up!"—New York Post.

The Unusual Way.

"Yes, my daughter is going to marry young Flubdub."

"But he can't support her in the style to which she has been accustomed."

"Well, she has had it too easy. A few hardships will do her good. I wouldn't care to force them on her, but she is going into this of her own accord."—Pittsburgh Post.

Now Therefore, We, the County Board of said County, at a special session held this day, do hereby appoint A. J. Smithson and C. T. Skindelien and A. O. Forsberg, three resident freeholders of said County, who are not interested in the construction of said proposed work, and not of kin to any of the parties known to be interested therein, to be viewers of said proposed work and of the route thereof. The said viewers shall first take an oath to faithfully perform their duties as such viewers; and thereafter, having received a certified copy of the petition for said ditch and of the order appointing them such viewers and of the order of the County Auditor of said County designating the time and place of the first meeting of said viewers, shall meet at the time and place specified, in the order of the County Auditor aforesaid and shall proceed to view said proposed work, and the land damaged or benefitted thereby; and, having completed said view and examination of said work, shall make and file their report thereof with said County Auditor of said County within thirty days from the date of their first meeting.
