The "2d Quality" are superior to any Pens made by him previous to the year 1860.

The "3d Quality" he intends shall equal in respect to Durability, Elasticity and Good Writing Qualities (the only true considerations) any Gold Pens made elsewhere.

In regard to the Cheap Gold Pens, he begs leave to say that, previous to operating his New and Patented Machines, he could not have made as Good Writing and Durable Pens, for the price, had the Gold been furnished gratuitously.

Parties ordering must in all instances specify the "Number" and "Quality" of the Pens wanted, and be particular to describe the kind of Pens they prefer—whether stiff or limber, coarse or fine.

CLEANSE THE BLOOD.

With corrupt, disordered or vitiated Blood, you must be sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities, and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as *Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases*, such as *Retention, Irregularity, Suppression, Whites, Sterility, Syphilis or Venereal Diseases, Liver Complaints*, and *Heart Diseases*. Try AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

AYER'S CHERRY PECTORAL is so universally known to surpass every other remedy for the cure of *Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption*, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

AYER'S CATHARTIC PILLS, for *Costiveness, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Jaundice, Headache, Heartburn, Piles, Rheumatism, Dropsy, Worms*, and in short for all the purposes of a purgative medicine.

For many years these pills have been used with extraordinary success, curing those diseases which arise from disordered digestive organs and impure blood. They expel all foul humors from the system and restore and invigorate its healthy vitalities. They strike at the root of disease—they purify the fountain of life—they restore the lost bloom and buoyancy of youth, even to those far advanced in age. And yet, such is their composition, that injury cannot possibly result from their use, even to infants.

TO CONSUMERS of RICHARDSON'S IRISH LINENS, DAMASKS, DIAPERS, CAMBRIC HANDKERCHIEFS, &c.

The unsettled state of the markets for some time past on this side of the Atlantic, attributable to corresponding influences in the United States, and the enhanced value given to desirable goods there, through recent uncontrolable circumstances, have afforded to unscrupulous dealers another highly tempting opportunity TO COUNTERFEIT OUR GOODS, and knowing the considerable quantities of worthless fabrics, prepared in imitation of our style, and sewed with the name of "Richardson," have been shipped this season to the United States, we feel called upon again to CAUTION the CONSUMER against the purchase of any linen fabric offered as "Richardson's" make, not having the full signature of our firm, viz:

J. N. RICHARDSON, SONS & OWDEN.

To those who give a preference to our manufacture, we offer the same guarantees as to quality, soundness of bleach, and durability, our goods have always borne; and while we are determined to protect our interest on this side by prosecuting rigorously any infringement of our rights, we trust our American friends will assist us in putting down a nuisance, in which they as consumers and we as manufacturers, are mutually interested.

In times like the present, when the cost of importation is so much augmented, it behooves the consumers to see that they get value for their money, and this they are more likely to obtain by dealing exclusively with first class houses, who are always supplied with our goods. Respectfully,

J. N. RICHARDSON, SONS & OWDEN,
7 Month, 19th, 1862. Belfast, Ireland.
